Guernsey 28

Guernsey

A unique and relaxing new experience

Guernsey 28

If you like sea trips or fishing excursions with friends, the Guernsey 28 will seduce you with its distinguished lines, its high level of equipment, the power of its engine, its manoeuvrability and the quality of its internal fittings.

Guernsey 34

You are an experienced and demanding sailor, an enthusiast for cruises or fishing excursions. The Guernsey 34 is made for you. In fact, this 11 meters launch with superb lines combines up to date technologies, power and performance, high quality equipment and exceptional on board comfort that will delight your guests. NEW : dual engine installation available as of May 2008.

Guernsey

A unique and relaxing new experience

Superb lines, superior power and performance, high quality, impeccable finishes and real on board conviviality, ... guaranteed sea going pleasure!

Welcome on board these 2 boats born from up to date and renowned know-how: Guernsey 28 and Guernsey 34.

The Guernsey 28 and 34 models offer ultra high performance equipment to ensure easy and completely safe navigation: bow thruster, stainless steel keel protection, electric windlass... Hurry to discover which is the best for your requirements.

Fittings and finishes

Live and share the pleasure of life at sea

Elegant, slender, seductive and welcoming.

The elegant silhouette of the Guernsey 28 encloses a vast, light interior and magnificent wood finishes. The captain has the benefit of excellent visibility and all the navigation instruments within reach. The interior offers maximum comfort (fitted kitchen with double hot plate, refrigerator, separate bathroom with shower and marine WC, radio/CD equipment...). Everything for a warm welcome for your friends.

With its classic lines, the Guernsey 28 seduces at the first glance. The boat has a huge cockpit and boarding is easy. Everything in the boat is designed by specialists for connoisseurs. Keen on excursions or sea fishing? Every one finds their own pleasure. The cockpit includes several rod holders and lockers. The sun deck and large rear platform await you for complete relaxation. Because a pleasure is all the more intense when it is shared.

Guernsey 34

The Guernsey 34 is versatile and perfectly adapted to fishing as well as pleasure cruising. And she offers all the outstanding qualities: power, stability and cutting-edge navigation equipment.

Like all the models in the range, the Guernsey 34 is equipped with hydraulic steering for enhanced safety and comfort. The equipment for fishing and cruising testify to the detailed care taken in the design: more than adequate rod holders and cockpit lockers, stainless steel keel protection, livewell with seawater circulation, bow thruster, electric bow roller, and electric stern platform.

Enjoy your passion!

*Discover the varied
joys of sea fishing*

Guernsey 34

The Guernsey 34 has the image of a 'lobster boat'. This impressive 11-metre beauty benefits from the latest technologies and know-how.

This exceptional boat is intended for demanding skippers who want to combine the power and performance of a top-of-the-range vessel with the convivial ambience of sea trips with family or friends. Perfectly equipped for sea fishing, the Guernsey 34 also offers an exceptional onboard comfort.

Superb lines, luxury equipment and meticulous finishing all make it a star with real class. You discover its qualities at sea as never before: handling, stability, safety, elegance, etc.

Whether it's fishing or cruising, in good weather or difficult conditions, competing for a trophy or just for sheer relaxation, you are sure to enjoy a unique experience with the Guernsey 34!
