

QUICKSILVER®

Fishing Family & Sport Boats
With Performance Style & Value

www.marinepower.com

2003

If You Like the Water You'll Love Quicksilver

Go boating and go have great fun. And when you want the most fun on the water, Quicksilver has a boat that's just right for you.

Choose from 30 stylish, feature-packed and value-for-money boats in the 2003 Quicksilver range. Eleven are brand new models and all 30 benefit from a series of upgrades, including new-look instrumentation, new steering wheels, electrical

panel with indicator lights and extra switches for accessories, electric bilge pump with automatic / manual switch, navigation lights, smooth action 4000 Series remote controls, stainless steel cleats, improved boarding / swim ladders and new rubstrakes. Every Quicksilver boat carries a 3-year structural hull warranty. The boats are different in size and differ in style, but all offer the right quality at the right price.

There are Quicksilver models for economical family cruising. Boats that let you fish, no matter what the weather might bring. Sporty craft, ideal for seeking the freedom of the water and exploring those far-away destinations.

And Quicksilvers especially suited for boating beginners. Depending on the Quicksilver model and personal choice, the power at your stern can be a high-performing, hard-working Mercury or Mariner four-stroke or two-stroke outboard, or a Mercury MerCruiser, the most popular stern-drive of all time.

Whatever your choice, you'll be backed by a nationwide and international service dealer network — and by the biggest name in pleasure boating, Mercury Marine

Specifications & Equipment 34-35

New! 800 Commander & 600 Commander

These are completely new boats from Quicksilver, with outstanding good looks and all the features to match. They're stylish but functional, fast yet safe. At eight metres and six metres length overall respectively, the new Commanders are spacious and comfortable.

The 800 will take twin Mercury OptiMax or Mariner OptiMax direct injection outboards, with their outstanding performance and fuel economy. With OptiMax power you can also benefit from the optional revolutionary SmartCraft boat and engine management system.

Specifications	800
Overall length (m)	7.80
Overall beam (m)	2.82
Number of people	8
Maximum power (HP)	300

Full specifications & equipment on page 34

800 Commander.
New-look instrumentation on the stylish helm combines quality design criteria with functionality.

800 Commander.
Eat and then relax. This sunpad converts from a table.

800 Commander.
Your storage needs have been planned throughout.

800 600

Specifications	600
Overall length (m)	6.12
Overall beam (m)	2.50
Number of people	6
Maximum power (HP)	175

800 Commander.
An enclosed head is provided. Privacy on board.

800 Commander.
Fishing rod holders are standard.

630 Commander & 630 WalkAround

Who says you can't have it all? The 630 WalkAround is the perfect compromise. Loads of space on deck combined with cozy accommodation below. Romantic overnight trips and sun-filled days. If that's your dream, this is your boat.

The 630 Commander has a centre console and is the perfect dayboat for those quick trips to a secluded cove. There's plenty of room around the picnic table up forward, or convert it into a sunpad when you or your passengers want to stretch out and relax. Fast yet safe, powerful yet economical.

Both versions of the 630 feature hydraulic steering as standard equipment for the easiest boat control possible.

Specifications	630
Overall length (m)	6.30
Overall beam (m)	2.47
Number of people	6
Maximum power (HP)	175

Full specifications & equipment on page 34

630 Commander.
As standard, a picnic table mounts ahead of the stylish console.

630 Commander.
A bow roller, recessed anchor line channel, in-line cleat and anchor locker are top quality features on the 630 series.

630 Commander.
It features separate anchor and bow lockers for more storage and functionality.

630 630WA

Specifications	630 WA
Overall length (m)	6.30
Overall beam (m)	2.47
Number of people	6
Maximum power (HP)	175

Full specifications & equipment on page 34

630 WalkAround.

The cuddy cabin gives you extra storage room and there is daylight from an overhead hatch. V-berths for two people allow for overnight stays.

630 WalkAround.

Thanks to its generous beam, it features an extended width console for better protection, but still gives ample room to move forward, port and starboard. If you go skiing, be sure to order the optional ski pole.

630 Commander & 630 WalkAround.

The aft seat hides more storage room and there is storage under the cockpit floor. Pilot and co-pilot's chairs swivel and are adjustable fore and aft.

550 Commander & 550 WalkAround

The 550 is the junior version of the 630 Commander. The same stylish looks, the same basic features. All the same functionality in a slightly smaller package. It's easy to trailer and easy to store when you're not using it.

The new 550 WalkAround features loads of storage room, rod holders, an optional ski pole, a swim ladder and a cabin for two. This boat brings together all that is needed to leave harbour for a couple days, be it for a fishing trip, a skiing outing or for a romantic overnight cruise.

Specifications	550
Overall length (m)	5.35
Overall beam (m)	2.28
Number of people	6
Maximum power (HP)	115

Full specifications & equipment on page 34

550 Commander.
The helm is practical, comfortable and stylish. The wrap-around windshield helps protect you and your passengers from the elements.

550 Commander.
The picnic table in the bow can be removed and stowed below in rough weather.

550 Commander & 550 WalkAround.
If skiing is your thing, then be sure to order the optional ski pole.

550 550 WA

Specifications	550 WA
Overall length (m)	5.35
Overall beam (m)	2.28
Number of people	5
Maximum power (HP)	115

Full specifications & equipment on page 34

550 Commander & 550 WalkAround.
Teak gunwale inserts add a touch of elegance. They provide handholds and a place for the standard fishing rod holders.

550 WalkAround.
A comfortable cabin with a pair of V-berths awaits the crew at the end of the day or provides a great place for the kids to call their own.

550 WalkAround.
The 550 WalkAround features easy forward access to the anchor locker with a well protected passage on the port side.

500 Commander & 425 Commander

The 500 Commander has become one of Quicksilver's hit models. It's hard to describe all of the features in this boat, but here are some of the things you can do with it: fish, cruise, water-ski, sunbathe, explore, picnic, travel... How good is your imagination? And when you want to change activities, there's loads of storage room to put away what you're no longer using – there's even a special locker for fishing rods or water-skis.

The 425 Commander is ideal for up to 4 people and perfect for water sports or family fun. There is more storage than you would expect, a sun pad is standard equipment and the raised bow rails ensure a safer grip when anchoring the boat and give more assurance when small children are onboard. As with the 500 Commander, navigation lights are recessed into the deck.

Specifications	500
Overall length (m)	5.10
Overall beam (m)	2.20
Number of people	5
Maximum power (HP)	75

Full specifications & equipment on page 34

500 Commander.
It's fun to gather around this fold-out picnic table when you take a pause from cruising.

500 Commander.
When the sun shines, you can stretch out on this full-size sunpad. When you're not using it, all the elements stow in purpose-built lockers.

500 Commander.
Need to store your skis or fishing rod? Both will fit handily into this custom-built locker.

500 425

Specifications	425
Overall length (m)	4.35
Overall beam (m)	2.10
Number of people	4
Maximum power (HP)	50

Full specifications & equipment on page 34

425 Commander.
The standard sunpad lets you and your crew stretch out and enjoy the rays on sunny days.

425 Commander.
A convenient storage locker keeps your gear safe and dry.

425 Commander.
Teak laminate cockpit floor and gunwale inserts add a warm feeling to the 425 Commander.

New! 650 Cruiser & 620 Cruiser

The pleasures of cruising across open water are at their best when your boat is a beamy new Quicksilver day cruiser. The all-new 650 Cruiser is at the top of the range, a fully-featured boat with beige-coloured hull and burgundy accents. This Cruiser is a great way to travel the coastline, in comfort and style. Power is from a Mercury MerCruiser diesel or petrol sterndrive.

The new 620 Cruiser is a sporty craft with the same beige and burgundy livery but with Mercury or Mariner outboard power. It has all of the extras – as standard – of the 650, too, including anchor locker, pulpit, bench seating, ski locker, berth cushions, bow sheave, swim ladder, navigation lights, grab rails, opening deck hatch, windshield, teak laminate cockpit flooring, bilge pump, cockpit upholstery, co-pilot seating and a sun deck.

Specifications	650
Overall length (m)	6.95
Overall beam (m)	2.54
Number of people	6
Maximum power (HP)	230

Full specifications & equipment on page 34

650 Cruiser & 620 Cruiser.
A comfortable cockpit seating converts to a vast sunpad on both 650 and 620 Cruiser. There's extra storage room under the cockpit floor plus easy access to the fuel tank.

650 Cruiser & 620 Cruiser.
It features a well-lit and spacious cabin with V-berths and ample storage.

650 620

Specifications	620
Overall length (m)	6.25
Overall beam (m)	2.54
Number of people	6
Maximum power (HP)	200

Full specifications & equipment on page 34

650 Cruiser & 620 Cruiser.
Fishing, skiing, cruising – the large cockpit on this craft can handle it all.

650 Cruiser & 620 Cruiser.
The comfortable pilot's seat has been ergonomically designed.

650 Cruiser & 620 Cruiser.
The V-berth provides double-bed accommodation.

New! 540 Cruiser & 510 Cruiser

If you don't need quite as much boat, but still want quality and enjoy the cruising lifestyle, then consider these two new Quicksilvers, each with their distinctive new beige-coloured hulls and burgundy highlights. More beam than before gives more room in the cockpit and cabin. There's a choice of four-stroke or two-stroke outboard power.

The 540 Cruiser and 510 Cruiser include sleeping accommodation below and an ergonomically designed cockpit with enough room to enjoy fishing over the side, lounging around or taking lunch. The 540 Cruiser even features a standard sunpad. These boats have it all.

Specifications	540
Overall length (m)	5.45
Overall beam (m)	2.47
Number of people	6
Maximum power (HP)	135

Full specifications & equipment on page 34

540 Cruiser.
The cabin provides both storage room and sleeping accommodation.

540 Cruiser.
The roomy cockpit features a comfortable skipper's chair, storage below deck and a big bench seat aft. It even comes with a sunpad for those warm and relaxing days.

540 Cruiser.
It features stylish new design and a sprayhood which comes as standard.

540 Cruiser.
Sunpad support converts to a convenient table.

540 510

Specifications	510
Overall length (m)	5.08

Full specifications & equipment on page 34

510 Cruiser.
The roomy cockpit features a stylish and comfortable skipper's chair. The V-berth allows for overnight stays.

510 Cruiser.
A new-look steering wheel is complete with cushion grip.

510 Cruiser.
The automotive-style windshield is bonded in to keep out possible leaks.

510 Cruiser.
Enjoy water-skiing, cruising or other family sport.

450 Cabin & 420 Cabin

Fun for all the family – these are hardy boats with a cabin in which to change clothing or simply relax. The 450 is Quicksilver's classic best-seller and the functional 420 is amazingly compact. Both feature cockpit storage, driver and passenger cockpit seating and lockable storage in the forecabin. Both have anchor lockers – unusual for boats of this size.

Note that the driver's seat on the 450 Cabin folds out of the way when it is time for you to open up the cockpit for some serious fishing. The portside bench seat can be removed to give more fishing access. The 420 Cabin is as practical as it is fun. It is easy to tow, easy to store, economical to operate.

Specifications	450
Overall length (m)	4.48
Overall beam (m)	2.11
Number of people	5
Maximum power (HP)	40

Full specifications & equipment on page 35

450 Cabin.
Extra storage is provided under the V-berth.

450 Cabin.
A standard well placed anchor locker makes anchoring easy.

450 Cabin.
The pilot's seat folds out of the way, giving extra room.

450 Cabin.
A comfortable cabin awaits the crew at the end of the day or provides a great place for the kids to call their own.

450 Cabin.
Navigation lights are provided as standard.

450 420

Specifications	420
Overall length (m)	4.20
Overall beam (m)	1.95
Number of people	4
Maximum power (HP)	40

Full specifications & equipment on page 35

420 Cabin.
Stylish and affordable, this tough little boat is a great introduction to the world of fun on the water.

420 Cabin.
With two V-berths, you can even overnight on this boat.

420 Cabin.
Two generous storage compartments for fuel tank and gear are located aft.

New! 750 Weekend

This is a totally new and exciting cruising boat concept from Quicksilver. The 750 Weekend has two separate double berths plus a dinette which converts. It also has an enclosed head. This boat is fully equipped to enable you and your family to make the most of your leisure time on the water. It will carry up to seven people.

Power is from a Mercury MerCruiser inboard diesel, durable, reliable and so economical. Just a few of the extras as standard: fitted galley, swim ladder, anchor locker, additional storage, opening deck hatch, bonded windshield and hydraulic steering. A splendid new model with the good looks to match.

Specifications	750 WE
Overall length (m)	7.60
Overall beam (m)	2.82
Number of people	7
Maximum power (HP)	250

Full specifications & equipment on page 35

750 Weekend.
The helm is practical, comfortable and stylish. A galley is close to hand when it's time for a hot meal.

750 Weekend.
An enclosed head is provided below the helm.

750 Weekend.
There are two separate cosy sleeping areas on this new-concept boat.

750 Weekend.
A cooker is just one element of the fully-fitted galley.

750WE

750 Weekend.
Table converts to two additional berths.

750 Weekend.
Large hatches give access to storage areas under the seats.

750 Weekend.
Double stainless steel and plexiglass doors lead to the swim platform.

650 Pilothouse & 635 Pilothouse

Quicksilver's Pilothouse range of spacious boats will take you out to the fish quickly and safely. Or if you prefer your boating pleasure with all the family, these are roomy boats with sturdy protection from the weather.

The top-of-the-range 650 is like an apartment on the water. There's plenty of room outside to fish, enjoy the scenery, have a sunny lunch. Then, room inside to relax if the weather turns. You can prepare and enjoy a hot meal and sleep overnight if you're far from your home port. An enclosed head adds that extra touch of privacy. The 635 is one of the most comfortable fishing boats you could find. The new cabin layout make this boat an excellent choice for the week-end fisherman who wants more comfort.

Specifications	650
Overall length (m)	6.55
Overall beam (m)	2.53
Number of people	6
Maximum power (HP)	115

Full specifications & equipment on page 35

650 Pilothouse.
The pilot's chair flips up to reveal a freshwater sink. The galley also has a place for a cooker so the catch of the day can be prepared as soon as it's caught! If the weather is fine, eat in the open cockpit, or eat inside if it's more comfortable.

650 Pilothouse.
The spacious cabin includes a convertible dining table.

650 Pilothouse.
For extra comfort and privacy, there's an enclosed head on board.

650 Pilothouse.
Gather around the cockpit table when you take a pause from cruising.

650 635

Specifications	635
Overall length (m)	6.35
Overall beam (m)	2.49
Number of people	6
Maximum power (HP)	90

Full specifications & equipment on page 35

635 Pilothouse.
The dining table converts to an extra berth.

635 Pilothouse.
A generously-sized sliding door separates the cockpit from the cabin.

635 Pilothouse.
The compact galley includes a freshwater-supplied sink hidden under the skipper's seat.

635 Pilothouse.
Space on board has been maximised and the portable head is neatly secured between the forward V-berths.

New! 630 Pilothouse & 620 Pilothouse

The 630 Pilothouse – another new Quicksilver for 2003 - another fully-equipped fishing machine. The outstanding design includes a roll-down aft bulkhead, a level deck between the steering station and the generous cockpit, plus a range of fisherman-friendly facilities.

When fishing is your passion, the 630 Pilothouse and 620 Pilothouse are your means. Every serious fisherman knows that his boat is as critical a piece of equipment as his fishing rod. If either one isn't up to the task, it puts the day's catch at risk. And there can be few greater disappointments than seeing a trophy fish get away because of substandard material. That's one thing that you won't have to worry about with these Quicksilver boats.

Specifications	630
Overall length (m)	6.35
Overall beam (m)	2.54
Number of people	6
Maximum power (HP)	115

Full specifications & equipment on page 35

630 Pilothouse.
The comfortable pilot's seat has been ergonomically designed.

630 Pilothouse.
The command station in the cabin is at the same height as the cockpit, for easy access and communication.

630 Pilothouse.
There is an exclusive, easy roll-down closure to the cabin.

630 Pilothouse.
A pair of V-berths are forward of the helm.

630 Pilothouse.
Easy-opening ventilation for the cabin.

Specifications	620
Overall length (m)	6.20
Overall beam (m)	2.48
Number of people	6
Maximum power (HP)	115

Full specifications & equipment on page 35

620 Pilothouse.
You can use this boat for overnight trips. There's lots of storage room and cockpit cushions are standard.

620 Pilothouse.
A standard bow roller and a well-located anchor locker make anchoring easy.

620 Pilothouse.
Convenient stern lockers keep your gear safe and dry and the bench seat is removable for more fishing space.

620 Pilothouse.
The fisherman is fully catered for.

560 Pilothouse & 500 Pilothouse

When you're a demanding fisherman, but your requirements are for a compact Pilothouse boat, the Quicksilver 560 Pilothouse or 500 Pilothouse is the ideal choice. The clever design featuring an offset cabin means more room sheltered from the weather without giving up a secure portside passageway forward. A spacious fishing cockpit comes with more storage space than you would expect from boats of this size.

Specifications	560
Overall length (m)	5.65
Overall beam (m)	2.48
Number of people	5
Maximum power (HP)	75

Full specifications & equipment on page 35

560 Pilothouse.
You have a great view from the helm. The standard cushions make a comfortable place to relax.

560 Pilothouse.
The bow roller makes raising and lowering the anchor easy.

560 Pilothouse.
Ample storage under the V-berths.

560 Pilothouse.
A forward hatch gives easy access to the cabin.

560 Pilothouse.
It is a fisherman's dream. Big open cockpit, plus a place to shelter when the weather blows up.

Specifications	500
Overall length (m)	5.10
Overall beam (m)	2.35
Number of people	5
Maximum power (HP)	75

Full specifications & equipment on page 35

500 Pilothouse.
The cleverly designed cockpit is set-off to starboard to give a good route forward on the port side.

500 Pilothouse.
There's plenty of storage in the two generous lockers on each side of the engine well.

500 Pilothouse.
The airy cabin features loads of storage space plus a pilot's seat which folds down for more driving comfort in rough weather.

500 Pilothouse.
Yet more storage space in the roomy cabin.

900 Offshore

Take the helm of the new 900 Offshore and you are in control of a premium class centre console boat. As soon as you step on board you can see and feel what is meant by "premium". When you step on board, you immediately see why.

It is the flagship of the Quicksilver range for 2003, comfortable and with a long list of extras as standard. You'll have a wide-beam smile once you board the 900 Offshore, a walk-around boat designed for exceptional performance – everything that a serious offshore fishing boat should be. Serious room to fish. Serious equipment for the professional. Serious power at the stern.

There is room to sleep four in two separate cabins. It makes overnight trips more relaxing and you'll awaken more refreshed. With luck, you'll get up to the smell of freshly brewed coffee coming from the well equipped galley. You and your shipmates can enjoy it sitting around the built-in table in the forward cabin. A separate head adds a touch of comfort and sophistication – and is appreciated by the rest of the crew. Huge storage lockers provide place for all the gear you need – fenders, lines, anchor, buckets, boathooks, safety equipment – and of course your fishing gear. There are little touches, like the teak trim, stainless steel fittings and new-look fully-instrumented dashboard.

And when you idle into port after one of those long weekends on the water, you'll probably wonder if you really want to tie up at the dock, or just fill up the standard Igloo icechest and head back over the horizon. The Quicksilver 900 Offshore is that kind of boat.

Specifications	900
Overall length (m)	8.60
Overall beam (m)	2.96
Number of people	9
Maximum power (HP)	450

Full specifications & equipment on page 35

900 Offshore.
The fully equipped galley is ready to cook up the day's catch.

900 Offshore.
Like any serious fishing machine, there is a standard bait well with a seawater circulation pump.

900 Offshore.
A spacious cockpit forward of the twin installation OptiMax engines.

900 Offshore.
This Igloo ice chest will keep your catch cool or your lunch warm. Note the aft bench seat.

900

900 Offshore. Plenty of storage, including under this seat.

900 Offshore. With two double-berths, this is an excellent craft for nights away.

900 Offshore. The V-berth quickly converts to a family table.

900 Offshore. Full-height enclosed head for comfort and privacy.

900 Offshore. The stylish helm features new-design instrumentation. Functionality with good looks.

750 Offshore SD – 750 Offshore OB

If you're looking for a serious offshore fishing boat, but don't need the size of the 900, the 750 Offshore is just for you. Outboard or sterndrive power. Mercury MerCruiser diesels or petrol. Single or twin. The 750 Offshore can be built in whatever configuration you want.

When you are headed far over the horizon, it's comforting to know that you have twin engines behind you. And with today's fuel prices, you'll be pleased with twin 4-stroke or OptiMax outboards or twin MerCruiser sterndrives. It's your choice. And as an exclusive, the 750 Offshore is available with dual MerCruiser 1.7 litre diesel sterndrives – MerCruiser's latest diesel offering. Of course if your cruising range is closer to port, there's no problem to install a single MerCruiser or outboard.

Specifications	750 SD
Overall length (m)	7.85
Overall beam (m)	2.82
Number of people	7
Maximum power (HP)	270

Full specifications & equipment on page 35

750 Offshore.
The cabin is ventilated and has plenty of natural light.

750 Offshore.
The comfortable interior features a fully-fitted galley. There is fresh running water and an easy-to-use stove.

750SD 750OB

Hydraulic steering, binnacle mount engine controls, navigation chart holder, livewell, rod holders, professional chairs. And that's just the beginning.

750 Offshore.
There is ample room in the comfortable cockpit.

750 Offshore.
Soak up the sun when you are ready. The rear seat converts to a sunpad.

Open 435

Style, performance, value. A great looking boat with plenty of space and outstanding value for money. You'll love its performance as a diving platform or for going fishing with your friends. It carves up the water with ease and you'll thoroughly enjoy its smooth, steady handling characteristics.

If you need a functional open transportation boat, the 435 is your choice. Loads of open room and a functional console make this boat a real workhorse. Which doesn't mean that it isn't fun: after all, there's no reason why you can't throw out a fishing line or sneak up on a quiet beach with this little boat.

Specifications	435
Overall length (m)	4.43
Overall beam (m)	1.85
Number of people	4
Maximum power (HP)	40

Full specifications & equipment on page 35

435 Open.
It is a simple boat for quick trips and easy maintenance.

435 Open.
You won't be short of storage on board. There is room to stow forward. Or keep your gear aft.

Sport 470

Sporty fun in an affordable package. If you're looking for a compact sportboat, look no further. Skiing, cruising, or just checking out the beaches. This boat does it all. Like similar bigger craft, the 470 features a walk-through windshield for easy access to the foredeck and the anchor locker, back-to-back seating which convert to sunpads and make it easy to watch a skier, a ski locker in the cockpit floor and a clean, modern design. But unlike many similar larger boats, the 470 is easy to tow, easy to maintain and easy to store. It comes standard with a quality canvas boat cover so when you're ready to go for a spin, the inside will be clean and dry.

Specifications	470
Overall length (m)	4.65
Overall beam (m)	2.08
Number of people	4
Maximum power (HP)	90

Full specifications & equipment on page 35

470 Sport.
Ski locker, under deck storage, walkthrough windshield. It has it all.

470 Sport.
Attractive back-to-back seats convert to a relaxing sunlounger.

470 Sport.
There's teak laminate flooring as standard on the bathing platform.

470 Sport.
Sporty look to the full-instrument panel.

500 Fish

The 500 Fish – a boat of Scandinavian inspiration – brings the range a touch of tradition. With a spacious and beamy cockpit, the 500 Fish can carry up to 6 people. It features 2 midship benches with hidden storage, an anchor locker plus a second forward equipment locker, stainless steel cleats, stern lockers and comes standard with 2 storage positions for an optional Igloo ice chest. It can take up to a 60 hp outboard and is available with a standard steering console.

Specifications	500
Overall length (m)	5.03
Overall beam (m)	2.05
Number of people	6
Maximum power (HP)	60

Full specifications & equipment on page 35

500 Fish.
A special place has been designed to stow the optional Igloo 54 ice-chest, so you can keep your catch cool or your lunch warm.

500 Fish.
The 500 Fish is available with a steering console.

500 Fish.
There's plenty of space to move around, plenty of storage to keep things dry.

500 Fish.
Generous storage is one of the many features of this boat.

440 410 360

440 Barque, New! 410 Barque & 360 Barque

Lightweight and long lasting. For relaxation and fun afloat there's a Quicksilver Barque just for you. Tough and built to last, they'll take an outboard engine or are light enough for you to use a pair of oars. There's seating fore, aft and amidships and, depending on the model, they'll accommodate up to five people. A great way to start boating.

The very best in engine power

Every Quicksilver boat comes with a Mercury or Mariner outboard or a sterndrive from Mercury MerCruiser. These are market-leading outboards and sterndrives from the world's largest pleasure boat engines group, Mercury Marine.

Depending on the boat model you choose, the power package can be a four-stroke, two-stroke or OptiMax direct-injection outboard, or a petrol or diesel Mercury MerCruiser with Alpha or Bravo drive.

You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

QUICKSILVER[®]
www.marinepower.com

Remember – life vests float. You don't. Always use your engine's safety stop lanyard.

Marine Power Europe Inc
is ISO 9001 certified

Mercury Marine continuously explores means to improve the products it designs, manufactures and distributes. Changes to the specifications of its engines, boats and accessories are ongoing. Every effort is made to produce sales and service literature which is current. This brochure should not be regarded as a precise guide to the latest specifications. This brochure is also not an offer for sales of any particular engine, boat, or accessory. Distributors and dealers are not agents of Mercury Marine and they have no authority to bind Mercury Marine by any express undertaking or representation, including but not limited to representations of a product, sales, applications, or service nature.

Not all boats are available in all countries. Some boats shown in this catalogue are equipped with optional accessories. Please see with your local dealer.
