

RANGE & SPECIFICATIONS

ONCE YOU DISCOVER THE FREEDOM WITHIN

SUDDENLY LIFE HAS NO LIMITS.

For many, freedom is about having the space to be your true self. In the design of our boats, we have listened to customers in order to refine each element of the craft.

Always guided by simplicity and functionality, nothing is superfluous, leaving you with real solutions that answer your needs.

From an integrated all-weather canopy to a generous, sociable cockpit, allowing you to really enjoy your time on the water.

Boats with an inner sense of confidence where understated, classic Scandinavian style meets everyday practicality. Come rain or come shine an Uttern boat is created to take you where you want to be. To freedom within.

Discover the world of Uttern. www.uttern.com

Exploring hidden reaches. Relaxing on deck. Taking a dip from the swim platform. Sunny days and gentle breezes. Inspired by classic boat design, yet with a thoroughly contemporary feel, an Uttern allows you to escape and discover a sense of natural simplicity. From its classical lines and flowing symmetry to its strong sense of practicality, so many things come together to make your Uttern boating experience special, wherever the journey takes you.

And whatever the weather, our boats are built for Nordic conditions and the random power of nature. Robust and stable in the water, they are characterised by their spacious freeboard and conveniently placed grab rails. A

generous cockpit depth and a high line add to a feeling of confidence and safety without restricting access to the water. And should the weather worsen, an integrated canopy can be quickly deployed to keep the elements at bay.

This unique combination of safety and comfort forms a cornerstone of Uttern design.

Or if you are seeking even more style to add to our substance, there's something truly exuberant and special about the Uttern D62 and T62 SE. With its striking orange hull highlighting its fluid lines even more, the Uttern SE is beautifully contemporary, complemented by the simple yet classic feel of the deck.

Together with the finesse of the finishing throughout, each aspect has been carefully engineered to ensure every feature integrates seamlessly. With practicality always at the heart, navigation on and off the boat is easy and there's a versatile cockpit with ample storage in the stern.

Welcome to Uttern, the considered choice.

RELAX, YOU'RE ON BOARD

AN UTTERN.

On board an Uttern everything has a reason, a well-considered place so that you have all you need to make life out on the water a pure pleasure.

It's also a place to feel safe. Built to withstand Nordic conditions, Uttern design is rooted in Scandanavian tradition and culture. They are robust and stable in the water and characterised by a generously proportioned freeboard and conveniently placed grab rails.

Where certain safety equipment can be an optional extra on some boats, such as a chart plotter and a depth sounder, you'll find they come as standard on an Uttern. Even bringing your boat into dock is made easy with a full complement of mooring equipment.

If you're looking for a boat that offers everything you need right from the start, then you're looking for an Uttern. No other boat allows so much freedom within.

THE NEW D62

WHERE DO YOU WANT TO GO?

The ease of access through bow and stern; the well thought-out cockpit; the seamless integration of the features. The D62 allows intelligent design and engineering to work as one.

From the reassurance of rugged decking to the classic horseshoe seating and bow cabin for sleeping or storage, this is an easy-going experience. Feeling hungry? You're free to quickly convert your cockpit into a relaxed dining area that comfortably seats six people. Looking to soak up the sun? You'll soon be lying in one of the biggest sun decks in its category.

A wealth of stowage under the seats means you'll have plenty of room for all those little extras. Getting on and off board couldn't be easier with access points at the bow and the stern. Anti-slip steps provide extra grip as well as an integrated stainless steel ladder that leaves you ready for every eventuality.

Even the weather won't pose you a problem. A unique integrated canvas canopy neatly stows away when the weather is fine, and can be easily raised should the weather worsen. A high sheer line and a deep cockpit add even more confidence and greater protection in all weathers.

What's more, that attention to detail flows throughout the boat. A specifically shaped locker for the fender maximises the use of available space, large stairs make for safe access to the bow, while a swivel cockpit seat makes this is a very sociable boat.

Descend into the cabin and you'll find everything equally considered there, too. A large foredeck hatch provides good ventilation and lighting as well as plenty of bow storage to help keep everything neat and tidy. A marine flush toilet is available as an option.

Choose our exuberant SE model and you can add even greater style to our substance with its striking orange hull emphasising the boat's fluid lines.

Together, the D62 and D62 SE are designed and built to take you where you want to go, when you want to go. To let you experience more. And always on your terms.

D62 PRODUCT FEATURES

- 1. Ladder Locker
- 2. Fender storage locker
- 3. Anchor locker
- 4. Canopy locker

- 5. Storage under aft seat
- 6. Storage under seating
- 7. Flush deck hatch
- 8. Helm

- 9. Co-pilot storage / cabin access
- 10. Table and electric cool box storage
- 11. Swivel bolster seat (pilot and co-pilot)

D62 PRODUCT SPECIFICATION

Length overall (m)	6.15	Fuel capacity (I)	160
Beam maximum (m)	2.4	Ce design category	C
Height - without canvas (m)	1.4	Maximum number of people	7
Dry weight without engine (kg)	1135	Maximum power (hp)	200

Simplicity is key on board the D62. The versatile central cockpit table can be quickly pulled up from under the floor hatch for dining – or a sunpad added to the table top to create a generous sundeck area. And when it comes to getting on and off, the D62 makes it all effortless.

There's easy access via bow or stern with sure footing provided by the decking. For added confidence, in addition to an anchor at the stern, the boat is also harnessed at the bow for enhanced balance and stability, while the rub rail provides protection for the hull.

THE NEW T62

TAKE LIFE AS IT COMES.

WITH PLEASURE.

Thanks to its generous, versatile cockpit with a classic horseshoe shape and spacious front deck seating, the T62 makes the ideal environment to spend time with friends and family.

Offering a wide range of practical innovations, the T62's cockpit easily converts into one of the largest sunpads in its class. It equally converts into a comfortable dining area for six. And that's just the start of the fun. There's a dedicated waterskiing pole for whenever the mood takes you and, when you want to really cool down, a wide stern creates a bigger area to make getting into the water easier.

Naturally, where fun is a priority, safety is paramount. That's why the T62 comes with a range of features. A deep cockpit and high freeboards make for greater peace of mind when children are on board. Anti-slip steps keep everyone safe, while conveniently placed handgrips ensure getting on and off the boat is easy – whether that's through the bow or the stern.

And should the weather try to spoil your day, an integrated canvas canopy cleverly hidden within the body of the boat can be quickly deployed to keep everyone happy.

Seeking an even greater sense of fun and style? An exuberant SE model comes complete with a striking orange hull, emphasising its dynamic form and fluid lines even more.

From island hopping to water sports to swimming, the T62 and T62 SE are the boats designed for pure pleasure, for everyday, for life. Let the games begin.

T62 PRODUCT FEATURES

- 1. Ladder Locker
- 2. Fender storage locker
- 3. Anchor locker
- 4. Canopy locker
- 5. Storage under aft seat

- 6. Storage under seating
- 7. Helm
- 8. Co-pilot storage / cabin access
- 9. Large storage space under the bow seating
- 10. Convertible sundeck in bow section

- 11. Table and electric cool box storage
- 12. Swivel bolster seat (pilot and co-pilot)

Length overall (m)	6.15	Fuel capacity (I)	160
Beam maximum (m)	2.4	Ce design category	C
Height - without canvas (m)	1.4	Maximum number of people	7

D68

CRUISE IN STYLE

The D68 is equipped to ensure safe, comfortable cruising with family and friends. The ample and functional cockpit includes a galley with stove and fresh water, refrigerator and large dining area for those unforgettable moments spent together on board. A comfortable cabin provides a berth for two adults and a child and along with a discrete flush toilet for relaxed cruising through the Nordic archipelago.

Everyone on board will appreciate the genuine Uttern concern for safety with the boat's high freeboard, large swim platform, strategically placed grab handles, and complete navigation and engine monitoring equipment.

The D68 is powered by MerCruiser petrol or diesel engines.

D68 PRODUCT FEATURES

- 1. Large bathing platform
- 2. Anchor and fender storage
- 3. Seating with large storage underneath
- . Canopy
- 5. Galley (cooker, sink, fridge)

- 6. Driver's seat that can be converted into a sundeck
- 7. Folding door for access to the cabin
- 8. Foredeck hatch
- 9. Port & starboard portlights
- 10. Bow storage

D66

PERFORMANCE

AND COMFORT

The Uttern D66 with a Mercury Verado® or OptiMax® engine combines the best of all worlds. As usual, top priority has been given to safety and comfort but the most obvious characteristic is its performance and the sheer pleasure it provides – thanks to a combination of Mercury powers and seaworthy Uttern hull. It is quite simply an extraordinary boat!

The D66 is equipped with a flush toilet, a fridge, a cooker with a warm-air fan cover, as well as a pantry with a wash basin and fresh water tank. And... it goes without saying that all of the normal Uttern safety is built in.

D66 PRODUCT FEATURES

D55

VERSATILITY AND EXHILARATION

For many people the D55 is their first day-cruiser – a logical choice when first deciding to go boating. The reason is simple: the D55's versatility and simplicity make it the best selling Uttern! One out of every four Uttern boats sold is a D55.

The D55 is carefully designed to maximise comfort and enjoyment with plenty of room for five people. Whether you choose the sterndrive or outboard version you are assured of a calm, stable journey to your favourite spot on the water.

D55 PRODUCT FEATURES

- 1. Extended swim platform
- 2. Rear sundeck area
- 3. Anchor & fender storage
- 4. 2 persons seating with storage behind
- 5. Starboard and part removable tables
- 6. Swivel bolster seats
- 7. Foredeck hatch
- 8. Bow storage

S64

PERSONALITY

The Uttern S64 is a living legend among console boats. In an S64 it is the driver who sets the limits and not the boat. The S64 symbolises proximity to nature and a feeling of freedom.

The S64's timeless, multi-functional design assures hours of enjoyment on the water – whether skiing, wake boarding, fishing or searching for the ideal 'get away' spot in the Nordic archipelago.

The Uttern S64 is available with the popular MerCruiser 4.3 MPI engine or a choice of two thrifty and robust Mercury Diesel engines.

S64 PRODUCT FEATURES

- 1. Extended swim platform
- 2. Step for an easy access to the water
- 3. Back seat with storage
- 4. 2 person leaning post with fender storage

- 5. Large console with cabin
- 6. Integrated front seat with console
- Port & starboard seats with storage behind
- 8. Area converts into a sundeck

S64 PRODUCT SPECIFICATION

Length overall (m)	6.38	Fuel capacity (I)	185
Beam maximum (m)	2.51	Ce design category	C
Height - without canvas (m)	2.35	Maximum number of people	5
Weight with engine (kg)	1445*	Maximum power (hp)	220

^{*} w/4.3L MPI Gas – 1340 kg w/QSD 2.0L Diesel – 1520 w/QSD 2.8L Diesel

S55

BIG FUN

You can immediately sense the family resemblance with the S64 – the Uttern S55 has the same genes in a small, easy to handle package. The spacious cockpit and convenient seating provide the perfect platform for the whole family to enjoy a sunny afternoon on the water. The fishermen in the family will appreciate the S55's versatility as they search for the elusive 'prize catch'!

Noteworthy in its class, the S55 is completely equipped with everything you will need to make the most of the day. Your mates will admire your choice of boat.

S55 PRODUCT FEATURES

- 1. Bathing platform
- 2. Removable back seat
- 3. Pilot & co-pilot seat
- 4. Console with front seat & integrated storage
- 5. Port & starboard seats with storage behind
- 6. Area converts into a sundeck

S52

THE PERFECT PLAYMATE

The Uttern S52 is specially designed to let you flex your muscles on water skis or wakeboard or indeed in any water sport. It is quite simply a pleasure machine.

The S52 inherited the best features of the S64 and the S55. Noted for stable handling and nimble performance, it makes the ideal boat for speeding to your island in the archipelago or docking at your favourite seaside restaurant.

Uttern's legendary reputation for safety is evident in the high freeboard and conveniently placed grab rails. The S52 is the perfect holiday boat - both inland and at sea. Light to tow, you can easily explore new waters and new adventures.

S₅₂ PRODUCT FEATURES

- 1. Bathing platform
- 2. Removable back seat

FREEDOM TO CHOOSE. THE VERY BEST IN ENGINE POWER AND NAVIGATION.

Choose among our vast range of robust and powerful Mercury outboard engines, MerCruiser Sterndrive Petrol engines, or Mercury Diesel engines, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

Moreover, you will benefit from a national and international network of dealers for service.

Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado®, OptiMax® and FourStroke engines purchased in Europe, the Middle East, Africa and the CIS region. The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.

*Conditions and exclusions apply.

**Provided that all extended warranty conditions are met.

OUTBOARD

Being the "#1 On The Water™" means leading the way in every aspect. From products to service to customer satisfaction, Mercury outperforms the competition at every turn. With Verado® for example, Mercury offers an exclusive engine concept that delivers

super-charged performance with convenience enhancing features that make every boat ride a unique experience. If your passion is water sports then Mercury OptiMax® is your power of choice. Mercury OptiMax® delivers performance with minimal exhaust

emission and fuel consumption. Mercury is the leader in 4 stroke technology with the most modern range of 4 stroke outboards in the industry.

PERFORMANCE:

- \bullet Optimized intake manifold for improved fuel atomization and smoother power delivery
- Revised fuel calibration for crisp acceleration and improved running quality
- Low restriction flame arrestor for added horsepower and torque

EASY OWNERSHIP:

3-year/300 hour maintenance interval on many periodic service items saves time and money

TECHNOLOGY:

- Helm-mounted Audio Warning System monitors oil pressure, engine temperature and drive lube level and provides instant alarm if any of these vary from normal range
- $\bullet \ Available \ Mer Cathode \\ ^* galvanic corrosion prevention system offers unmatched active electronic corrosion protection$
- The Alpha® sterndrive delivers reliable performance in a value package

MERCURY DIESEL

- Mercury Diesel QSD 2.0L (130 hp)
- Mercury Diesel QSD 2.0L (150 hp)
- Mercury Diesel 2.8L DTI (220 hp)

Combining the quiet, smooth performance of a traditional gasoline engine with the added fuel economy, torque and durability of a diesel, this four cylinder compact powerhouse features an advanced ECM with SmartCraft® compatibility to monitor various engine parameters. Both the QSD 2.0L and QSD 2.8L also feature advanced

components like the integrated heat exchanger and exhaust manifold, which also help reduce overall package size. Impressive acceleration and precise throttle response are the result of a 16 valve cylinder head and a proven common rail fuel system that includes a turbocharger and seawater aftercooler.
