

QUICKSILVER®

I N F L A T A B L E S

Portable, affordable fun

Portable Affordable Fun

Enjoy portable, affordable fun on the water with a splendid new Quicksilver® inflatable. This is go-anywhere fun for the whole family. Lightweight portability, quick to set up, easy to operate, fitted with the best outboard power around and reassuringly safe and stable. Boats packed with boating benefits.

Quicksilver is one of the largest inflatable boat companies in the world and part of Mercury Marine, global leader in pleasure boat propulsion, parts, accessories and many more things boating. Mercury Marine has been setting the standards for over 60 years.

Whatever your boating needs, whether you're wanting to take a picnic out on the lake, explore a new coastline or need a tender to get ashore, there's a robust, economical Quicksilver for you.

If you're looking for a rigid inflatable, ask your dealer about Valiant® RIBs, designed and built to exacting standards for pleasure and commercial use. Valiant is also part of the Mercury Marine family.

Some Quicksilver benefits

- Tough and longer lasting, Quicksilver inflatables use extra strong German-made fabric
- With a Quicksilver inflatable you're in good company – today's proven range has accumulated millions of hours of experience on the water
- All AirDeck™ and Sport models have an inflatable keel under the floor for better performance
- There are multiple air chambers for reliable buoyancy and extra safety
- All Quicksilver inflatables are equipped with spray shields to help eliminate backwash and protect you from water thrown up by the propeller
- Larger boats have two seat positions and are pre-equipped to take an optional second seat
- Every boat is backed with a 5-year limited fabric and seam warranty

The Boat To Fit Your Lifestyle

Looking for a RIB?
Ask your dealer
about Valiant RIBs.

Portable Affordable Fun

RHINO RIDER™

With the sportiness of a personal watercraft and the stability of an inflatable, the Rhino Rider is a great way to have fun!

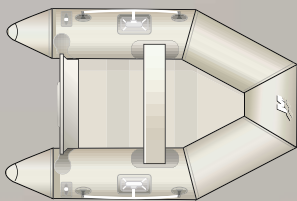

- Integrated center-console with padded seat
- Standard windshield, two rear-view mirrors and remote control
- Includes stainless steel towing eye, engine bracket and four davit lifting rings, gauges, 2 fuel tanks, battery case, aluminum paddle and repair kit
- Almost indestructible polyethylene semi-“V” hull
- Detachable buoyancy tube for repair or replacement

Roll Out The Enjoyment

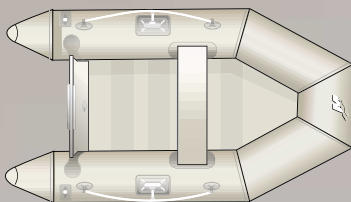

These economical lightweight dinghies are perfect for quick ship-to-shore trips. And Quicksilver Roll-Up models are easy to set up and pack up.

They're compact for storage on your boat or back at home. With slatted floorboards these tough little inflatables make excellent tenders.

200 RU - Made with tough Duratex™ 1100 fabric.

240 RU - Will take up to 5HP of outboard power

Quicksilver Roll-Ups

- Superbly tough to carry people and gear with ease
- Safe and sure with two separate internal air chambers
- Heavy-duty plywood transom for your outboard and standard transom cap to avoid knocks when rigging the boat
- High velocity air pump and seat are standard equipment
- Includes carrying bag and repair kit
- Every boat is backed with a 5-year limited fabric and seam warranty

**Perfect For Short Trips Or
The Long Haul**

ROLL-UP 200 240

Portable Affordable Fun

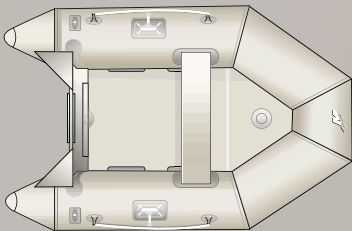

MODEL	MAX HP 	MAX ENGINE WEIGHT (KG)	MAX PERSONS 	WEIGHT INCLUDING PUMP & OARS (KG)
200 ROLL-UP	4	25	2	22.3
240 ROLL-UP	5	25	3	26.9

All Around Family Boating

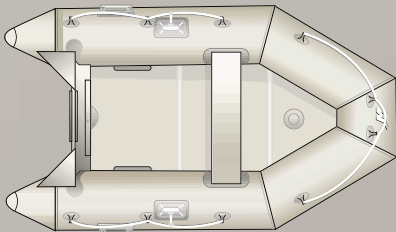

Quicksilver Sport inflatables are big enough to haul lots of people and gear yet compact and easy to carry. This is economical boating at its best.

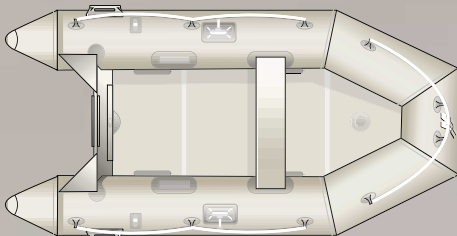

Their low centre of gravity makes them ideal craft for all-around family boating. From short trips to on-water adventures, you can always rely on Quicksilver Inflatables to provide fun on the water.

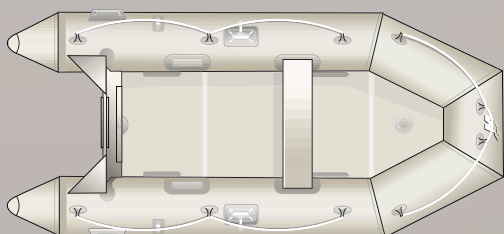

240 S - All-purpose boating from Quicksilver

270 S - The engine bracket is cast aluminium (like on all models)

310 S - This boat has stainless steel towing rings (like on all models)

340 S - Look for the wide range of optional accessories

Quicksilver Sport

- Spray shield helps keep passengers and gear dry
- Strong wooden floor and durable tubes will stand up to years of use
- The security of 4 separate internal air chambers
- High-velocity foot pump is just one of the many standard accessories
- Best quality Halkey-Roberts valves
- Every boat is backed with a 5-year limited fabric and seam warranty

More Of Everything

SPORT 240 270 310 340

Portable Affordable Fun

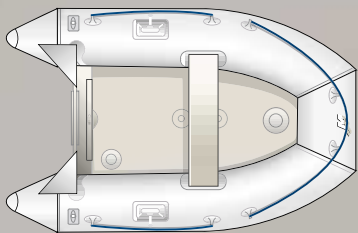

MODEL	MAX HP 	MAX ENGINE WEIGHT (KG)	MAX PERSONS 	WEIGHT INCLUDING PUMP & OARS (KG)
240 SPORT	6	25	3	39.4
270 SPORT	10	40	4	44.3
310 SPORT	15	40	4	48.5
340 SPORT	15	50	5	53.7

The Original Air On Water

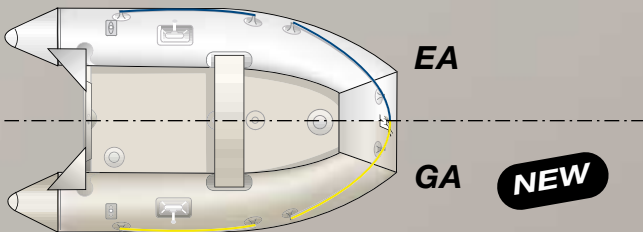

With attractive European styling, these deluxe Quicksilver tenders weigh in around 25% lighter than comparable wooden floor inflatables. No loose parts to assemble and an absolute breeze to carry.

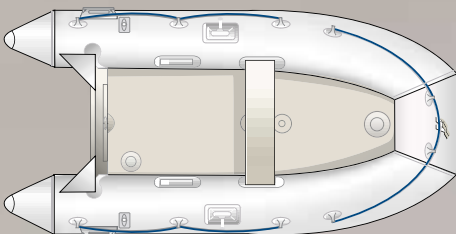

Now available in four sizes and two colour schemes, these versatile boats replace traditional wooden floorboards with a high-pressure inflatable floor. They are incredibly light and roomy.

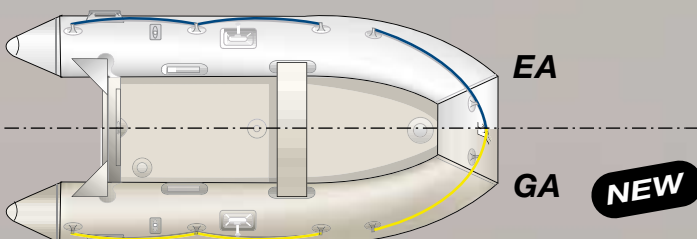

240 EA - Extra room thanks to European styling

270 EA/GA - Lightweight and comfortable

310 EA - Near-instant fun on the water

340 EA/GA - Stable and manoeuvrable

Quicksilver AirDeck

- Great value and longer lasting through its heavy-duty PVC fabric and tight-weave nonstretch polyester core, as used on all Quicksilver inflatable boats
- Attractive European styling brings a distinctive look
- Designed for more interior room for you and your passengers
- The convenience of a one-way drain valve with plug
- Just in case, a repair kit in waterproof container comes as standard
- Every boat is backed with a 5-year limited fabric and seam warranty
- The new 270 GA and 340 GA feature soil resistant grey tubes with yellow highlights

Lightening Your Load

270 AIRDECK	10	40	4	33.9
310 AIRDECK	15	40	4	36.3
340 AIRDECK	15	50	5	39.1

Workhorses For The Water

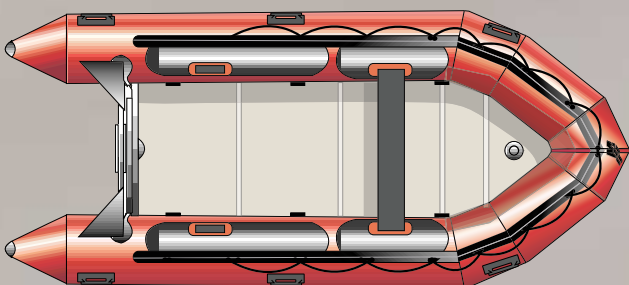

Quicksilver's heavy-duty inflatables, the rugged 380HD and 430HD, are ideal for boating applications where a little more space and strength are required.

These boats are perfect for scuba diving and rescue teams, for instance, carrying up to eight people. And divers just love the soft tubes and low freeboard that make them easy to roll off and reboard, even in rough water. Bright and easy to see, Quicksilver heavy-duty inflatables are ready for hard work and adventure.

380 HD - These boats have specially reinforced double-layer fabric

430 HD - You can fit up to 30HP on the 430HD

Quicksilver Heavy-Duty

- Tough and abrasion resistant with double-layer, reinforced fabric
- Further strength from heavy duty aluminium-framed floorboards
- On-board gear can be kept secure using internal stainless steel D-rings plus tie-downs integrated in to the floorboards
- Ease of transport and launching aided by seven external carrying handles and hogging strips all around
- Extra visibility through highly noticeable red fabric
- Every boat is backed with a 5-year limited fabric and seam warranty
- New! The 430 HD can now take up to 30HP*

**Built For Use.
For Whatever You Need.**

* Mercury or Mariner 30, 429 cc.

430 HEAVY-DUTY	30	60	8	98.6

Everything You Need From Bow To Stern

STORAGE & SEATING

Bow Dodger / Bag Kit

Easy to fit, water-repellant Cordura® nylon bag closes with a non-corroding nylon zipper and hangs under the dodger.

62-808646A1

Underseat Storage Bag

Durable, colour co-ordinated storage bag made from Cordura nylon. Fits all Quicksilver inflatables except 200 and 240 models.

62-808647T

Adjustable Storage Seat With Cushion

The padded storage seat adjusts easily for use on 240 to 340 models. Easy to install and remove, size 25cm high x 46cm deep x 69-84cm wide.

62-809541A1

Inflatable Thwart Seat

This grey inflatable thwart seat in a variety of sizes fits most Quicksilver inflatables.

62-811816 1 (Roll-Up, Sport, AirDeck™ 230 to 260)
62-811904 1 (Sport, AirDeck 270 to 340)
62-811905T 1 (380 HD)

Inflatable Bench Seat

Grey-coloured bench seat with back support. Fits 270 to 340 models.

62-809111 1

White Vinyl Bench Seat With Attaching Hardware

Fold-back cushion seat, 66cm wide, with aluminium base and attaching hardware. Fits Quicksilver 270 and larger Sport and Heavy-Duty models.

62-827658A1

White Vinyl Seat Cushion

This foam-filled vinyl cushion fits the rowing seat. It includes six snap-on attachments.

62-809773 (30" - for 230, 240 & 260)
62-809773 1 (34" - for 270 - 340)
62-809773 2 (40" - for 380)
62-809773 3 (44" - for 430)

AIR PUMPS

Bravo Automatic Inflator & Deflator

Works off a car battery to provide you with up to 300mb of pressure. Auto shutoff prevents over-pressure. Supplied complete with universal adaptors, including valve and battery connectors.

62-803905 (12v)

Features an automatic shutoff when pressure reaches 200 mb, with manual override for additional pressure if needed.

62-8009649 (220v)

Bravo 6 Double Action Air Pump

An easy-to-use, hand pump that's much faster than a standard foot pump. Either use single action, which pumps when pushing, or double action, which pumps when pushing and pulling.

62-809631T
62-809685 4 (adapter set)

Valve Fill Adapters

Halkey-Roberts

62-809685 fits old-style valve 19 mm
62-809685 1 fits old-style valve 14 mm
62-809685 2 fits new-style valve 19 mm
62-809685 3 universal

Quicksilver

62-859044A1 fits 200RU & 240RU (2001 & 2002 models)

COVERS

Boat Cover

Rip-stop nylon cover with UV inhibitors and water repellent ZEPEL® finish to protect your inflatable from the elements. Also fits over the attached outboard.

62-8234421 (200, 230) 62-880860 (340)
62-811350 (240, 260, 270) 62-811837 (380)
62-811351 (300, 310, 330) 62-809172 (430)

FUEL TANK

Fuel Tank Hold-Down Kit

Made with polypropylene strapping for superior strength. Quick-release buckles simplify replacement of the tank.

62-809610

ENGINE

Spray Deflector

Helps prevent spray from entering your boat. Easy to install.

62-809728A1

Engine Cover

This cover is the best way to protect your engine during storage or to protect the cowl when your boat is moored.

See Boating Accessories Guide for full offering and part numbers

Easy Lift Motortote

Fitting outboard engines up to 15HP (11.2kW) and able to be left in place permanently, this is a secure handle for raising and lowering the engine.

62-809630

Hydrofoil Stabiliser Kit

For Mercury and Mariner outboards 6–25HP (4.5–18.7kW) and designed to enhance performance by quicker planing and better acceleration.
62-808657A1

LIGHTING

Clamp-On Stern Light

Attwood® 61cm high all-around light for inflatables and other small craft which do not have permanently mounted navigation lights.
62-808768

Combination Bow Light

Battery-operated Attwood bow light with attachment base, designed for inflatables or other surfaces where screws cannot be used.
67-808766

MOORING

Inflatable Boat Anchor

Designed specifically for safe and easy use with inflatable boats. A mushroom anchor in a choice of three weights, coated in black plastisol.

- 67-831431 (3.6 kg)
- 67-831432 (4.5 kg)
- 67-831434 (6.8 kg)

Anchor Line

Three-strand polyester with thimble (40 m).
67-882918 (Ø 10 mm)
67-882919 (Ø 12 mm)

TRAILERING

Boat Trailer Tie-Down

Wellington® Puritan tie-down webbing, 3.05m long and 5cm wide, with the strength of nylon without the stretch. Helps prevent strap loosening while trailering.
67-850109

Dinghy Dolly Launching Wheels

Wheels roll easily over firm surfaces and tuck out of the way once the boat is out of the water. For all Quicksilver inflatables.
62-808606A1

Raft Runner Launching Wheels

Another launching wheels choice for all Quicksilver inflatables. Will not rust, corrode or deteriorate.
62-808659A1

REPAIR ACCESSORIES

Boat Handles

Additional handles make lifting even easier. Can be mounted anywhere on your boat for convenient holding and model C doubles as a cleat.
A 62-811337 1 (grey)
B 62-811337 (black)
C 62-859007 (grey)

Combination D-Ring & Lifting Handle

Ideal for any inflatable boat and backed by rugged 1100 Decitex denier fabric.
809777 1

Stainless Steel Rings

These stainless steel rings can be added to the boat for fuel tank tie-downs, lifting rings and to secure gear.
62-811309 (black)
62-811309 1 (grey)

Moulded Rope Holder

Backed by tough 1100 Decitex denier fabric. A useful accessory for any inflatable boat.
62-811813 (black)
62-811813 1 (grey)

Seat Webbing & Fabric

Used to attach wooden seats to the inflatable tubes (two required).
62-818701 2 (grey/silver)
62-818701 3 (grey/grey)
62-818701 4 (grey/white)
62-818701 5 (black/red)

M.E.K. Patching Solvent & Cleaner

For cleaning inflatable tubes before using 2-part glue.
92-818702

PVC Repair Kit

Contains two grey fabric patches and one tube of cement in a waterproof plastic canister.
92-811314-2

2-Part Glue

Used to attach handles and larger accessories to the boat tubes. For PVC and Hypalon fabrics.

92-818651A3 (118 ml)
92-818651A4 (236 ml)
92-818651A1 (473 ml)
92-818651A2 (946 ml)

1-Part PVC Glue

Used to attach small accessories and for minor repairs.

92-808648

Star Brite

Star Brite Inflatable Boat & Fender Cleaner/Protector
67-8298181

SeamGrip™ 1-oz Tube

Excellent for minor seam or small puncture repairs. Seals and repairs in one application and dries overnight.

92-809628

Aquaseal® 1-oz Tube

Thicker than SeamGrip, it repairs small tears and cuts in fabrics such as PVC, Hypalon and more. Dries overnight.

92-809626

SeamGrip Combo Pack

Seams will seal in two hours using the combination of SeamGrip and Seam Excel. It is tack-free in around 15 minutes, for fast repairs.

92-809629

AquaSeal Combo Pack

The combination of AquaSeal and Cotel-240 means repairs will be tack-free in around 15 minutes and dry in about two hours.

92-809627

STEERING

Pedestal Rotary Steering Kit

Floor mounted and made of stainless steel tube construction. The kit includes pedestal frame, 33 cm steering wheel, bezel, rotary helm, steering cable and attaching hardware. (It does not include control box, shift and throttle cables, or attaching kits for the engine).

62-827659A6 (1.8 m) 62-827659A10 (3.0 m)
62-827659A7 (2.1 m) 62-827659A11 (3.4 m)
62-827659A8 (2.4 m) 62-827659A12 (3.7 m)
62-827659A9 (2.7 m)

Pedestal Steering Mount & Attaching Hardware

Strong stainless steel tube construction, floor mounted. Kit includes pedestal frame and attaching hardware.

62-827659A1

Steering Wheel

Soft-grip 33cm polyurethane steering wheel.

62-827667

Crossbar Steering Kit & Attaching Hardware

Adjustable width, aluminium tube crossbar steering unit which attaches to the lacing cuffs on top of the tube. Includes crossbar frame, 33 cm steering wheel, bezel, rack helm, steering cable and attaching hardware. (It does not include control box, shift and throttle cables or attaching kits for the engine).

62-827640A6 (1.8 m) 62-827640A10 (3.0 m)
62-827640A7 (2.1 m) 62-827640A11 (3.4 m)
62-827640A8 (2.4 m) 62-827640A12 (3.7 m)
62-827640A9 (2.7 m)

Crossbar Steering & Attaching Hardware

Adjustable width, aluminium tube crossbar frame. Includes attaching hardware but order the lacing cuffs separately.

62-827640T

Lacing Cuffs

Lacing cuffs (you need to order two), 46 cm, for use with crossbar steering.

62-809107 (black)
62-809107 1 (silver)

WATERSPORT

Water ski

High quality, durable skis, wakeboard and tube, offering you new ways to enjoy yourself.

See *Boating Accessories Guide* for full offering and part numbers

Ski Vest & Life Jacket

Vest with closed sides, CE approved 50N CE 95 EN 393, coated nylon shell and soft foam. CE-approved 100N life jacket, CE EN 395.

See *Boating Accessories Guide* for full offering and part numbers

NOTE: Due to our constant efforts to offer the finest products available, Quicksilver Inflatables reserves the right to change specifications without notice.
WARRANTY: Mercury Marine backs every 2002 Quicksilver Inflatables with a full five-year limited warranty on fabric and air holding seams.

For Every Kind Of Boating Fun

Quicksilver also offers a wide range of high quality fibreglass-hulled boats, from runabouts to fishing craft to sportsboats to cruisers.

Or choose one of Quicksilver's aluminium boats.

They are lightweight, sturdy and long-lasting.

The Very Best Outboard Power

The perfect power for every Quicksilver inflatable is a reliable Mercury or Mariner outboard. Every Quicksilver boat dealer is fully qualified and equipped to maintain your Mercury or Mariner engine in tip-top condition at all times.

10 Reasons to choose a Quicksilver inflatable

1. Stronger Fabric

The fabric used to build Quicksilver's foldable boats is up to 25% stronger than that used by some other manufacturers. It makes your Quicksilver tougher and longer lasting.

2. Stronger Ribs

The special Rhino Rider has virtually indestructible polyethylene hulls.

3. Accessories

All Quicksilver inflatables come standard with the accessories you need to get started on the water. You receive an inflation pump, rowing seat, repair kit, oars or paddles, aluminium or stainless steel reinforcing pad for the engine, stainless steel towing eyes, bow handle and (except for the Rhino Rider) a storage bag.

4. Inflatable Keel

All Quicksilver AirDeck, Sport and Heavy-Duty models have an inflatable keel under the floor for better performance than competitors' flat-bottom boats.

5. Quality Assurance

Quicksilver foldable boats are built in a factory with ISO 9002 certification. This is your assurance of a quality product built consistently to exacting standards.

6. Fold-Down Row Locks

The row locks allow oars to be stored on the outside of the tubes for a lower profile, leaving more open room on top of the tube.

7. Proven Design

Quicksilver boats designs have evolved down the years to today's proven range. They have accumulated over 14 million hours of experience on the water.

8. T-Type Storage Bag

When it is time to put your boat away you will find that Quicksilver's T-Type storage bag is much easier to use than a zipper bag.

9. Wider Choice

Whether you are looking for a lightweight tender or offshore thrills, Quicksilver has a boat for you. From Roll-ups to AirDecks to Sport models to RIBs-Quicksilver will have what you need.

10. Five-Year Warranty

Quicksilver backs all of its boats with a 5-year limited fabric and seam warranty. Quicksilver inflatables are products of Mercury Marine, the world's largest boat engine manufacturer. Sister boat brands include Arvor, Askeladden, Baja, Bayliner, Bermuda, Boston Whaler, Maxum, Örnvik, Princecraft, Savage, Sealine, Sea Ray, Uttern and Valiant, all from the world's largest pleasure boat builder. With a heritage such as this, it's natural that Quicksilver stands behind every boat that it sells.

Put Safety First

Remember, boats float. You don't. Wear a life jacket.

QUICKSILVER

All Quicksilver foldable boats are ISO 9002 accredited.
