

QUICKSILVER

www.marinepower.com

2004

Quicksilver has been part of the Mercury heritage since 1950 when the name was first used to identify not only an outboard motor, but also the parts and accessories supporting the most famous brand of outboard ever to be produced. To celebrate over half a century of history, Quicksilver has commissioned the 19 Retro – a special edition boat for those who have an appreciation for the classics – but who demand contemporary performance. The boat is specifically designed to be powered by the Mercury Retro 150 – a thoroughly modern Mercury 150 EFI engine, but cowled in the classic style of an earlier age. The 19 Retro is available in limited quantities. Ask your Quicksilver dealer for more information.

- Genuine Iroko deck, swim platform and cockpit sole
- True Mahogany detailing
- Classic stainless steel deck hardware, including horn, stem protection, navigation lights, clamshell air scoops, cockpit drains
- Fully modern deep Vee hull for exceptional performance with the Mercury 150 EFI Retro

Specifications	19 Retro
Overall length (m)	5.90

Number of people	6
Maximum power (HP)	175

Full specifications & equipment on page 34

Cruising in style that says it all.

The bold new Quicksilver Classic 20 is a perfect marriage of form, innovation and technology. She will be sure to turn heads as well as attract the attention of fine boat connoisseurs.

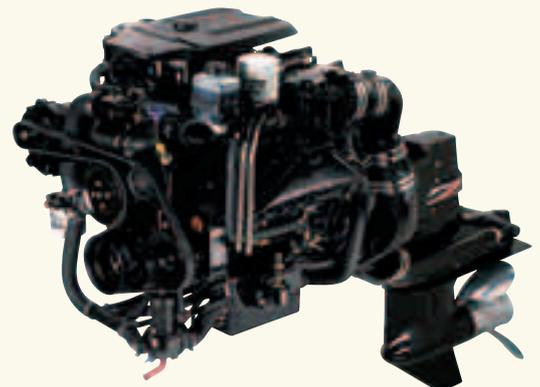

The Classic 20 combines the elegance of the golden years of boat design with modern materials, performance and comfort. The 190 hp MerCruiser 4.3L V6 gives you all the power you need for skiing or wakeboarding. And when it's time to slowdown, the sunpad aft invites you and your crew to bask and relax. The L-shaped passenger seat allows you to share the pleasure with up to 4 people. Naturally, the Classic 20 comes standard with canopy, teak laminate cockpit floor, a mooring cover and much more. Do not miss this breathtaking and soon to be legendary runabout, the new pride of Quicksilver boats.

QUICKSILVER Classic 20

2004 is another exciting year for Quicksilver! The whole crew is proud to present a brand new family – the FLAMINGO's!

New boats with a new concept. A concept that won't leave carefree life supporters indifferent. If your priority is to make the most of free time, to have fun at sea with a high quality but simple craft, these boats are for you!

Quicksilver doesn't want to forget its roots: value for money, affordable leisure, family entertainment and memorable moments on the water are just some of the key concepts behind these easy-to-use boats. These boats are simple – but still feature the equipment you need for fun and safe boating.

There is a Flamingo for every budget. There are four models to choose from: the 420, the 520, the 530 & the 620.

Flamingo boats – enjoyment guaranteed!

New! 620 Flamingo & New! 530 Flamingo

The biggest model of the range, the 620 Flamingo, is a very spacious boat that will take you out on the water on a sunny afternoon or an overnight cruise. The 620 is powered by our Mercury MerCruiser 3.0L Alpha sterndrive. The boat will carry up to 6 people and features copious storage to keep the cockpit clear of clutter. The aft bench seat converts to a vast sunpad and there is a comfortable V-berth inside.

The 530 Flamingo is the real fisherman's special. It features a pulpit, lots of storage room, an anchor locker, bench seats in the cockpit, a swim ladder, cleats and grab rails to access the foredeck more easily. The 530 can be powered by a Mercury and Mariner 90 outboard and can carry up to 5 people.

Some pictures show optional equipment - check with your dealer for full details.

Specifications	620	530
Overall length (m)	6.45	5.30
Overall beam (m)	2.47	2.35
Number of people	6	5
Maximum power (HP)	135	90

Full specifications & equipment on page 34

620 Flamingo. Enjoy a nice break around the table or idle on the vast sunpad under the sun!

620 Flamingo. The cockpit floor hides extra storage room.

620 Flamingo. Quality, comfort and design – the 620 Flamingo has it all!

620 530

620 Flamingo. With two double-berths, this is an excellent craft for nights away.

620 Flamingo. Fishing, skiing, cruising – the large cockpit on this craft can handle it all.

620 Flamingo. A swim ladder comes standard.

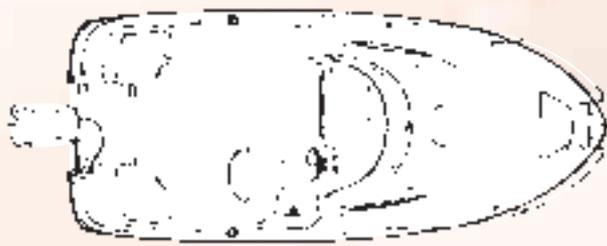

620 Flamingo. More storage room under the V-berth.

New! 520 Flamingo & New! 420 Flamingo

The two little sisters are the 520 Flamingo and the 420 Flamingo. The 520 will take up to 90 HP and can carry 5 people, while the 420 Flamingo can be powered by a 40 HP and can welcome 4 people on board. Both models have a cabin for shelter. If children are part of the crew, this will become their special hide-out! Standard equipment includes an anchor locker, pulpit, swim ladder, side storage compartment and navigation lights.

Specifications	520
Overall length (m)	5.15

520 Flamingo. Extra storage is provided under the V-berth.

520 Flamingo. A standard well placed anchor locker makes anchoring easy.

520 Flamingo. With two V-berths, you can even overnight on this boat.

520 Flamingo. The fisherman is fully catered for.

Specifications	420
Overall length (m)	4.30
Overall beam (m)	1.95
Number of people	4
Maximum power (HP)	40

Full specifications & equipment on page 34

420 Flamingo. Two generous storage compartments for fuel tank and gear are located aft.

420 Flamingo. The well-placed anchor locker helps you keep the deck clear to move around easily.

420 Flamingo. The bench seat is removable for more fishing space.

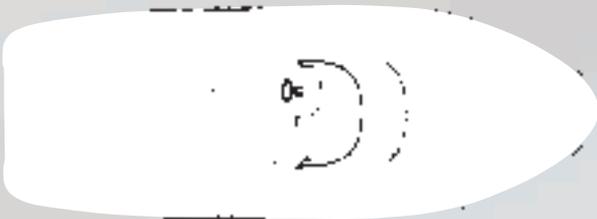

420 Flamingo. With two V-berths, you can even overnight on this boat.

800 Commander & 600 Commander

These boats have outstanding good looks and all the features to match. They're stylish but functional, fast yet safe. At eight metres and six metres length overall respectively, these Commanders are spacious and comfortable.

The 800 will take twin Mercury OptiMax or Mariner OptiMax direct injection outboards, with their outstanding performance and fuel economy. With OptiMax power you can also benefit from the optional revolutionary SmartCraft boat and engine management system.

Specifications	800

Full specifications & equipment on page 34

600 Commander.
The side-console enables easy access to the front sunpad or table – it's your choice!

600 Commander.
The 600 Commander is fully equipped to enjoy happy gatherings!

600 Commander.
Stylish and comfortable seats for unforgettable moments on the water!

600 Commander.
You won't be short of storage on board. There is room to stow forward. Or keep your gear aft.

630 Commander & 630 WalkAround

Who says you can't have it all? The 630 WalkAround is the perfect compromise. Loads of space on deck combined with cozy accommodation below. Romantic overnight trips and sun-filled days. If that's your dream, this is your boat.

The 630 Commander has a centre console and is the perfect dayboat for those quick trips to a secluded cove. There's plenty of room around the picnic table up forward, or convert it into a sunpad when you or your passengers want to stretch out and relax. Fast yet safe, powerful yet economical.

Both versions of the 630 feature hydraulic steering as standard equipment for the easiest boat control possible.

Specifications	630
Overall length (m)	6.30
Overall beam (m)	2.47
Number of people	6
Maximum power (HP)	175

Full specifications & equipment on page 34

630 Commander.
As standard, a picnic table mounts ahead of the stylish console.

630 Commander.
A bow roller, recessed anchor line channel, in-line cleat and anchor locker are top quality features on the 630 series.

630 Commander.
It features separate anchor and bow lockers for more storage and functionality.

630 630WA

Specifications	630 WA
Overall length (m)	6.30
Overall beam (m)	2.47
Number of people	6

Full specifications & equipment on page 34

630 WalkAround.

The cuddy cabin gives you extra storage room and there is daylight from an overhead hatch. V-berths for two people allow for overnight stays.

630 WalkAround.

Thanks to its generous beam, it features an extended width console for better protection, but still gives ample room to move forward, port and starboard. If you go skiing, be sure to order the optional ski pole.

630 Commander & 630 WalkAround.

The aft seat hides more storage room and there is storage under the cockpit floor. Pilot and co-pilot's chairs swivel and are adjustable fore and aft.

550 Commander & 550 WalkAround

The 550 is the junior version of the 630 Commander. The same stylish looks, the same basic features. All the same functionality in a slightly smaller package. It's easy to trailer and easy to store when you're not using it.

The new 550 WalkAround features loads of storage room, rod holders, an optional ski pole, a swim ladder and a cabin for two. This boat brings together all that is needed to leave harbour for a couple days, be it for a fishing trip, a skiing outing or for a romantic overnight cruise.

Specifications	550
Overall length (m)	5.35
Overall beam (m)	2.28
Number of people	6
Maximum power (HP)	115

550 Commander & 550 WalkAround.
Teak gunwale inserts add a touch of elegance. They provide handholds and a place for the standard fishing rod holders.

550 WalkAround.
A comfortable cabin with a pair of V-berths awaits the crew at the end of the day or provides a great place for the kids to call their own.

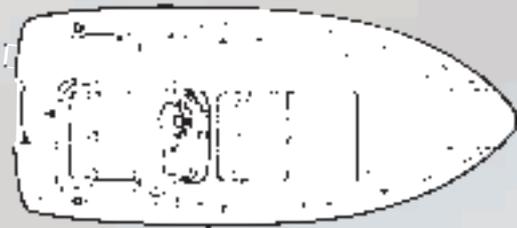

550 WalkAround.
The 550 WalkAround features easy forward access to the anchor locker with a well protected passage on the port side.

500 Commander & 425 Commander

The 500 Commander has become one of Quicksilver's hit models. It's hard to describe all of the features in this boat, but here are some of the things you can do with it: fish, cruise, water-ski, sunbathe, explore, picnic, travel... How good is your imagination? And when you want to change activities, there's loads of storage room to put away what you're no longer using – there's even a special locker for fishing rods or water-skis. Now with hydraulic steering as standard.

The 425 Commander is ideal for up to 4 people and perfect for water sports or family fun. There is more storage than you would expect, a sun pad is standard equipment and the raised bow rails ensure a safer grip when anchoring the boat and give more assurance when small children are onboard. As with the 500 Commander, navigation lights are recessed into the deck.

Specifications	500
Overall length (m)	5.10

425 Commander.
The standard sunpad lets you and your crew stretch out and enjoy the rays on sunny days.

425 Commander.
A convenient storage locker keeps your gear safe and dry.

425 Commander.
Teak laminate cockpit floor and gunwale inserts add a warm feeling to the 425 Commander.

650 Cruiser, 620 Cruiser & 540 Cruiser

The pleasures of cruising across open water are at their best when your boat is a beamy Quicksilver day cruiser. The 650 Cruiser is a fully-featured boat with beige-coloured hull and burgundy accents. This Cruiser is a great way to travel the coastline, in comfort and style. Power is from a Mercury MerCruiser diesel or petrol sterndrive.

The 620 Cruiser and the 540 Cruiser are sporty craft with the same beige and burgundy livery but with Mercury or Mariner outboard power. They have all of the extras – as standard – of the 650, too, including bench seating, ski locker, berth cushions, swim ladder, opening deck hatch, bilge pump, cockpit upholstery, co-pilot seating and a sun deck. Both may be equipped with ski poles.

650

620

650 Cruiser & 620 Cruiser.
Comfortable cockpit seating converts to a vast sunpad on both 650 and 620 Cruiser. There's extra storage room under the cockpit floor plus easy access to the fuel tank.

650 Cruiser & 620 Cruiser.
The comfortable pilot's seat has been ergonomically designed.

650 620 540

540

540 Cruiser.
The cabin provides both storage room and sleeping accommodation.

540 Cruiser.
The roomy cockpit features a comfortable skipper's chair, storage below deck and a big bench seat aft. It even comes with a sunpad for those warm and relaxing days.

540 Cruiser.
It features stylish new design and a sprayhood comes as standard.

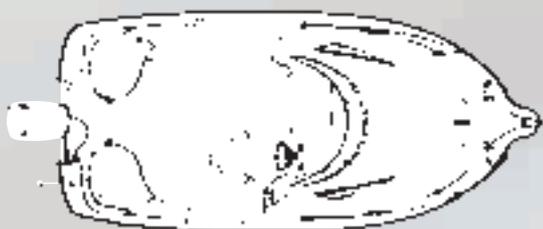

540 Cruiser.
Sunpad support converts to a convenient table.

510 Cruiser & New! 460 Cruiser

If you don't need quite as much boat, but still want quality and enjoy the cruising lifestyle, then consider these two Quicksilvers, each with their distinctive new beige-coloured hulls and burgundy highlights. More beam than before gives more room in the cockpit and cabin. There's a choice of four-stroke or two-stroke outboard power.

The 510 Cruiser and 460 Cruiser include sleeping accommodation below and an ergonomically designed cockpit with enough room to enjoy fishing over the side, lounging around or taking lunch. The 540 Cruiser even features a standard sunpad. These boats have it all.

Specifications	510
Overall length (m)	5.08
Overall beam (m)	2.33
Number of people	5
Maximum power (HP)	90

Full specifications & equipment on page 35

510 Cruiser.
The roomy cockpit features a stylish and comfortable skipper's chair. The V-berth allows for overnight stays.

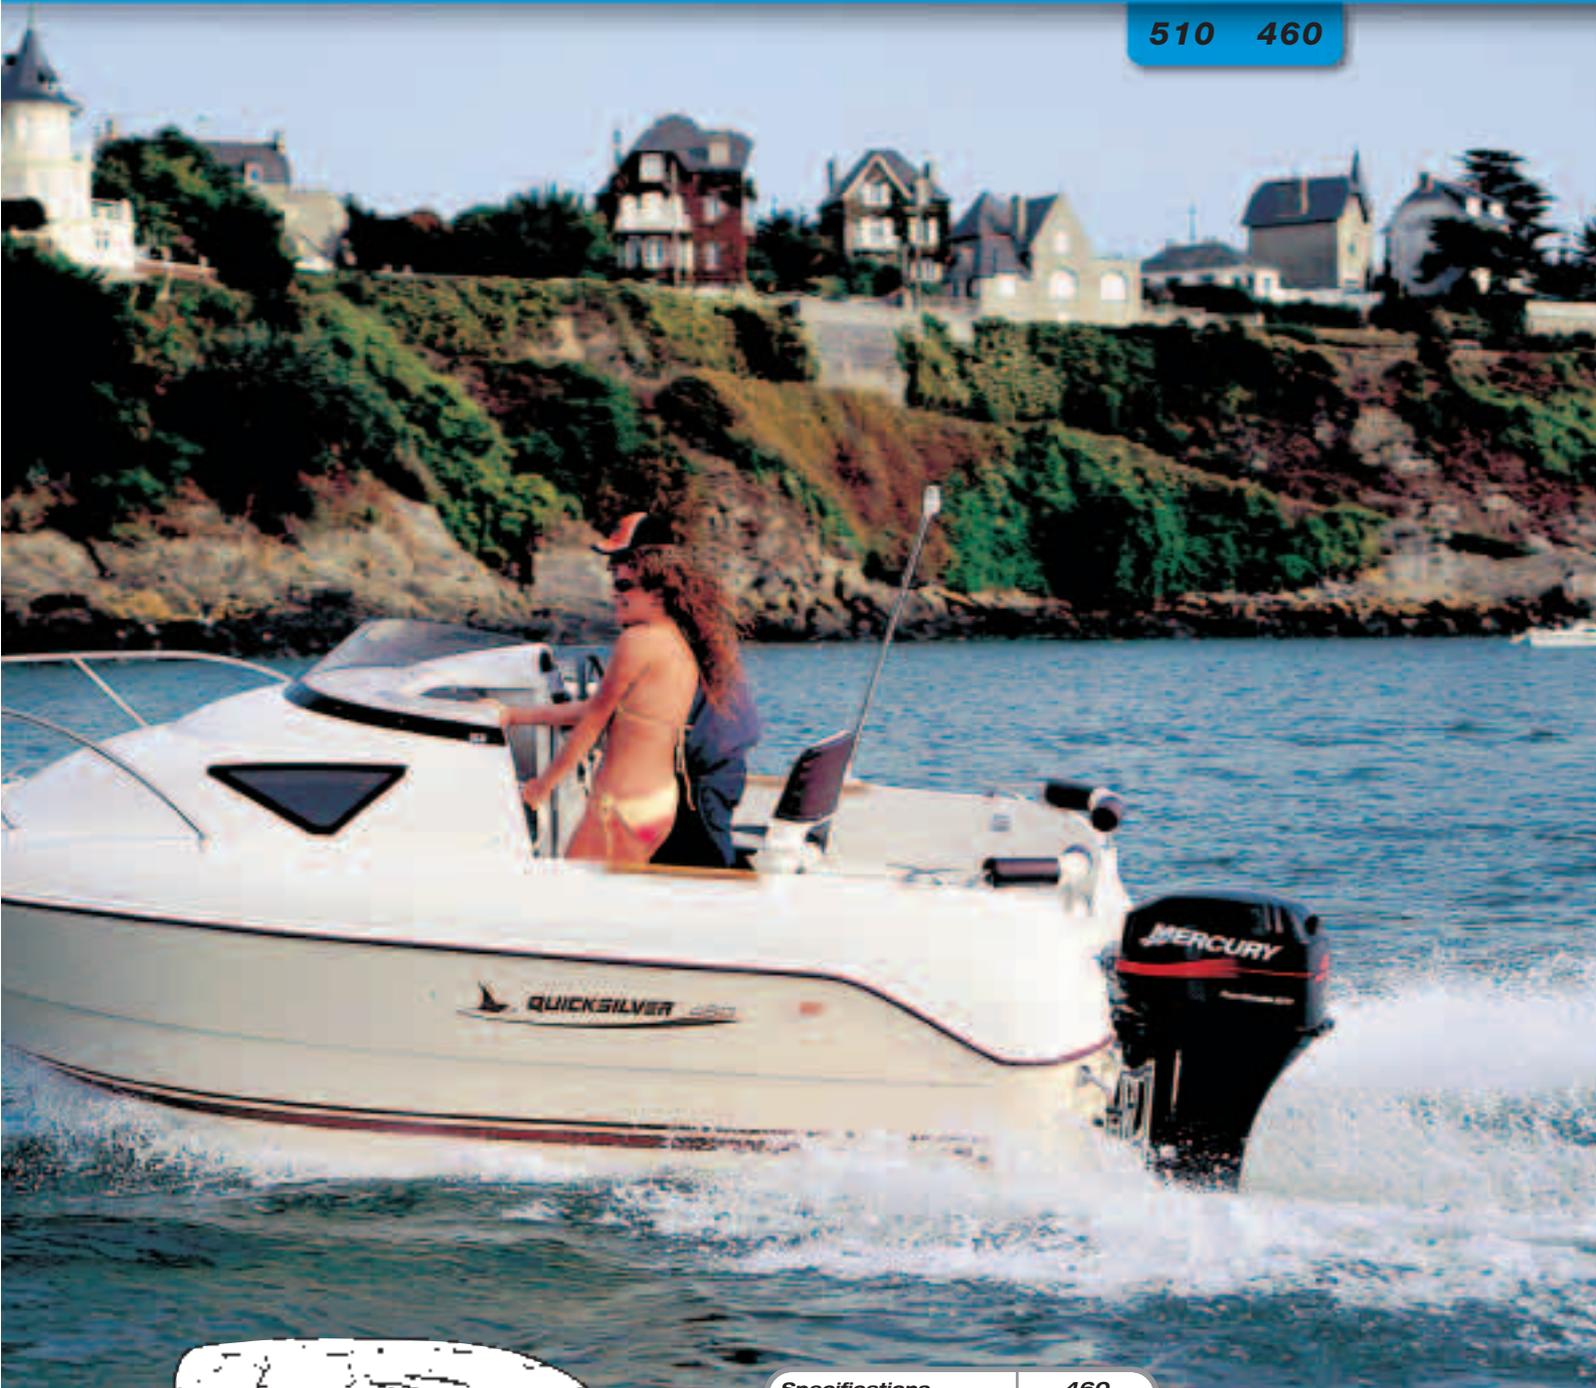

510 Cruiser.
A new-look steering wheel is complete with cushion grip.

510 Cruiser.
The automotive-style windshield is bonded in to keep out possible leaks.

510 Cruiser.

460 Cruiser.
A comfortable cabin awaits the crew at the end of the day or provides a great place for the kids to call their own.

460 Cruiser.
A standard well placed anchor locker makes anchoring easy.

460 Cruiser.
Stylish and affordable, this tough little boat is a great introduction to the world of fun on the water.

460 Cruiser.
Extra storage is provided under the V-berth.

750 Weekend

This is an exciting cruising boat concept from Quicksilver. The 750 Weekend has two separate double berths plus a dinette which converts. It also has an enclosed head. This boat is fully equipped to enable you and your family to make the most of your leisure time on the water. It will carry up to seven people.

Power is from a Mercury MerCruiser inboard diesel, durable, reliable and so economical. Just a few of the extras as standard: fitted galley, swim ladder, anchor locker, additional storage, opening deck hatch, bonded windshield and hydraulic steering. A splendid model with the good looks to match.

Specifications	750 WE
Overall length (m)	7.60
Overall beam (m)	2.82
Number of people	7
Maximum power (HP)	250

Full specifications & equipment on page 35

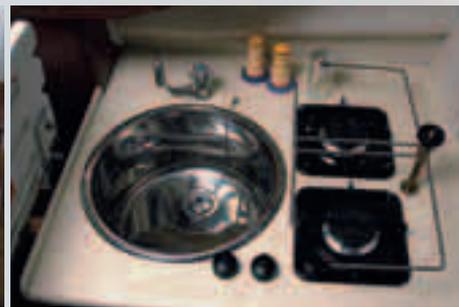

750 Weekend.
The helm is practical, comfortable and stylish. A galley is close to hand when it's time for a hot meal.

750 Weekend.
An enclosed head is provided below the helm.

750 Weekend.
There are two separate cosy sleeping areas on this new-concept boat.

750 Weekend.
A cooker is just one element of the fully-fitted galley.

750

750 Weekend.
Table converts to two additional berths.

750 Weekend.
Large hatches give access to storage areas under the seats.

750 Weekend.
Double stainless steel and plexiglass doors lead to the swim platform.

635 Weekend & 650 Weekend

Quicksilver's Weekend range of spacious boats will take you out to the fish quickly and safely. Or if you prefer your boating pleasure with all the family, these are roomy boats with sturdy protection from the weather.

The 650 is like an apartment on the water. There's plenty of room outside to fish, enjoy the scenery, have a sunny lunch. Then, room inside to relax if the weather turns. You can prepare and enjoy a hot meal and sleep overnight if you're far from your home port. An enclosed head adds that extra touch of privacy. The 635 is one of the most comfortable boats you could find. The cabin layout makes this boat an excellent choice for the week-end fisherman who wants more comfort.

Specifications	635
Overall length (m)	6.35
Overall beam (m)	2.49
Number of people	6
Maximum power (HP)	90

Full specifications & equipment on page 35

635 Weekend.
The dining table converts to an extra berth.

635 Weekend.
A generously-sized sliding door separates the cockpit from the cabin.

635 Weekend.
The compact galley includes a freshwater-supplied sink hidden under the skipper's seat.

635 Weekend.
Space on board has been maximised and the portable head is neatly secured between the forward V-berths.

650 635

Specifications	650
Overall length (m)	6.55
Overall beam (m)	2.53
Number of people	6

650 Weekend.
The pilot's chair flips up to reveal a freshwater sink. The galley also has a place for a cooker so the catch of the day can be prepared as soon as it's caught! If the weather is fine, eat in the open cockpit, or eat inside if it's more comfortable.

650 Weekend.
The spacious cabin includes a convertible dining table.

650 Weekend.
For extra comfort and privacy, there's an enclosed head on board.

650 Weekend.
Gather around the cockpit table when you take a pause from cruising.

New! 640 Pilothouse & 630 Pilothouse

The new 640 & 630 Pilothouse are two fully-equipped fishing machines.

The cabin has a sliding door that gives easy access to the cockpit for fishing. The transom features a convenient livewell, placed at waist height and equipped with an electric pump for sea water circulation.

The outstanding design of the 630 Pilothouse includes a roll-down aft bulkhead, a level deck between the steering station and the generous cockpit, plus a range of fisherman-friendly facilities. When fishing is your passion, the 640 Pilothouse and the 630 Pilothouse are your means. Every serious fisherman knows that his boat is as critical a piece of equipment as his fishing rod. If either one isn't up to the task, it puts the day's catch at risk. And there can be few greater disappointments than seeing a trophy fish get away because of substandard material. That's one thing that you won't have to worry about with these Quicksilver boats.

The 630 Pilothouse is also available in a diesel sterndrive version.

630 Pilothouse
(sterndrive version)

Specifications	630 OB	630 SD
Overall length (m)	6.35	6.40

Overall beam (m)	2.54
Number of people	6
Maximum power (HP)	115

Full specifications & equipment on page 35

640 Pilothouse.
A standard bow roller and a well-located anchor locker make anchoring easy.

640 Pilothouse.
The fisherman is fully catered for.

640 Pilothouse.
The cabin is ventilated and has plenty of natural light.

New! 580 Pilothouse, 540 Pilothouse & New! 500 Pilothouse

Like the 640 Pilothouse, the new 580 is destined to become a classic. It features a vast cockpit for up to 6 people and the boat can take up to 90 HP. This new boat will certainly be THE reference by which all others in its category will be judged.

When you're a demanding fisherman, but your requirements are for a compact boat, the Quicksilver 540 Pilothouse or the 500 Pilothouse are the ideal choice. The 540 Pilothouse features a roll-down aft bulkhead and is particularly well equipped for a boat of its size.

The clever design of the 500 Pilothouse featuring an offset cabin means more room sheltered from the weather without giving up a secure portside passageway forward. The 500 Pilothouse has undergone a complete facelift and now features the rounded lines common to the whole Pilothouse family. A spacious cockpit comes with more storage space than you would expect from boats of this size.

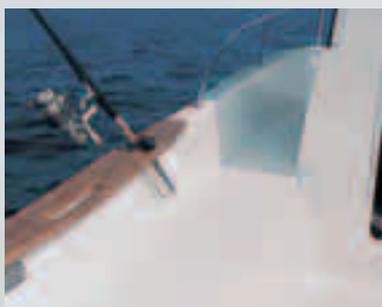

540

500

500 Pilothouse.
Fishing rod holders are standard.

500 Pilothouse.
An additional place to keep your gear dry.

500 Pilothouse.
It features a well-lit and spacious cabin with V-berths and ample storage.

580 Pilothouse.
You have a great view from the helm. The standard cushions make a comfortable place to relax.

580 Pilothouse.
It is a fisherman's dream. Big open cockpit, plus a place to shelter when the weather blows up.

580 Pilothouse.
Navigation lights are provided as standard.

900 Offshore, 750 Offshore SD, 750 Offshore OB

The 900 Offshore: a walk-around boat designed for exceptional performance – everything that a serious offshore fishing boat should be. There is room to sleep four in two separate cabins. With luck, you'll get up to the smell of freshly brewed coffee coming from the well equipped galley. You and your shipmates can enjoy it sitting around the built-in table in the forward cabin. A separate head adds a touch of comfort and sophistication – and is appreciated by the rest of the crew. Huge storage lockers provide place for all the gear you need. There are little touches, like the teak trim, stainless steel fittings and fully-instrumented dashboard.

If you're looking for a serious offshore fishing boat, but don't need the size of the 900, the 750 Offshore is just for you. Outboard or sterndrive power is available.

750 Offshore.
There is ample room in the comfortable cockpit.

750 Offshore.
Soak up the sun when you are ready. The rear seat converts to a sunpad.

New! 620 Sport & 470 Sport

The 620 Sport is a real innovation in the Quicksilver line. This quick and modern runabout is ideally suited for water-skiing or fast cruising. The spacious cockpit provides seating for 6. A cosy cabin permits overnight stays. The 620 Sport is available with either outboard or sterndrive power. A canvas convertible top is part of the standard equipment.

If you're looking for a compact sportboat, look no further. Skiing, cruising, or just checking out the beaches. This boat does it all. The 470 features a walk-through windshield for easy access to the foredeck and the anchor locker, seating which convert to sunpads, a ski locker in the cockpit floor and a clean, modern design. The 470 is easy to tow, easy to maintain and easy to store. It comes standard with a quality canvas boat cover so when you're ready to go for a spin, the inside will be clean and dry.

500 Fish, 440 Fish, 410 Fish & 360 Fish

The 500 Fish – a boat of Scandinavian inspiration – brings the range a touch of tradition. With a spacious and beamy cockpit, the 500 Fish can carry up to 6 people. It features 2 midship benches with hidden storage, an anchor locker plus a second forward equipment locker, stainless steel cleats, stern lockers and comes standard with 2 storage positions for an optional Igloo ice chest. It can take up to a 60 hp outboard and is available with a standard steering console.

Three other models complete this family of fishing boats. Tough and built to last, they'll take an outboard engine or are light enough for you to use a pair of oars. Depending on the model, they'll accommodate up to five people. A great way to start boating.

500 Fish.

The very best in engine power and navigation

Every Quicksilver boat comes with a Mercury or Mariner outboard or a sterndrive from Mercury MerCruiser.

These are market-leading outboards and sterndrives from the world's largest pleasure boat engines group, Mercury Marine.

Depending on the boat model you choose, the power package can be a four-stroke, two-stroke or OptiMax direct-injection outboard, or a petrol or diesel Mercury MerCruiser with Alpha or Bravo drive.

You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

Quicksilver recommends Navman electronics. Check with your dealer for full details.

QUICKSILVER[®]
www.marinepower.com

Remember – life vests float. You don't. Always use your engine's safety stop lanyard.

Mercury Marine continuously explores means to improve the products it designs, manufactures and distributes. Changes to the specifications of its engines, boats and accessories are ongoing. Every effort is made to produce sales and service literature which is current. This brochure should not be regarded as a precise guide to the latest specifications. This brochure is also not an offer for sales of any particular engine, boat, or accessory. Distributors and dealers are not agents of Mercury Marine and they have no authority to bind Mercury Marine by any express undertaking or representation, including but not limited to representations of a product, sales, applications, or service nature.

Not all boats are available in all countries. Some boats shown in this catalogue are equipped with optional accessories. Please see with your local dealer.
