2006

If You Like the Water You'll Love Quicksilver

Go boating and go have great fun. And when you want the most fun on the water, Quicksilver has a boat that's just right for you.

For 2006, Quicksilver has introduced five new models: the 505 Commander, the 555 WalkAround and 635 WalkAround, 470 Cruiser and 525 Flamingo Open! New models that are destined to become big hits in the line.

Also, Quicksilver has updated three families of the range: the Commanders, the Cruisers and the Weekends. Discover their new features in this catalogue! Choices for sports boaters, fishermen, family cruisers – whatever your interest.

Quicksilver offers you the luxury of hydraulic steering on all* models capable of being powered by 80 HP outboards and up. It's a Quicksilver exclusive and it's for you to enjoy! Naturally, every Quicksilver boat carries a 3-year structural hull warranty. The boats are different in size and differ in style, but all offer the right quality at the right price.

Depending on the Quicksilver model and personal choice, the power at your stern can be a high-performing, hard-working Mercury or Mariner four-stroke or two-stroke outboard, or a Mercury MerCruiser, the most popular sterndrive of all time.

Whatever your choice, you'll be backed by a nationwide and international service dealer network — and by the biggest name in pleasure boating, Mercury Marine.

Classic 20

Cruising in style that says it all.

The Quicksilver Classic 20 is a perfect marriage of form, innovation and technology. She will be sure to turn heads as well as attract the attention of fine boat connoisseurs.

The Classic 20 combines the elegance of the golden years of boat design with modern materials, performance and comfort. The MerCruiser V6 4.3L MPI or the D1.7L give you all the power you need for skiing or wakeboarding. And when it's time to slowdown, the sunpad aft invites you and your crew to bask and relax. The L-shaped passenger seat allows you to share the pleasure with up to 4 people. Naturally, the Classic 20 comes standard with canopy, teak laminate cockpit floor, a mooring cover and much more. Do not miss this breathtaking and soon to be legendary runabout, the pride of Quicksilver boats.

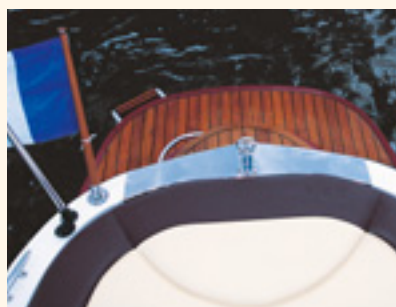

QUICKSILVER®

Classic 20.
A full-size sunpad is an invitation to relax. The "L"-shaped seat makes it easy to observe a waterskier.

Classic 20.
The standard bathing platform is ideal for diving and the built-in swimladder makes it easy to climb back into the boat.

Classic 20.
Style and quality: visible in the smallest details of the Classic 20!

Classic 20.
The sunpad is easy to open and gives access to a vast storage compartment and the MerCruiser stern drive.

800 WalkAround

All the Commander family has been revamped to adopt a more sporty look that better fits your expectations of both comfort and style.

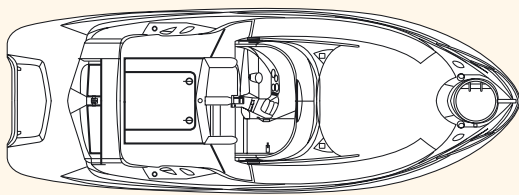

If you want to leave for the weekend without looking for a hotel, the 800 WalkAround is the boat you're looking for. One of the new prides of the Quicksilver family, the 800 WA can sleep 2 people, has a standard head with shower and features all the comfort you need.

If skiing is your thing, the numerous storage compartments will keep the deck clear of clutter.

Inside lockers will also keep the ship tidy and your belongings dry.

The sun deck in front of the cabin is an excellent place to relax and enjoy the scenery.

You'll be able to share the joys of cruising on the 800 WA with up to 7 people. Standard equipment also includes Navman 6600 Track Fish, a sophisticated combination of GPS plotter and fish finder.

800 WA

 Stylish and comfortable seats for unforgettable moments on the water!

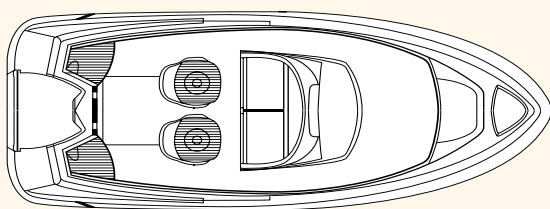

635 Commander & New! 635 WalkAround

Who says you can't have it all? The new 635 WalkAround is the perfect compromise. Loads of space on deck combined with cozy accommodation below. Romantic overnight trips and sun-filled days. If that's your dream, this is your boat.

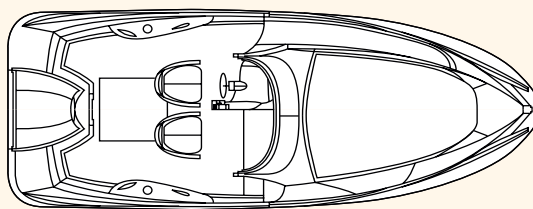

The 635 Commander echoes Quicksilver's current innovative designs.

The 635 Commander has a centre console and is the perfect dayboat for those quick trips to a secluded cove. There's plenty of room around the picnic table up forward, or convert it into a sunpad when you or your passengers want to stretch out and relax. Fast yet safe, powerful yet economical.

These two Commanders feature hydraulic steering as standard equipment for the easiest boat control possible.

635

635 WA

QUICKSILVER®

Specifications	635	635 WA

635 Commander.
Style and sporty look for this well-designed console.

635 Commander.
A standard well placed anchor locker makes anchoring easy

635 WalkAround.
The cuddy cabin gives you extra storage room and there is daylight from an overhead hatch. V-berths for two people allow for overnight stays.

635 WalkAround.
Thanks to its generous beam, it features an extended width console for better protection, but still gives ample room to move forward, port and starboard.

635 WalkAround.
The aft seat hides more storage room and there is storage under the cockpit floor. Pilot and co-pilot's chairs swivel and are adjustable fore and aft.

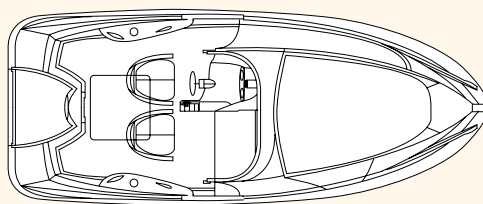

555 Commander & New! 555 WalkAround

The 555 is the junior version of the 635 Commander. The same stylish looks, the same basic features. All the same functionality in a slightly smaller package. It's easy to trailer and easy to store when you're not using it.

The all new 555 WalkAround features loads of storage room, rod holders, an optional ski pole, a swim ladder and a cabin for two. This boat brings together all that is needed to leave harbour for a couple days, be it for a fishing trip, a skiing outing or for a romantic overnight cruise.

Full specifications & equipment on page 38

505 Commander.
When the sun shines, you can stretch out on this full-size sunpad. When you're not using it, all the elements stow in purpose-built lockers. May be optional in some markets.

505 Commander.
It's fun to gather around this fold-out picnic table when you take a pause from cruising.

10 On The Water®

The brand new 505 Commander will no doubt become one of Quicksilver's hit models. It's hard to describe all of the features in this boat, but here are some of the things you can do with it: fish, cruise, water-ski, sunbathe, explore, picnic, travel... How good is your imagination? And when you want to change activities, there's loads of storage room to put away what you're no longer using – there's even a special place for fishing rods or water-skis. Naturally, hydraulic steering is standard.

The 425 Commander is ideal for up to 4 people and perfect for water sports or family fun. There is more storage than you would expect, a sun pad is standard equipment and the raised bow rails ensure a safer grip when anchoring the boat and give more assurance when small children are onboard. As with the 505 Commander, navigation lights are recessed into the deck.

425 Commander.
A convenient storage locker keeps your gear safe and dry.

425 Commander.
Teak laminate cockpit floor and gunwale inserts add a warm feeling to the 425 Commander.

425 Commander.
A full-size sunpad is an invitation to relax.

890 Cruiser

The Cruiser family has also undergone a complete facelift. Discover the brand new concept, come aboard and feel the spirit of elegance and refinement.

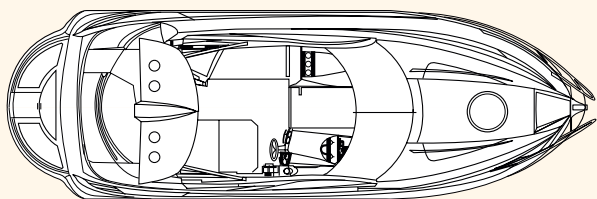

The 890 Cruiser's contemporary design allies style, class, new technology and comfort. You are sure to make THE right choice!

A large and roomy cockpit, a generous passageway forward to the vast and stylish sundeck – this boat will easily allow you to savor the pleasures at sea with up to 7 friends.

A sink, tap and cooker are at your disposal in the sheltered cockpit. The spacious main cabin converts to twin V-berths and a separate second cabin under the cockpit provides accommodation for another couple. An enclosed head with fresh water hot shower allows for extraordinary outings.

Fishing, cruising, skiing or any other water sport you can think of – everything is possible aboard the 890 Cruiser. Standard equipment includes Navman 6600 Track Fish – combining GPS plotter and fish finder as well as a built-in CD-player. With up to 440 HP at the transom, embark for memorable experiences with twin MerCruiser 4.3L MPI sterndrives.

Silent, powerful, rock-steady – 890 Cruiser, the boat to discover!

890

890 Cruiser.
Comfort, space and class: all available in this vast cockpit.

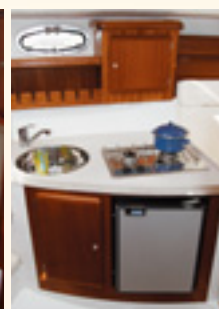

890 Cruiser.
A forward hatch gives easy access to the cabin. Foredeck converts to a vast sunpad.

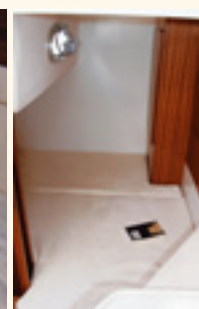

890 Cruiser.
The cabin has plenty of natural light and ample room to serve cocktails or dinner. A well-equipped galley is provided standard and will give you full autonomy when you leave your homeport.

890 Cruiser.
A marine toilet and shower are fitted in a well-designed separate compartment.

890 Cruiser.
The table converts to a double-berth for a well-deserved rest. Numerous storage compartments on the sides and under the cushions are provided. The 890 Cruiser can sleep an additional couple in a separate cabin.

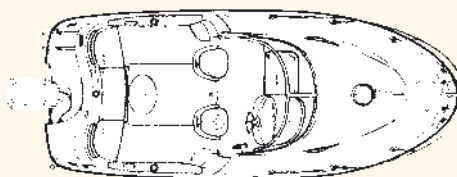

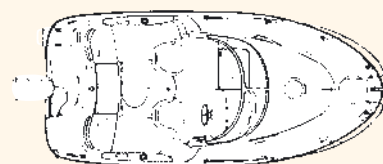

650 Cruiser, 620 Cruiser & 540 Cruiser

650

620

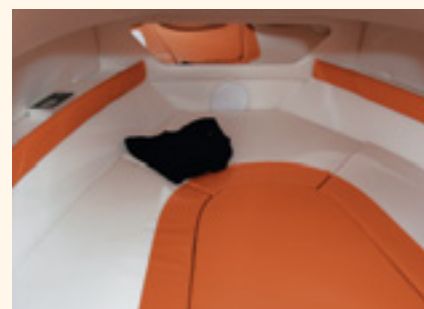

540

QUICKSILVER®

Specifications	650	620	540
Overall length (m)	6.90	6.33	5.55
Overall beam (m)	2.54	2.54	2.47
Number of people	6	6	6
Maximum power (HP)	235	200	135

Full specifications & equipment on pages 39

650 Cruiser.
The cabin provides both storage room and sleeping accommodation.

The pleasures of cruising across open water are at their best when your boat is a beamy Quicksilver day cruiser. The 650 Cruiser is a fully-featured boat with beige-coloured hull and burgundy accents. This Cruiser is a great way to travel the coastline, in comfort and style. Power is from a Mercury MerCruiser diesel or petrol sterndrive.

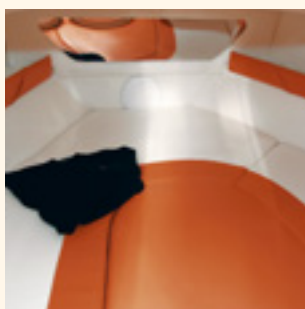

The 620 Cruiser and the 540 Cruiser are sporty craft with the same beige and burgundy livery but with Mercury or Mariner outboard power. They have all of the extras – as standard – of the 650, too, including bench seating, ski locker, berth cushions, swim ladder, opening deck hatch, bilge pump, cockpit upholstery, co-pilot seating and a sun deck. Both are equipped with ski poles.

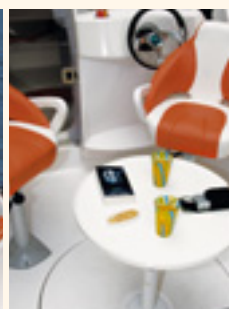

650 Cruiser & 620 Cruiser. Comfortable cockpit seating converts to a vast sunpad on both 650 and 620 Cruiser. There's extra storage room under the cockpit floor plus easy access to the fuel tank.

620 Cruiser. You can use this boat for overnight trips and there's lots of storage room.

540 Cruiser. The roomy cockpit features a comfortable skipper's chair, storage below deck and a big bench seat aft. It even comes with a sunpad for those warm and relaxing days.

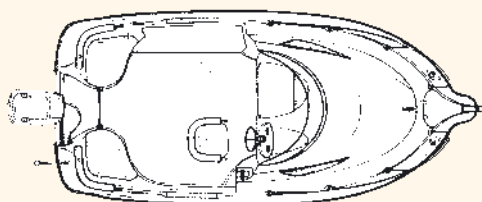

540 Cruiser. Sunpad support converts to a convenient table.

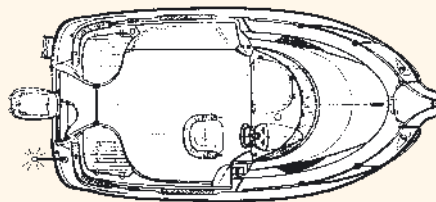

510 Cruiser & New! 470 Cruiser

If you don't need quite as much boat, but still want quality and enjoy the cruising lifestyle, then consider these two Quicksilvers, each with their distinctive new beige-coloured hulls and burgundy highlights. More beam than before gives more room in the cockpit and cabin. There's a choice of four-stroke or two-stroke outboard power.

The 510 Cruiser and 470 Cruiser include sleeping accommodation below and an ergonomically designed cockpit with enough room to enjoy fishing over the side, lounging around or taking lunch. These boats have it all.

510

470

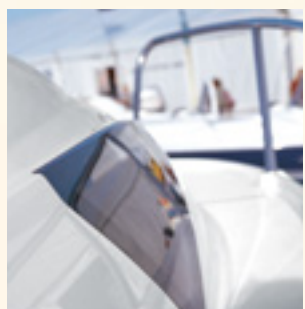

QUICKSILVER®

Specifications	510	470
Overall length (m)	5.25	4.83
Overall beam (m)	2.33	2.37

Maximum power (HP)	90	50

Full specifications & equipment on page 39

510 Cruiser.
The roomy cockpit features a stylish and comfortable skipper's chair. The V-berth allows for overnight stays.

510 Cruiser.
The automotive-style windshield is bonded in to keep out possible leaks.

510 Cruiser.
Enjoy water-skiing, cruising or other family sport.

470 Cruiser.
A standard well placed anchor locker makes anchoring easy.

470 Cruiser.
Stylish and affordable, this tough little boat is a great introduction to the world of fun on the water.

470 Cruiser.
Extra storage is provided under the V-berth.

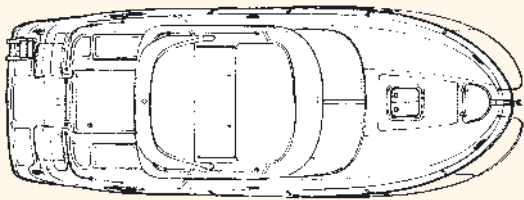

750 Weekend

Discover the new design of the Weekend family! The interior of the boats have gone through a complete facelift and have adopted a chic and pure style.

This is an exciting cruising boat concept from Quicksilver. The 750 Weekend has two separate double berths plus a dinette which converts. It also has an enclosed head. This boat is fully equipped to enable you and your family to make the most of your leisure time on the water. It will carry up to seven people.

Power is from a Mercury MerCruiser inboard diesel, durable, reliable and so economical. Just a few of the extras as standard: fitted galley, swim ladder, anchor locker, additional storage, opening deck hatch, bonded windshield and hydraulic steering. A splendid model with the good looks to match.

The 750 Weekend comes standard with Navman 6600 Track Fish - combined GPS chart plotter and fish finder.

750 WE

QUICKSILVER®

Specifications	750 WE

Number of people	7
Maximum power (HP)	250

Full specifications & equipment on page 39

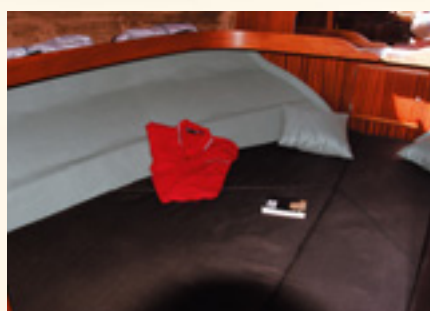

750 Weekend.
The helm is practical, comfortable and stylish. A galley is close at hand when it's time for a hot meal.

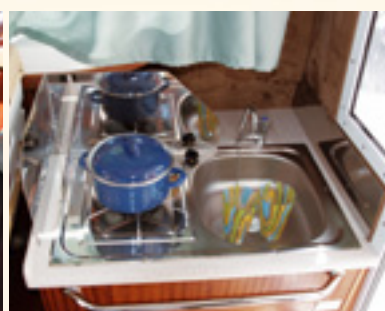

750 Weekend.
An enclosed head is provided below the helm.

750 Weekend.
There are two separate cosy sleeping areas on this new-concept boat.

750 Weekend.
A cooker is just one element of the fully-fitted galley.

750 Weekend.
Table converts to two additional berths.

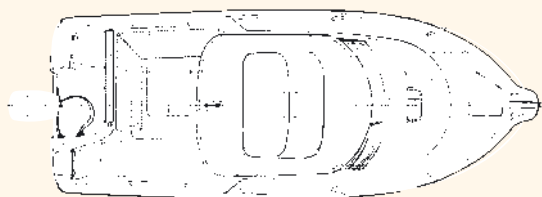

750 Weekend.
Large hatches give access to storage areas under the seats.

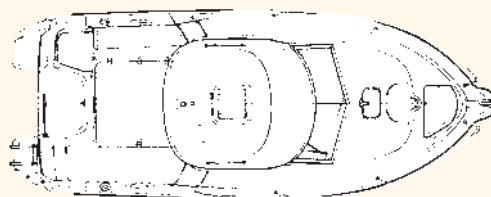

650 Weekend & 635 Weekend

Quicksilver's Weekend range of spacious boats will take you out to the fish quickly and safely. Or if you prefer your boating pleasure with all the family, these are roomy boats with sturdy protection from the weather.

The 650 is like an apartment on the water. There's plenty of room outside to fish, enjoy the scenery, have a sunny lunch. Then, room inside to relax if the weather turns. You can prepare and enjoy a hot meal and sleep overnight if you're far from your home port. An enclosed head adds that extra touch of privacy. The 635 is one of the most comfortable boats you could find. The cabin layout makes this boat an excellent choice for the week-end fisherman who wants more comfort.

650

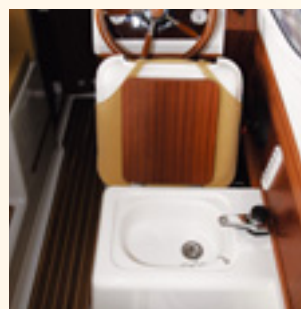

635

QUICKSILVER®

Specifications	650	635
Overall length (m)	6.70	6.40
Overall beam (m)	2.53	2.49
Number of people	6	6
Maximum power (HP)	115	100

Full specifications & equipment on page 39

650 Weekend.

The pilot's chair flips up to reveal a freshwater sink. The galley also has a place for a cooker so the catch of the day can be prepared as soon as it's caught! If the weather is fine, eat in the open cockpit, or eat inside if it's more comfortable.

650 Weekend.

The spacious cabin includes a convertible dining table.

650 Weekend.
Gather around the cockpit table when you take a pause from cruising.

635 Weekend.
The dining table converts to an extra berth.

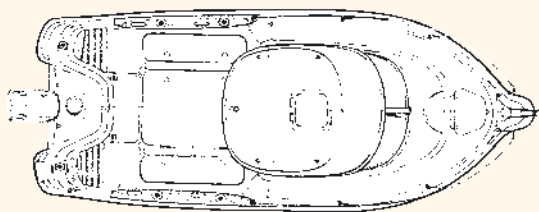

635 Weekend.
The compact galley includes a freshwater-supplied sink hidden under the skipper's seat.

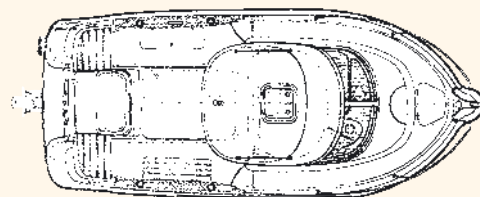

635 Weekend.
Space on board has been maximised and the portable head is neatly secured between the forward V-berths.

640 Pilothouse & 630 Pilothouse

640

630
(sterndrive version)

QUICKSILVER®

Specifications	640	630 OB	630 SD
Overall length (m)	6.52	6.50	6.80
Overall beam (m)	2.54	2.54	2.54
Number of people	6	6	6
Maximum power (HP)	100	100	140

Full specifications & equipment on page 39

640 Pilothouse.
The fisherman is fully catered for.

640 Pilothouse.
The cabin is ventilated and has plenty of natural light.

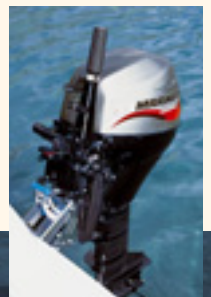

The 640 & 630 Pilothouse are two fully-equipped fishing machines.

The cabin of the 640 Pilothouse has a sliding door that gives easy access to the cockpit for fishing. The transom features a convenient livewell, placed at waist height and equipped with an electric pump for sea water circulation. Both 630 and 640 are equipped with Navman 4150 Black & White Fishfinder.

The outstanding design of the 630 Pilothouse includes a new sliding door, a level deck between the steering station and the generous cockpit, plus a range of fisherman-friendly facilities. When fishing is your passion, the 640 Pilothouse and the 630 Pilothouse are your means. Every serious fisherman knows that his boat is as critical a piece of equipment as his fishing rod. If either one isn't up to the task, it puts the day's catch at risk. And there can be few greater disappointments than seeing a trophy fish get away because of substandard material. That's one thing that you won't have to worry about with these Quicksilver boats.

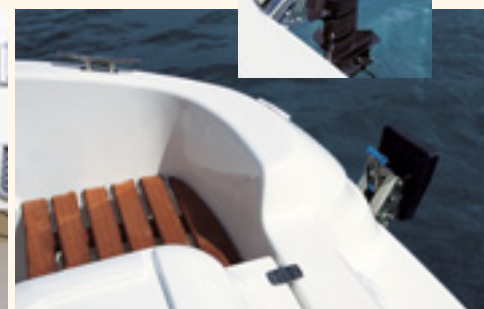

The 630 Pilothouse is also available in a diesel sterndrive version.

630 Pilothouse.
The command station in the cabin is at the same height as the cockpit, for easy access and communication.

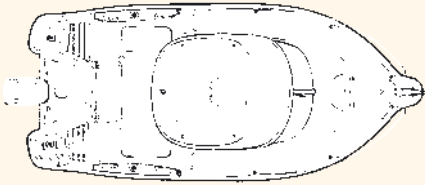

630 Pilothouse.
A pair of V-berths are forward of the helm.

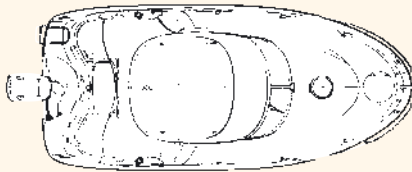

630 Pilothouse.
This auxiliary outboard engine bracket is now standard on several models. Please see full specifications and equipment on pages 38-39 for details.

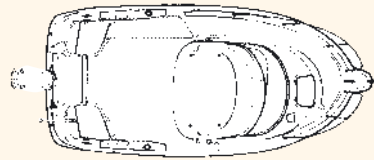

580 Pilothouse, 540 Pilothouse & 500 Pilothouse

580

540

500

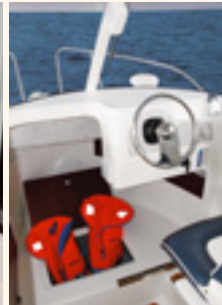

QUICKSILVER®

Specifications	580	540	500
Overall length (m)	5.95	5.55	5.25
Overall beam (m)	2.54	2.47	2.35
Number of people	6	5	5
Maximum power (HP)	100	100	80

Full specifications & equipment on page 39

500 Pilothouse.
Fishing rod holders are standard.

500 Pilothouse.
It features a well-lit and spacious cabin with V-berths and ample storage.

Like the 640 Pilothouse, the 580 has quickly become a classic. It features a vast cockpit for up to 6 people and the boat can take up to 90 HP. This boat will certainly be THE reference by which all others in its category will be judged. The 580 Pilothouse is equipped with a Navman 4150 Fishfinder.

When you're a demanding fisherman, but your requirements are for a compact boat, the Quicksilver 540 Pilothouse or the 500 Pilothouse are the ideal choice. The 540 Pilothouse features a roll-down aft bulkhead and is particularly well equipped for a boat of its size.

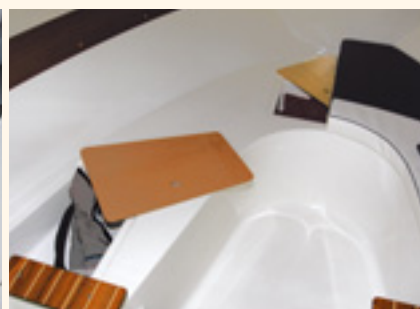

The clever design of the 500 Pilothouse featuring an offset cabin means more room sheltered from the weather without giving up a secure portside passageway forward. The 500 Pilothouse features the rounded lines common to the whole Pilothouse family. A spacious cockpit comes with more storage space than you would expect from boats of this size.

580 Pilothouse.
You have a great view from the helm. The standard cushions make a comfortable place to relax.

580 Pilothouse.
It is a fisherman's dream. Big open cockpit, plus a place to shelter when the weather blows up.

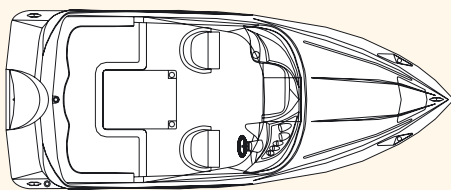

540 Pilothouse.
Extra storage is provided under the V-berth.

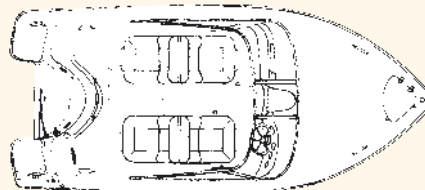

620 Sport & 470 Sport

620

470

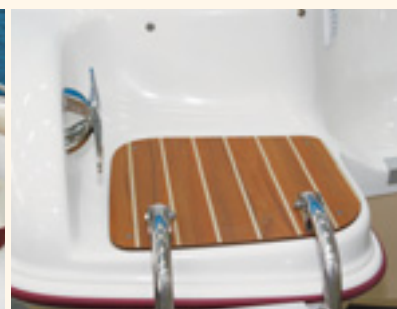

QUICKSILVER®

Specifications	620	470

Full specifications & equipment on page 39

470 Sport.
Attractive back-to-back seats convert to a relaxing sunlounger.

470 Sport.
There's teak laminate flooring as standard on the bathing platform.

The 620 Sport, a quick and modern runabout, is ideally suited for water-skiing or fast cruising. The spacious cockpit provides seating for 6. A cosy cabin permits overnight stays. The 620 Sport is available with either outboard or sterndrive power. A canvas convertible top is part of the standard equipment.

If you're looking for a compact sportboat, look no further. Skiing, cruising, or just checking out the beaches. This boat does it all. The 470 features a walk-through windshield for easy access to the foredeck and the anchor locker, seating which convert to sunpads, a ski locker in the cockpit floor and a clean, modern design. The 470 is easy to tow, easy to maintain and easy to store. It comes standard with a quality canvas boat cover so when you're ready to go for a spin, the inside will be clean and dry.

470 Sport.
The helm is comfortable and elegant.

620 Sport.
Sporty look to the full-instrument panel.

620 Sport.
There is ample room in the comfortable cockpit.

620 Sport.
The V-berth provides double-bed accommodation.

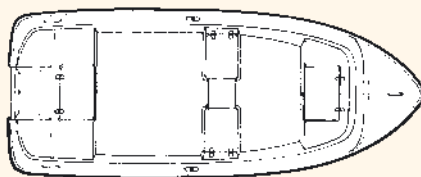

500 Fish, 440 Fish, 410 Fish & 360 Fish

The 500 Fish – a boat of Scandinavian inspiration – brings the range a touch of tradition. With a spacious and beamy cockpit, the 500 Fish can carry up to 6 people. It features 2 midship benches with hidden storage, an anchor locker plus a second forward equipment locker, stainless steel cleats, stern lockers and comes standard with 2 storage positions for an optional Igloo ice chest. It can take up to a 60 hp outboard and comes with a standard steering console.

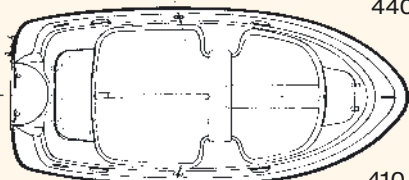

Three other models complete this family of fishing boats. Tough and built to last, they'll take an outboard engine or are light enough for you to use a pair of oars. Depending on the model, they'll accommodate up to four people. All Fish boats come standard with oarlocks. A great way to start boating.

500 Fish.

A special place has been designed to stow the optional Igloo 54 ice-chest, so you can keep your catch cool or your lunch warm.

500 Fish.
The 500 Fish comes standard with a steering console.

500 Fish.
There's plenty of space to move around, plenty of storage to keep things dry.

410 Fish.
A lightweight and long lasting little craft. It's destined to become a classic.

410 Fish.
Stow your fuel tank, extra lines and even your fishing tackle in the 410 Fish's aft locker.

440 Fish.
The 440 Fish can also be equipped with a console.

The Flamingo's won't leave carefree life supporters indifferent. If your priority is to make the most of free time, to have fun at sea with a high quality but simple craft, these boats are for you!

Quicksilver doesn't want to forget its roots: value for money, affordable leisure, family entertainment and memorable moments on the water are just some of the key concepts behind these easy-to-use boats. These boats are simple – but still feature the equipment you need for fun and safe boating.

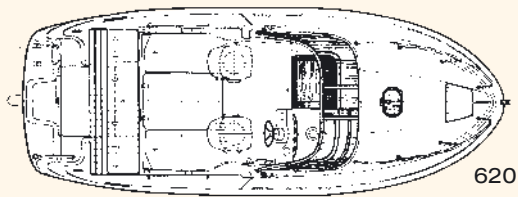

There is a Flamingo for every budget. There are five models to choose from: the 420, the 520, the brand new 525 Open, the 530 & the 620.

Flamingo boats – enjoyment guaranteed!

620 Flamingo

The biggest model of the range, the 620 Flamingo, is a very spacious boat that will take you out on the water on a sunny afternoon or an overnight cruise. The 620 is powered by our Mercury MerCruiser 3.0L Alpha sterndrive. The boat will carry up to 6 people and features copious storage to keep the cockpit clear of clutter. The aft bench seat converts to a vast sunpad and there is a comfortable V-berth inside.

Some pictures show optional equipment - check with your dealer for full details.

530 Flamingo & New! 525 Flamingo Open

The 530 Flamingo is the real fisherman's special. The cabin features a unique Plexiglas skylight in its roof. It features a pulpit, lots of storage room, an anchor locker, bench seats in the cockpit, a swim ladder, cleats and grab rails to access the foredeck more easily. The 530 can be powered by a Mercury and Mariner 80 outboard and can carry up to 5 people.

The new 525 Flamingo Open is the perfect boat for escapades with the family or friends! Convenient and easy to use are common to all Flamingo models; the 525 Flamingo Open is not an exception. Easy to trailer and to operate, the 525 Open will make your day!

530

525 Open

QUICKSILVER®

Specifications	530	525 Open
Overall length (m)	5.38	5.23
Overall beam (m)	2.39	2.29
Number of people	5	6
Maximum power (HP)	90	90

Full specifications & equipment on page 38

530 Flamingo.
The copilot's seat folds out of the way, giving extra room.

530 Flamingo.
You can use this boat for overnight trips and there's lots of storage room.

530 Flamingo.
You have a great view from the helm. The standard cushions make a comfortable place to relax.

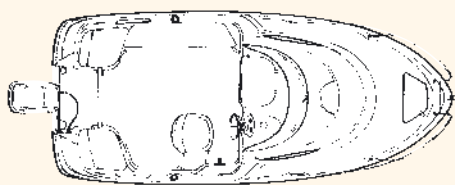

525 Flamingo Open.
You have a great view from the helm and the central console leaves ample room to move around.

525 Flamingo Open.
Lockers on both sides of the transom will keep the cockpit neat and tidy.

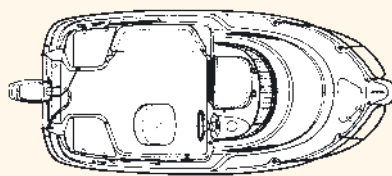

525 Flamingo Open.
Soak up the sun when you're ready.

520 Flamingo & 420 Flamingo

The two little sisters are the 520 Flamingo and the 420 Flamingo. The 520 will take up to 80 HP and can carry 5 people, while the 420 Flamingo can be powered by a 40 HP and can welcome 4 people on board. Both models have a cabin for shelter. If children are part of the crew, this will become their special hide-out! Standard equipment includes an anchor locker, pulpit, swim ladder, side storage compartment and navigation lights.

The very best in engine power and navigation

Every Quicksilver boat comes with a Mercury or Mariner outboard or a sterndrive from Mercury MerCruiser.

These are market-leading outboards and sterndrives from the world's largest pleasure boat engines group, Mercury Marine.

Depending on the boat model you choose, the power package can be a four-stroke, two-stroke or OptiMax direct-injection outboard, or a petrol or diesel Mercury MerCruiser with Alpha or Bravo drive.

You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

Quicksilver recommends Navman electronics. Check with your dealer for full details.

NAVMAN

Quicksilver recommend and fit Navman's innovative and user friendly marine electronics products, which include; Chartplotters, Fishfinders, instruments, fuel computing and VHF. Navman products now also offer unique integration with Mercury engines and can display SmartCraft™ real-time engine, boat and environmental data on Navman products such as the new TRACKFISH 6600 combination Chartplotter and Fishfinder.

Mercury Marine continuously explores means to improve the products it designs, manufactures and distributes. Changes to the specifications of its engines, boats and accessories are ongoing. Every effort is made to produce sales and service literature which is current. This brochure should not be regarded as a precise guide to the latest specifications. This brochure is also not an offer for sales of any particular engine, boat, or accessory. Distributors and dealers are not agents of Mercury Marine and they have no authority to bind Mercury Marine by any express undertaking or representation, including but not limited to representations of a product, sales, applications, or service nature.

Not all boats are available in all countries. Some boats shown in this catalogue are equipped with optional accessories. Please see with your local dealer.
