UTTERN

ONCE YOU DISCOVER THE FREEDOM WITHIN SUDDENLY LIFE HAS NO LIMITS.

For many, freedom is about having the space to be your true self. In the design of our boats, we have listened to customers in order to refine each element of the craft. Always guided by simplicity and functionality, nothing

is superfluous, leaving you with real solutions that answer your needs. From an integrated all-weather canopy to a generous, sociable cockpit, allowing you to really enjoy your time on the water. Boats with an inner sense

of confidence where understated, classic Scandinavian style meets everyday practicality. Come rain or come shine an Uttern boat is created to take you where you want to be. To freedom within.

THE NEW T62 / D62 SPECIAL EDITION. GET THERE IN STYLE.

There's something exuberant and special about the Uttern D62 and T62 SE. The distinctive colour is complemented by the simple yet classic feel of the deck together with the finesse of the finishing throughout. Beautifully contemporary, everything is exactly in the right place with the Uttern SE. Embodying the fundamental design traits that make Uttern the considered

choice, the features have been carefully engineered to ensure they integrate seamlessly; navigation on and off the boat is easy and there's a versatile cockpit with ample storage in the stern of both the D62 and T62.

With its striking hull and fluid lines, the Uttern SE cuts through open water or along inland waterways. Taking you wherever you want to be – quickly, and in style.

SE FEATURES

- Vibrant orange hull colour
- Distinctive upholstery and finishing
- Stylish steering wheel
- Large GPS screen
- Contemporary LED lighting within the cockpit

THE NEW D62. WHERE DO YOU WANT TO GO?

The ease of access through bow and stern; the well thought-out cockpit; the seamless integration of the features. The D62 allows intelligent design and engineering to work as one.

From the reassurance of rugged decking, inspired by the first ever leisure boats, to the classic horseshoe seating and bow cabin for sleeping or storage, this is an easy-going experience. Even

the weather won't pose you a problem. A unique integrated canopy neatly stows away when the weather is fine, and can be easily raised when the elements take a turn for the worse. A high sheer line adds even more confidence and greater protection in all weathers.

What's more, that attention to detail flows throughout the boat. A specifically shaped locker

for the fender maximises the use of available space, while a swivel cockpit seat makes this a very sociable boat.

The D62 is designed and built to take you where you want to go, when you want to go. To let you experience more. And always on your terms.

D62 PRODUCT SPECIFICATION

Length overall (m)	6.15
Length of hull (m)	6.12
Beam maximum (m)	2.4
Deadrise (deg)	20
Height - without canvas (m)	1.4

- | | | |
|--------------------------|----------------------------|---|
| 1. Ladder Locker | 5. Canopy locker | 9. Flush deck hatch |
| 2. Fender storage locker | 6. Storage under aft seat | 10. Helm |
| 3. Fender storage locker | 7. Storage under port seat | 11. Co-pilot storage / cabin access |
| 4. Anchor locker | 8. Storage under stbd seat | 12. Table storage under cockpit floor hatch |

Simplicity is key on board the D62. The versatile central cockpit table can be quickly pulled up from under the floor hatch for dining – or a sunpad added to the table top to create a generous sundeck area. And when it comes to getting on and off, the D62 makes it all effortless.

There's easy access via bow or stern with sure footing provided by the decking. For added confidence, in addition to an anchor at the stern, the boat is also harnessed at the bow for enhanced balance and stability, while the rub rail provides protection for the hull.

THE NEW T62.

TAKE LIFE AS IT COMES, WITH PLEASURE.

With its comfortable, understated design, the Uttern T62 is the perfect boat for a day out on the water. Thanks to its generous, versatile cockpit with a classic horseshoe shape and spacious front deck seating, the T62 makes for the ideal environment to spend time with family and friends.

The symmetrical lines of the T62 complement a design that intelligently integrates many of its

features, such as the easy-to-construct table, the pull over canopy, and the fold out ladders. There's convenient access through the stern or bow, while the decking delivers both a good grip and enhances the overall feel and appearance of the boat. A high freeboard adds further peace of mind when children are on board.

Offering a wide range of practical innovations, the T62's cockpit seating easily converts to a

sunpad, there's a dedicated waterskiing pole and, when you really want to cool down, the wide stern creates a bigger area to make getting into the water easy.

From island hopping to water sports to swimming, this is the boat designed for pure pleasure.

1. Ladder locker
2. Fender storage locker
3. Fender storage locker
4. Anchor locker
5. Canopy locker
6. Storage under aft seat

DESIGNED AROUND YOU.

On board an Uttern boat everything has a reason, a well-considered place so that the elements combine to make life out on the water a real pleasure.

Inspired by classic boat design, yet with a thoroughly contemporary feel, an Uttern allows you to discover a sense of natural simplicity. From its classical lines and flowing symmetry to its true sense of practicality, many things come together to make your own Uttern special, a boat shaped and built around you.

FREEDOM TO CHOOSE. A CHOICE OF EIGHT ENGINES.

Having the right power is essential, which is why we offer you a selection of eight different engines. From true fuel efficiency to out and out power, the freedom is all yours.

FourStroke F115

Built to deliver long-term reliable performance, this advanced FourStroke runs clean, stays quiet, and delivers a smooth, responsive performance – all while cutting your fuel and maintenance costs.

OptiMax with power options 115, 125, 135, 150

Slim and lightweight, the OptiMax is an ideal choice for most Uttern boats. It consistently outperforms other direct injection engines in holeshoot, mid-range acceleration and top-end speed.

Verado with power options 135, 150, 175

Designed to offer maximum fuel efficiency, the Verado Supercharged System delivers high levels of torque for immediate planing, superior mid-range acceleration, and sustained planing at lower speeds.
