QUICKSILVER®

www.marinepower.com

If You Like the Water You'll Love Quicksilver

Fancy fishing, water sports, cruising with friends or family? Whatever your interest, there is a Quicksilver boat to fulfil your needs.

- Wide range of models: over 35 boats.
- The Classic 20, the Sport, the Cruiser and the Weekend family have all been enhanced.
- The two WalkAround (WA) boats give you full access around the console.
- Good value for money.
- Safety and comfort is our main concern.
- World-class equipment: hydraulic steering on most models, Navman Fish Tracker/Finder and GPS on others.
- Reliable: a 3-year structural hull warranty.

Quicksilver is always on the move! For 2007, discover 6 brand new models: the 430 Flamingo, 500 Flamingo, 720 Commander, 640 Weekend, 670 Weekend and the 700 Weekend.

Choose from our wide range of high performing, hard-working Mercury or Mariner four-strokes or OptiMax outboards, or a Cummins MerCruiser Diesel, or a Mercury MerCruiser, the most popular sterndrive of all time. Furthermore, you'll be backed by a nationwide and international service dealer network.

For the widest range in quality parts and accessories to enhance your engine and boat, look no further than Quicksilver. Purpose-designed parts, engine care products, propellers, anodes – you name it, there is an original part or accessory which will extend engine durability while improving on-board safety and environmental protection.

The very best in engine power and navigation

Every Quicksilver boat comes with a Mercury or Mariner outboard, a sterndrive from Mercury MerCruiser, Cummins MerCruiser Diesel or Volkswagen Marine.

These are market-leading outboards and sterndrives from the world's largest pleasure boat engines group, Mercury Marine.

Depending on the boat model you choose, the power package can be a four-stroke or OptiMax direct-injection outboard, or a petrol or diesel Mercury MerCruiser with Alpha or Bravo drive.

You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

Quicksilver recommends Navman electronics. Check with your dealer for full details.

Remember – life vests float. You don't. Always use your engine's safety stop lanyard.

The quality system of
Marine Power Europe Inc
is ISO 9001:2000 certified
