

MODELLPROGRAM 2003

Uttern is everywhere

You will spot her everywhere, at the piers, in creeks, on the lake and along the coastline. Well over 70.000 has been built so far and the population is growing by the year. An ever-increasing number of people discover this high quality boat that is "Made In Sweden". Professional and amateur fishermen alike, families, sport divers, water skiers and nature lovers. There is an Uttern for everyone.

A real Uttern is best recognized by how it moves

All models have one thing in common and that's seaworthiness. If you like to sit safely onboard when the wind is rising, you'd better chose an Uttern, it's the best thing to do. Stable, smooth and distinct running characteristics have become a trademark for Uttern.

The modern design of Uttern has evolved hand in hand with practical functionality. The result speaks for itself. It's just as pleasing to look at as it is to use and handle. Innovation, quality and comfort, there's some of the terms that is used by others to try to explain the success of Uttern. We simply call it BOATING PLEASURE

A real Uttern got all that it takes

What's optional on other boats is standard with Uttern. As an example, mooring equipment is included with all models. There is quality in every detail of the Uttern offering. Some Uttern models is available in Standard or Exclusive versions. If your choice is an Uttern Exclusive, it will have navy blue hull, teak lamination floorboards, root lamination instrument panel, five spoke steering wheel, compass and white dial instrumentation.

Power by Mercury and Mariner

A boat with Uttern qualities is worthy of only the best machinery. The combination of Uttern and power by Mercury Marine, the world's largest manufacturer of marine engines, gives you the best possible value for money. You will get fuel-efficient propulsion that takes you further for each tankful. Quietly, smoothly and safely

Depending on the Uttern model of your choice, it will be equipped with either Mercury or Mariner outboards or Mercury MerCruiser stern drives. There are four stroke outboards ranging from 4 hp up to 225 hp. Direct injected OptiMax outboards are fuel efficient, gentle on the environment and available from 135 hp up to 225 hp. All Mariner and Mercury 30 hp-60 hp four strokes have electronic fuel injection and can be used with digital SmartCraft instruments that display rpm, fuel consumption, battery voltage and more.

S46

Sitting pretty

This is one of Uttern's bestsellers with exquisite lines and a beautiful design. S46 is a centre console boat that is suitable for many uses and appeals to different tastes. It feels just as home on the lake as out on the open bay, providing you with a big-boat feeling that's included in the price. The helm, located in the centre has a console-mounted remote control. Seating is comfortable and there's a lot of storage space, even for paddles or water skis. Built for flexible boating and easy to take along on a trailer.

Available in Standard or Exclusive versions.

Basic facts S46

Length OA	4.58 m
Beam	1.82 m
Weight excl. engine	340 kg approx.
Approved for	5 people / 405 kg
Deadrise	16.5°
Engine	long shaft
Maximum power	50 hp / 37 kW

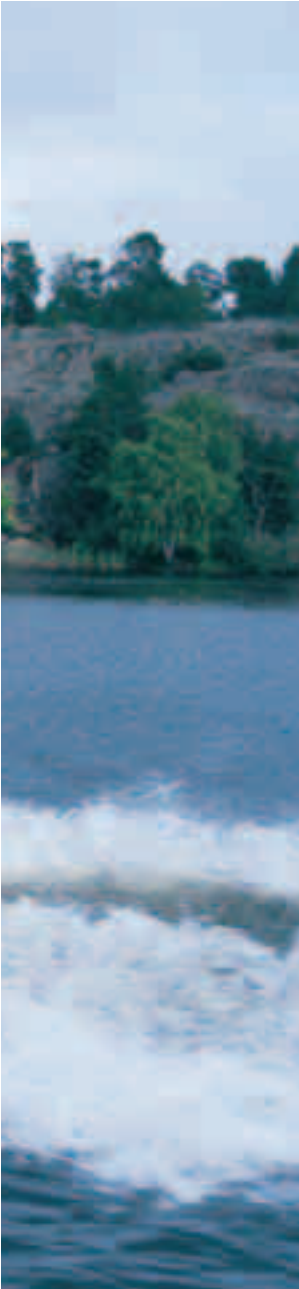

S52

All-weather favourite

Uttern S52 is best described as mildly addictive. Difficult to be without it once you have been at the helm. You can easily recognise another of our bestsellers. This is a mid-size boat with lots to offer for the money. Full grown seaworthiness that feels equally at home in coastal waters as well as on the lake. The S52 is comfortable to drive with a deck layout that makes it easy for you to move around onboard. As a fisherman you will also appreciate the possibility to remove the aft sofa in order to increase deck space even more. Available in Standard and Exclusive versions.

Basic facts S52

Length OA	5.18m
Beam	2.13 m
Weight excl. motor	490 kg approx.
Approved for	5 people / 450 kg
Deadrise	18°
Engine	long shaft
Maximum power	75 hp / 56 kW

S56

True Boating pleasure

Don't forget to phone home to tell that you will be late back from sea. The S56 is so pleasant to drive that it's easy to forget both time and the distance. The deep V-hull with high freeboards is coming into it's own right when travelling over open waters. It's designed with safety in mind and has running characteristics making it feel larger than it actually is. Large built in fuel tank ensures a generous cruising range and if that's not enough, take it on a trailer to your distant favourite boating area.

Available in Standard and Exclusive versions. The Exclusive version is suitable for OptiMax power.

Basic facts S56

Length OA	5.55 m
Beam	2.20 m
Weight excl. engine	600 kg approx.
Approved for	6 people / 450 kg
Deadrise	16,5°
Engine	long shaft
Maximum power	135 hp / 100 kW

S64

Boat of your dreams

This boat has everything you've been dreaming of. You'll get the freedom and ease-of-use of a boat with steering console. And the added benefit of two people being able to spend the night in the berth underneath. Do we need to say that Uttern S64 has become one of the most sought-after boats on the market? It has impressive running characteristics, even in rough seas. In the bow there is seating and a table for the family to gather around and in the stern there is a roomy, four seat sofa. The boat has well thought out details like sturdy grab rails where they are needed and a teak decked stainless steel swim platform with a swim- and rescue ladder.

Available in Exclusive version only, but you have a choice of power, 220 hp Mercury MerCruiser MPI V6 petrol or 116 hp Mercury MerCruiser 1.6DTI turbo diesel.

Basic facts S64

Length OA	6,38 m (6,80 m incl. swim platform)
Beam	2,51 m
Weight incl. engine	petrol 1.380 kg diesel 1.280 kg
Approved for	7 people / 750 kg
Deadrise	17°
Engine	Mercury MerCruiser MPI, V6 petrol 220 hp / 165 kW Mercury MerCruiser DTI, diesel 116 hp / 86,5 kW

T55

For the long run

Uttern T55 was a success already from its launch in 2002. The conditions were the best to start with as it is based on the highly successful Uttern D55. It's got the same hull, while the deck has been given a new exciting design. This beauty is equally well suited for water sports as for long excursions in coastal waters. It runs as on rails when you fold that handle down to full throttle and let your motor run free.

When we at Uttern are talking about attractive design, we also mean smart and practical features. As for instance a storing hatch in the floor that's ideally suited for water skis, dual foldable teak tables and rugged, comfortable swivelling chairs. Sturdy grab rails where they are needed make it safe and easy to move around onboard.

Uttern T55 is available in Exclusive version and is suitable for OptiMax power.

Basic facts T55

Length OA	5,55 m
Beam	2,20 m
Weight excl. engine	640 kg approx.
Approved for	5 people / 515 kg
Deadrise	16,5°
Engine	long shaft
Maximum power	135 hp / 100 kW

D51

Sporting in the wet and dry

Uttern D51 is a day-boat with sporty characteristics and a hull that is easy to handle. It's fast and well suited for water skiing or wakeboarding. It's an excellent choice for first-time boaters.

The self-bailing cockpit comfortably seats five people well protected from the elements. In case of a shower, the easy to fold up canopy is stored out of sight in the rear. Below deck there is a cuddy for two people that also doubles as perfect storage for equipment.

Basic facts D51

Length OA	5.05 m
Beam	1.85 m
Weight excl. engine	485 kg approx.
Approved for	5 people / 410 kg
Deadrise	16°
Engine	long shaft
Maximum power	90 hp / 66,6 kW

D55

First class travel

Do you want to go boating feeling like a VIP? Try the Uttern D55 – one of the most popular day cruisers on the market. Built for highest comfort, even in high speed and with plenty of room in the cockpit for five people. Thanks to the hulls unique bottom design you'll get a safe, well balanced ride and a lot of driving pleasure. In order to increase pleasure even more, you sit comfortably in swivelling chairs, having foldable teak tables within easy reach.

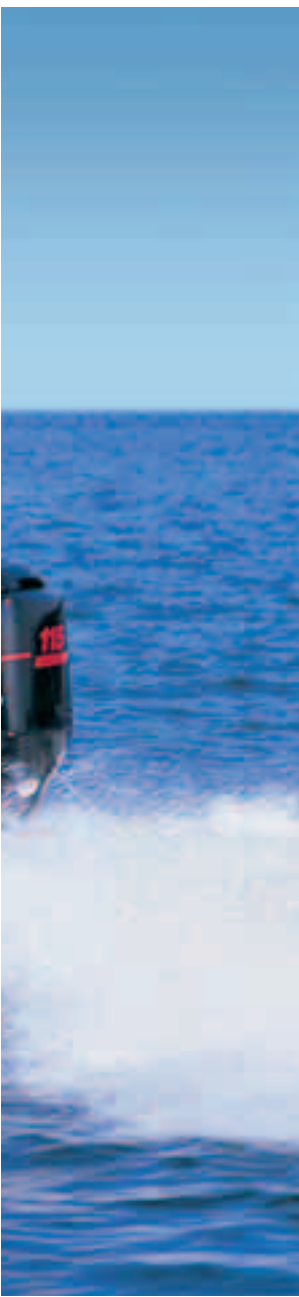

The boat has elegant lines and is very well equipped. The hood is easily stored in a hidden compartment beneath a hatch in the rear and the water skis in the long storing locker in the deck.

Uttern D55 is available in Exclusive version and is suitable for OptiMax power.

Basic facts D55

Length OA	5.55 m
Beam	2.20 m
Weight excl. engine	720 kg approx.
Approved for	5 people / 515 kg
Deadrise	16,5°
Engine	long shaft
Maximum power	135 hp / 100 kW

D68

For extraordinary recreation

Please, go ahead and take a closer look. There are many who turn their head after our pride of the Day cruiser fleet. Stunning lines and splendid performance makes the D68 a feast for the eye and a pleasure to drive. The ingenious hull design ensures steady cruising even if the sea is a bit rough.

Uttern D68 is built with safety in mind, inside and out. The fore deck has an extended bow with stable railings that allows you to move around safely on deck. Bow and searchlights are convenient safety features when navigating in the dark.

Beneath fore deck is a cabin with a comfortable double berth and practical storage hatches. Comfort features as refrigerator; Origo stove and sink with galley pump are standard of course.

The well-disposed stern features an integrated swim platform with ladder if you need a refreshing swim in the sea.

The boat is available in Exclusive version, either with a V6 220 hp Mercury MerCruiser MPI or with an 116 hp Mercury MerCruiser DTI turbo diesel engine.

Basic facts D68

Length OA	6,82 m
Beam	2,52 m
Weight incl. engine	petrol 1.700 kg diesel 1.700 kg
Approved for	6 people
Deadrise	16,5°
Sterndrive	Alpha One
Motor	Mercury MerCruiser MPI, V6 petrol 220 hp / 165 kW Mercury MerCruiser DTI, diesel 116 hp / 86,5 kW

C56

A true Uttern classic

Uttern C56 is a new development of the classic Uttern mid-cabin model. For you who know what you want when you're out at sea there's no need for hesitation. Uttern C56 gives you everything, including freedom of movement. It's a stable utility boat with excellent seaworthiness, suitable for most activities like trolling, net fishing, water-skiing, diving.....

You have good wind protection in the cabin where the helm is located aft of amidships. There's a soft-top in the roof that you can open and close in no time at all. It has self-bailing deck and a drained anchor locker beneath the aft hatch. Lockers have slanting bulkheads that provide extra space for the feet and there are also practical lockers/foot rails along the inside of the cockpit. Drivers chair is swivelling, very practical when trolling. Your fishing rods are easily attached to the stainless steel aft pulpit. Space is provided for battery and two fuel tanks under the aft seat and there is also room for a spare fuel tank in the forward locker. You can row the C56 sitting on the front bench.

Basic facts C56

Length OA	5,62 m
Beam	2,05 m
Weight incl. engine	530 kg approx.
Approved for	5 people / 450 kg
Engine	long shaft
Maximum power	60 hp / 44,7 kW

C68

Heading for new adventures

This boat has everything you need for a weekend cruise. It's a new design and built for boating in extreme comfort. Uttern C68 is equally at home on open waters as in a cosy cove. It's equally happy on the long or the short run, in cruising speeds at 15 – 20 knots, or at full throttle doing 30 – 35 knots, all depending on engine choice. High-class controls at the helm increase comfort even further with power assisted steering for easy manoeuvring. Two heating systems, one is used when running and a Wallas 1800 kerosene heater when the boat is moored, search light, swim platform with ladder and anchor locker – all are standard equipment.

The cabin has two spacious berths where you can sleep comfortably. You enter the boat easily through a large hatch that also features an opening skylight. The cabin has grab rails on the roof and along the sides, while the fore deck with its extended bow has sturdy guardrails – all to increase safety onboard. You can sit comfortably in the rear spacious sofa where there's also a convenient foldable teak table.

The galley in the cabin has a dual flame Origo stove, lockers, sink with running fresh water, galley pump and there is also a roomy dinette.

Uttern C68 is available in Exclusive version, either with a V6 220hp Mercury MerCruiser MPI or with an 116hp Mercury MerCruiser DTI turbo diesel engine.

Basic facts C68

Length OA	6,82 m
Beam	2,52 m
Weight incl. engine	petrol 1.800 kg diesel 1.800 kg
Approved for	7 people
Deadrise	17°
Stern drive	Alpha One
Motor	Mercury MerCruiser MPI, V6 petrol 220 hp / 165 kW Mercury MerCruiser DTI, diesel 116 hp / 86,5 kW

A46

Easy to anchor

This is an Uttern built on the best of traditions, with a sturdy steering console and windscreen. The boat features a wide clinker built hull, high free boards and a solid keel for extra stability. Ample loading space with dry storage lockers in the aft and mid benches. The deck is self-bailing from rainwater. You will get long underway with Uttern A46 and will be able to moor almost everywhere. On top of that, it's well suited for rowing too.

Basic facts A46

Length OA	4,65 m
Beam	1,85 m
Weight incl. engine	305 kg approx.
Approved for	5 people / 450 kg
Engine	long shaft
Maximum power	30 hp / 22,2 kW

A51

A future classic on the seas

Uttern A51 is open to all suggestions. An all-round boat with impressive performance. Perfectly suited for all kinds of missions at sea – fishing, transports, sports diving, water skiing, bathing excursions...this is a true classic for the future. It was launched last year and is already considered a milestone among modern utility boats.

The hull moves effortlessly, safely and with stability through the water. There is ample space on deck with special design storage lockers that provide even more deck space. Seating for five people, storage space and footsteps along the inside of the cockpit. There is a drained anchor locker in the rear and storage for two portable fuel tanks. The locker in the bow also has space for a spare fuel tank. You can easily row this boat, despite its size, when sitting on the front bench.

Basic facts A51

Length OA	5,10 m
Beam	2,00 m
Weight incl. engine	420 kg approx.
Approved for	5 people / 450 kg
Engine	long shaft
Maximum power	50 hp / 37,3 kW

A56

On the right course

The absolute favourite of professionals! Set the course to where you want to go, in all types of weather and waters. Uttern A56 is a rugged utility boat suitable for outboards between 30 to 60hp. Built for trolling, fishing with nets and for transportation.

The boat is built on a newly designed hull with outstanding running characteristics. Interior is loaded with practical features to make life easier when you work onboard. There's a self-bailing deck with vast unobstructed floor space. Lockers with slanting bulkheads provide extra space for your feet and there are also practical lockers/foot rails along the sides. The steering console has ample space for instruments, a protecting windscreen that extends around the corners and a tough, stainless frame with grab handle and fitted navigation light. The comfortable drivers chair has a swivel mount which is useful when trolling. There are aft pulpits of stainless steel with provision for rod holders. When you open the aft hatch you will find a drained anchor locker and under the aft seat there is storage for battery and two fuel tanks. There is room for a spare fuel tank in the forward locker as well. You can row the boat from the front bench.

Basic facts A56

Length OA	5,62 m
Beam	2,05 m
Weight incl. engine	480 kg approx.
Approved for	6 people / 515 kg
Engine	long shaft
Maximum power	60 hp / 44,7 kW

R38

Small in a big way

A well-built and very stable rowing boat. Suitable for outboards up to 6hp. Easy to manoeuvre even in shallow water. Easy to moor exactly where you wish to. Uttern R38 is a well-equipped investment that retains its qualities year in, year out.

Basic facts R38

Length OA	3.85 m
Beam	1.57 m
Weight excl. engine	105 kg approx.
Approved for	3 people / 240 kg
Engine	short shaft
Maximum power	6 hp / 4,5 kW

R40

It's simply a safe buy

Uttern R40 is stable and spacious with a dry storage hatch, ideally suited for both rowing and for outboard power. This is one of our smallest models but with Uttern qualities in every detail, also in the smallest. Suitable for outboards up to 8hp. Deck is flat with a non-slip surface. The R40 is safe and well thought out to give you security and boating pleasure for many years to come.

Basic facts R40

Length OA	4.05 m
Beam	1.57 m
Weight excl. engine	145 kg approx.
Approved for	4 people / 315 kg
Engine	short shaft
Maximum power	8 hp / 6 kW

R43 / R46

Spend the day in the rowing seat

Uttern R46 and R43 are stable, open rowing boats. They are well suited for outboard power up to 30 and 25 hp respectively. Seaworthy models thanks to their high free-boards, solid keels and wide beam clinker built hulls. Huge loading capacity and spacious, dry storage lockers in aft and mid benches. The deck is self-bailing from rain-water.

Basic facts R43

Length OA	4,35 m
Beam	1,80 m
Weight incl. engine	275 kg approx.
Approved for	5 people / 450 kg
Engine	long shaft
Maximum power	25 hp / 18,5 kW

Basic facts R46

Length OA	4,65 m
Beam	1,85 m
Weight incl. engine	295 kg approx.
Approved for	5 people / 450 kg
Engine	long shaft
Maximum power	30 hp / 22,2 kW

Mercury Marine is the world's largest manufacturer of marine engines

All our boats come with Mercury and Mariner outboards or Mercury MerCruiser Stern Drives. Builder of these fine propulsion units is Mercury Marine, the largest manufacturer of marine engines in the world.

There are four stroke engines ranging from 4 hp up to 225 hp and the midrange models 30hp to 60 hp all have electronic fuel injection (EFI). The new technology that comes with these engines will make your boating experience fun and attractive. They can also be fitted with SmartCraft instruments that will make driving the boat even more interesting. The clean and fuel-efficient OptiMax engines are available from 135 hp to 225 hp. If it's an environmentally friendly outboard you are after, you will find it at your nearest Mercury and Mariner dealer.
