A wide range of design and flexible models

sport

2 new sport models

cruiser

Cruising with your family or friends

weekend

All comfort for a weekend of dream

pilothouse

An enclosed cabin to take the worst of all weather conditions

fish

The ideal partner for fishing or cruising

**Fancy fishing, water sports,
cruising with friends or family ?**

**Whatever your interest, there is
a Quicksilver boat to fulfil your needs.**

- Wide range of models answering to your needs with over 26 boats.
- Extensive basic equipment list such as swim ladder, fishing rod holders, storage locker, bow roller, anchor locker & hydraulic steering on most of the models.
- Great value for money.
- The WalkAround (WA) boats give you full access around the cabin.
- Safety and comfort is our main concern.
- Reliable : a 3-year structural hull warranty.

Quicksilver is always on the move ! We have 2 new sport models to offer with exciting colours : **520 Sport & 570 Sport** and various improvements to the other models.

Depending on the model you will find most suitable, your Quicksilver boat can be equipped with an outboard engine Mercury or Mariner, with a sterndrive Mercury Mercruiser or an inboard Cummins MerCruiser Diesel.

The outboard Mercury and Mariner offer a large range of technologies such as : 4 strokes or 2 strokes direct-injection OptiMax.

Do you want quality spare parts to optimize your boat's engine ? No need to look elsewhere: Quicksilver is here. Purpose-designed parts, engine care products, propellers, anodes: you name it; there is an original part or accessory which will extend your engine durability while improving on-board safety and environmental protection.

The very best in engine power and navigation

Choose among our vast range of outboard engine Mercury or Mariner, robust and powerful: 4 strokes or 2 strokes direct-injection OptiMax. You can also choose for a Cummins MerCruiser Diesel or Mercury MerCruiser, the most appreciated sterndrive of all times.

On top of this, you will benefit from a national and international network of dealers. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

Remember - life vests float. You don't.
Always use your engine's safety stop lanyard.
