Pilothouse

Pilothouse was developed with consideration and insight into the needs and desires of boat users. As a result, every Pilothouse offers you the freedom to get out and to the fish quickly and safely.

Whether you're after space and comfort for a social weekend away, or the practical touch of a live bait well equipped with seawater circulation, the Pilothouse is flexible enough to deliver just what you need.

Furthermore, all that practical ability is underpinned by the kind of structural integrity that will give you lasting enjoyment. Combined with a choice of powerful, reliable engines, a Pilothouse offers real peace of mind.

MERCURY
QUICKSILVER

MERCURY

The next level

If fishing is your consuming passion, then the Quicksilver 640 Pilothouse was created for you. A large cockpit features removable transom seats to deliver even greater space when fishing, while the transom features a live bait well equipped with an electric pump for seawater circulation. The 640 Pilothouse will take your fun and your sport to the next level.

SAFETY

To help you set your sights on a great fishing trip, the designers of the 640 Pilothouse kept a keen eye on safety. From clear navigation lights for signalling to grab rails on the bow, to the convenience of a sturdy swim ladder and an electric windlass for easy, worry free anchoring, nothing has been overlooked.

FISHING

Perfect for one. Ideal for two. The 640 Pilothouse delivers more than serious fishing – it ensures an incredible fishing experience. From a live bait well and pump to the picnic table and cooker that prepares your catch of the day, no other serious fisher comes close.

COMFORT

A good weekend's fishing needn't mean having to rough it. From a bright and airy cabin to double berths, a picnic table to plenty of premium deck space, you'll find so many thoughtful features you won't want to come ashore.

STORAGE

Space is maximised with well thought out storage including a conveniently placed anchor locker plus a bow roller to make lowering and raising the anchor quick and easy and fishing rod holders. There's even a place to store your catch with a live bait well equipped with an electric pump for seawater circulation.

Model specifications

Length Overall (M)	6.52	Fuel Capacity (L)	135
Beam Maximum (M)	2.54	CE Design Category	C

580 PILOTHOUSE
QUICKSILVER

EFI
100

When fishing is your passion

The Quicksilver 580 Pilothouse packs all the features of the 640 Pilothouse, yet it does so within a slightly shorter frame. As a result, the 580 Pilothouse is a superb option for the keen fisherman. With double V-berths and a co-pilot seat, you're free to leave the world behind or team up with a friend.

SAFETY

A slightly smaller boat doesn't mean safety is compromised. In fact it's quite the opposite with everything you'd expect on board to put you at ease out on the water, from clear navigation lights for signalling to a windscreen wiper to maintain visibility, a robust swim ladder and a bilge pump as standard. There's even an electric windlass for safe, easy anchoring.

FISHING

The 580 Pilothouse is a real all-rounder with good storage, a cooker for making something tasty with all the catch from a great day's fishing, a removable chopping board to help with the cooking and a handy picnic table perfect for a quick snack or a more leisurely and sociable meal watching the sun go down.

COMFORT

When you're spending a busy day fishing it's good to know that the sliding door is effortless to use and gives easy access to the cockpit, while below deck there's all the welcome comfort of a bright cabin with double V-berths for a well earned rest. There's also a chemical WC for added comfort.

STORAGE

Forget the clutter. The 580 Pilothouse comes with a wealth of storage compartments, including fishing rod holders and an anchor locker. You'll have never felt so organised.

Model specifications

Open up to more fun

The Quicksilver 530 Pilothouse is paradise for any keen fisherman. Maximum space and light is created by the perfect combination of the open-backed cabin with a unique skylight. And if you want to make a great day's fishing really last there's a lockable cabin forwards with room for overnighting.

SAFETY

A slightly smaller boat doesn't mean safety is compromised. In fact it's quite the opposite with everything you'd expect on board to put you at ease out on the water, from clear navigation lights for signalling to a windscreen wiper to maintain visibility, a robust swim ladder and sturdy grab rails for safe, easy access to the bow. There's also a bilge pump as standard.

FISHING

The 530 Pilothouse is versatile through and through. Right from the folding co-pilot's seat that creates more space to the picnic table that will see you through the day, from a hearty breakfast to an evening meal savouring the day's catch and the best moments.

COMFORT

You'll always feel comfortable on board the 530 Pilothouse with the spacious, light and airy cabin, easy access around the boat and, when it's time to really unwind, a bright cabin with double V-berths for a well earned rest.

STORAGE

Considered storage throughout the boat is there to make every trip easy and enjoyable. A well-placed locker keeps the anchor out of harms way, while the bow roller means you can lower and raise the anchor without scratching the deck or hull. And naturally there are holders for your fishing rods.

Model specifications

Length Overall (M)	5.38	Fuel Capacity (L)	50
Beam Maximum (M)	2.39	CE Design Category	C
Height - Without Canvas (M)	2.45	Maximum Number of People	5

BigFoot

500 PILOTHOUSE

Compact design for demanding fishermen

Welcome to the compact boat for fishermen that's big on versatility, comfort and practicality. Clever design means you can have the best of both worlds thanks to an offset cabin that gives you more room sheltered from the weather when you need it without sacrificing a secure portside passageway forward. So the 500 Pilothouse might be compact, but it thinks big.

SAFETY

With clear navigation lights for highly visible signalling, a windscreen wiper to maintain good visibility, a sturdy swim ladder to make getting in and out of the water safe and easy, a bilge pump as standard and hydraulic steering for smooth, fast yet safe driving, this is a boat that's built totally around your peace of mind.

FISHING

The 500 Pilothouse is the perfect fishing vessel combining useful space to get around the boat with room to shelter from the elements and all the practicality, comfort and safety you need to make your fishing trip really relaxing and worry-free.

COMFORT

Time to escape and unwind. You've got all you need to take it easy, from all the space you want on deck to a roomy fishing cockpit and a bright offset cabin complete with berths for when a day of fishing turns into a whole weekend of fun and pursuit.

STORAGE

The 500 Pilothouse boat has far more space and storage than you'd usually expect on a boat of this size. There's storage throughout the boat, including holders for those all-important fishing rods, an anchor locker to keep it safely out of the way plus a bow roller for lowering and raising the anchor.

Model specifications

Length Overall (M)	5.25	Fuel Capacity (L)	50
Beam Maximum (M)	2.35	CE Design Category	C
Height - Without Canvas (M)	2.30	Maximum Number of People	5
Dry Weight (Kg)	685	Maximum Power (HP/kW)	80/58.8

Arvor

This is the natural choice for fishing. A range of boats that combines reliability, practicality and technology to make all those trips memorable.

When it comes to power, you've got everything you need to get you there and back safely and smoothly. Solid diesel inboard engines blend higher displacement with the very latest advancements to deliver the performance, dependability and extreme trolling capability you need. Superior engine technology that also cuts fuel consumption and emissions.

For even greater reassurance, a low centre of gravity means a stable ride and position when you're fishing, while a transom door and high freeboards provide easy access getting in and around the boat. And to put you further at ease, the comfortable cabin includes a seating area that also turns into a berth.

You also get more space and fishing access aft – all helped by the propeller being neatly tucked away underneath. Add in rodholders, fish lockers, a cutting board and a livewell all as standard and there's nothing to get in the way of you and a great day's fishing.

QUICKSILVER®

280 ARVOR
LR W00180
QUICKSILVER

The ultimate in luxury and practicality

In the world of Arvor practicality is never dull. We've used all our extensive experience to give you the perfect all round boat for fishing in the shape of the 280.

On board you'll discover that user-friendly design and thoughtful features meet a touch of luxury to make your fishing as enjoyable and comfortable as possible.

Ease of use is assured thanks to standard-fit hydraulic steering, bow thruster, trim tabs and dual electric wipers. While three electric bilge pumps, a trolling valve, an electric windlass and a revised, longer swinging bow roller help even more with life on board.

And for the true fisherman, the 280 Arvor's roomy cockpit boasts an aquarium-style livewell with pump, a fish locker and three wooden foldable benches where you can sit back, relax and discuss the day's catch.

So if you demand and expect the very best from a fishing boat, you've found it.

QUICKSILVER
280 ARVOR

SAFETY

- Low centre of gravity ensures stable ride of the boat and stable position while fishing
- High freeboard for fisherman safety
- Transom door to ease access in and out of the boat
- Three electric bilge pumps

FISHING

- Integrated trolling valve into the transmission allows extreme slow trolling for hours without risk of damage to the engine or transmission
- Thanks to the inboard engine, fishing line does not easily get caught in the propeller
- Clear and non-obstructed view on the rear to ease fishing all around the cockpit
- A lot of fishing equipment comes as standard such as integrated rodholders, fish lockers, cutting board and livewell with pump
- The 280 Arvor has a very roomy cockpit with three wooden foldable cockpit benches

COMFORT

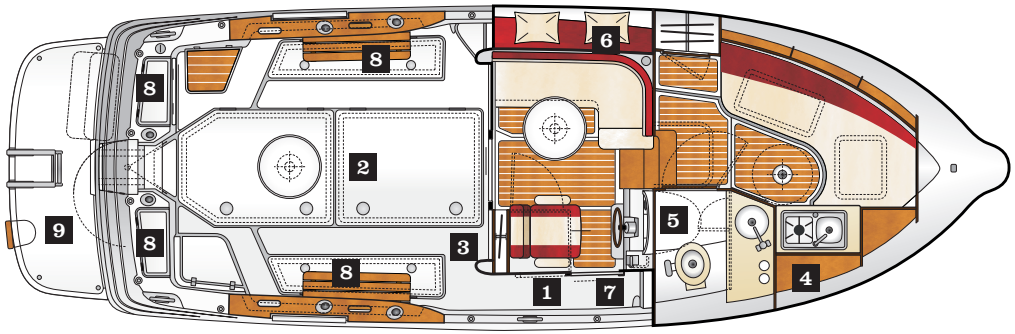
- Four-berth accommodation provides ample overnight space
- Additional facilities include both a baggage and toilet compartment
- The galley features a sink and tap together with a cooker and a storage container
- Comfortable cabin with pilot and co-pilot seat
- The helm is equipped with full engine instrumentation and an electric switch panel with circuit breakers. The pilothouse is very accessible thanks to its sliding door at portside
- Hydraulic steering makes driving and manoeuvring a true pleasure
- A standard electric windlass to ease mooring
- A standard bow thruster to ease docking

STORAGE

- A lot of storage available for fishing equipment in the wheelhouse
- Fish lockers in the cockpit to keep your catch of the day

Model specifications

Length Overall (M)	9.50	Fuel Capacity (L)	390
Beam Maximum (M)	2.99	CE Design Category	B
Height - Without Canvas (M)	3.70	Maximum Number of People	9
Weight of the boat (including engine) (Kg)	3,700	Maximum Power (HP/kW)	320/235



Model features

1. Asymmetric wheelhouse with a wide and safe passage to the bow on starboard
2. Large and clear cockpit for intensive fishing activities
3. Optional second helm station to allow driving from the cockpit
4. Permanent galley with single burner stove and sink to cook your catch of the day
5. Enclosed chemical toilet and lavatory sink
6. Separate berth to spend the night on board while mooring
7. Sliding wheelhouse portside door
8. The boat is fully equipped for fishing expedition: livewell with pump, rodholders, gunwale rollers and cutting board
9. Transom door to ease access in and out of the boat

As a company committed to continuous product improvement specifications are subject to change.

250 ARVOR
QUICKSILVER

Enjoy your fishing in space, comfort and style

A standard bow thruster makes manoeuvring in port easier than ever while standard trim tabs simplify adjustment of your boat under different loads and sea conditions.

Additional standard equipment includes a trolling valve and an electric windlass.

A sink, cooker and table allow you to cook and eat your catch right on board. The head is neatly hidden below the steering position.

The big, open deck, with fold-down wooden benches, provides plenty of space to move around. The transom features an original livewell with an electric pump for seawater circulation and an aquarium-style window placed at waist height.

Further aft, the standard stern platform enables easy access and includes an auxiliary outboard engine bracket.

The 250 Arvor features vinyl cabin trim, tropical wood inserts and inside door finishes as well as teak laminate on the cabin and wheelhouse floor.

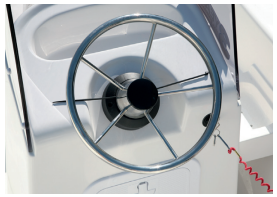
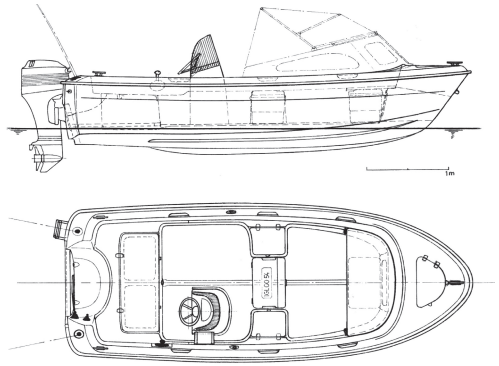
500 & 440 FISH

Lightweight and long lasting

These four ‘no-fuss’ boats provide wide open decks, and are perfect for utility, fishing or even simple family fun. Thanks to the multiple choice of propulsion (oars, tillersteer engine or remote console - depending on model), these boats are very versatile in their usage.





500 FISH:
Tough and built to last

The 500 Fish - a boat of Scandinavian inspirations - brings the range a touch of tradition. With spacious and beamy cockpit, the 500 Fish can carry up to 6 people. It can take up to a 60 HP outboard and comes with a standard pilot console

Model features:

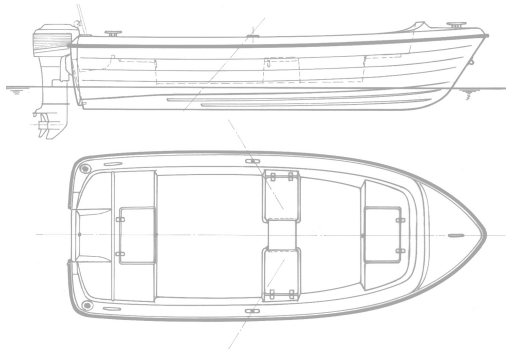
Comfort: Spacious cockpit with pilot console.

Life on board: Lateral benches, front and lateral storage area including a place to stow the optional ice-chest. Anchor locker, oarlocks, swim ladder and stainless steel cleats.

Optional: Windshield.

Model specifications

Length Overall (M)	5.15	Shaft Length	L
Beam Maximum (M)	2.05	CE Design Category	C
Height - Without Canvas (M)	1.55	Maximum Number of People	6
Dry Weight (Kg)	415	Maximum Power (HP/kW)	60/44.1



440 FISH:
Passion for fishing

The Quicksilver 440 Fish will take an outboard engine or is light enough to row. It offers lots of storage space and it will become your best companion for fishing. An optional steering console is available to increase your driving comfort.

Model features:

Comfort: Spacious cockpit with lateral benches and storage lockers.

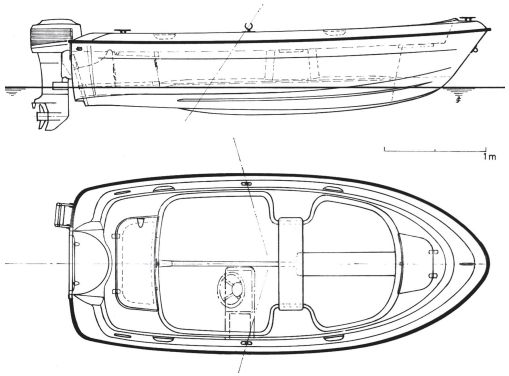
Life on board: Stainless steel cleats, mid-ship benches, oarlocks, swim ladder, ample storage, front and lateral storage compartments.

Optional: Pilot console.

Model specifications

Length Overall (M)	4.40	Shaft Length	L
Beam Maximum (M)	1.78	CE Design Category	C
Height - Without Canvas (M)	1.04	Maximum Number of People	4
Dry Weight (Kg)	280	Maximum Power (HP/kW)	30/22.1

410 & 360 FISH



410 FISH:
Even easier than ever

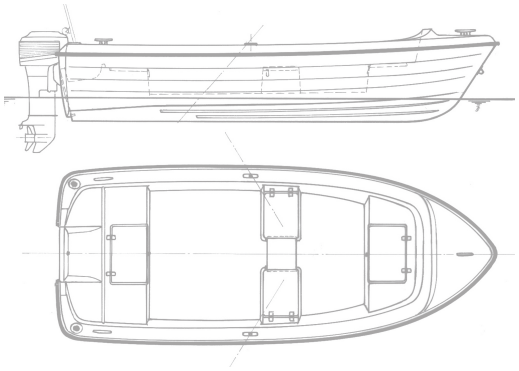
The Quicksilver 410 Fish is an adaptable open fishing boat that will take an outboard engine up to 20hp, yet is light enough to row. It can be supplied for a tiller-steer engine or with an optional steering console.

Model features:

Comfort: Mid-ship benches and grab rails.

Life on board: Swim ladder, storage lockers, oarlocks and stainless steel cleats.

Optional: Pilot console.



360 FISH:
A great way to start boating

The Quicksilver 360 Fish completes the family of fishing boats. It can take an outboard engine or is light enough for you to use a pair of oars.

Model features:

Comfort:: Mid-ship benches.

Life on board: Swim ladder, stainless steel cleats, storage lockers and oarlocks.

Model specifications

Length Overall (M)	4.12	Shaft Length	L

The power to escape

Once you become a Quicksilver Captur owner you have the power to change everything. To leave behind the everyday. To be free whenever you want. To make every moment count. All you need do now is decide how much power you need.

Whether you choose Mariner, Mercury or Mercury Diesel, each one offers its own distinct range of benefits. Talk to your dealer to find the right outboard or inboard power system for you.

Outboard motors

MERCURY MARINER

4-stroke

Intake, compression, power, exhaust. The four stages of the four-cycle combustion. As every combustion series consists of four discrete stages, 4-stroke engines tend to be quieter, smoother and more fuel-efficient than traditional 2-strokes - all the while producing lower emissions.

OptiMax®

A Direct Injected engine that combines the heart, soul, speed and power of a traditional 2-stroke, but with the advantages of a 4-stroke. Its unique two-stage injection system creates a remarkably complete combustion - which means you can have a great time on the water while feeling good about conserving fuel and producing fewer emissions.

v = Standard o = Optional * = Weight of boat (including engine)
As a company committed to continuous product improvement, specifications are subject to change.

Inboard motors

MERCURY Diesel

Mercury Diesel

Combining the quiet, smooth performance of a traditional gasoline with the durability of a diesel, this four cylinder compact powerhouse features an advanced ECM with SmartCraft® compatibility to monitor various engine parameters. The QSD2.0 also features advanced components like the integrated heat exchanger and exhaust manifold, which also help reduce overall package size. Impressive acceleration and precise throttle response are the result of a 16 valve cylinder head and a proven common rail fuel system that includes a turbocharger and seawater aftercooler.

GENUINE INGENUITY

Quality
BRUNSWICK MARINE in EMEA
ISO 9001 - 2000 CERTIFIED

The quality system of
Brunswick Marine in EMEA
is ISO 9001:2000 certified.

© 2012 Brunswick Marine in EMEA. All Rights Reserved.

Brunswick Marine in EMEA continuously explores means to improve the products it designs, manufactures and distributes. Every effort is made to produce sales and service literature which is current. Changes to specifications of engines, boats and accessories are ongoing. This brochure should not be regarded as a precise guide to the latest specifications. This brochure is also not an offer for sales of any particular engine, boat or accessory. Distributors and dealers are not agents of Brunswick Marine in EMEA or one of its affiliates and they have no authority to bind Brunswick Marine in EMEA by any express undertaking or representation, including but not limited to representations of product, sales, applications or service nature. Not all products are available in all countries and some are available only in limited quantities. Some products shown in this catalogue are equipped with optional accessories. Please see your local dealer.
