ACTIV

Life is now

## Free thinking

The moment you look at a Quicksilver Activ you know that it's designed for pure fun.

It's about fluid yet solid forms with soft lines and sharp, cut-through shapes creating a dynamic, sporty tension that says it's playtime. Purposeful designs still true to the essence and character of the original sketches; that spontaneous spark of inspiration. Creativity founded on experience, considered development and insight gained through solid research into the needs and desires of boat users resulting in a range of boats that offers you true freedom with the reassurance of structural and engineering integrity. Everything underpinned by safety, comfort and versatility, so you can fish, water ski, or just soak up the sun with complete peace of mind. And with ease.

This is Quicksilver Activ. Built on understanding. Shaped by you. Created for escape.

**QUICKSILVER®**

The Quicksilver Activ range has always perfectly blended fun and style with practicality and safety.

The evolving direction of the Quicksilver Activ range now builds on this strength with collaborations between highly experienced designers, engineers and naval architects from the Brunswick Group, a leading force in the boating world. A strong partnership that has led to an even greater line-up of fun boats with true integrity and depth.

Quicksilver Activ promises a world of style and innovative use of space made possible by the best in class length to beam ratio which also increases stability. A confidence further heightened by the deep V hull design creating a form that cuts through water efficiently and comfortably. A direct result of one of the most experienced naval architects in the industry being part of the team behind Quicksilver Activ.

So as you can see, we take fun very seriously. Welcome to style and substance.

# ACTIV 675 OPEN

## Freedom to play

Open up to a world of escape and fun. With clever use of space and a well thought out layout plus on-board comfort surrounding you, this is a boat that switches from water sports to cruising to relaxing with ease so that you can truly enjoy all the freedom of being on the water. And you can do it with even more style on board with the striking Sport edition.

Voted European Powerboat of the year, excelling in innovative design, intelligent use of space, safety and value.

## Safety

The wide and open design of the bow adds to the excellent walk-around space on the boat making getting around safe and easy. High-level free boards, firm handrails and the inherent structural integrity of the design add to your feeling of confidence.

## Comfort

The generous and comfortable seating up front quickly folds over to connect with the seating in front of the cockpit to create a sun pad for a little sun worship. Deep seats and well-padded cushions at the stern complete the picture. And high performance vinyl with a tactile, natural feel adds style and comfort.

## Versatility

Access to the boat is quick, simple and safe with the hinged rear port seat that rotates forward. While getting into the water is equally easy with twin rear bathing platforms. Or if you want an exhilarating blast on the water there's a removable ski pole as standard. While the open design of the bow is perfect for a spot of fishing. So whatever you want to do, it's simple.

## Storage

There's a place for everything on board. From a well placed anchor locker to ample dry storage below deck and a rear seat that lifts up to provide a perfect place for essential items like lifejackets and storage beneath the front seat for fenders and ropes. Right through to the helm with holders for everything from drinks to sunglasses, phones and sun cream.

# Make the sea your playground

On the Activ 555 Open you can enjoy all the fun and freedom of being on the water with complete ease knowing that this is a versatile, solidly designed boat with plenty of walk-around space and safety features making it perfect when children are on board.

## Safety

The excellent walk-around space on the boat is added to by the wide and open design of the bow. And with firm handrails reassuringly next to all seating areas, as well as high-level free boards, you can relax even more.

## Comfort

The design of the bow means that there's plenty of space up front with the bonus of generously deep and wide seating up front. The seats at the stern are equally comfortable with well-padded cushions.

## Versatility

The low step-over height of the seats at the stern makes access to the boat safe and easy. But if you want to jump into the water for a swim there are twin rear bathing platforms to help you on your way. And with a fixed ski hook or an optional ski pole, you're ready for a burst of water sports.

## Storage

From the convenience of holders on the helm for smaller items like drinks and sunglasses through to storage below deck for larger items like fishing rods and skis through to storage beneath the front and rear seating for items such as ropes and life jackets, everything fits away perfectly.

# ACTIV 645 CABIN

## Smart thinking

The ease of access through bow and stern; the well thought-out cockpit; the seamless integration of the features. The Activ 645 Cabin allows intelligent design and engineering to work as one.

From the reassurance of rugged decking to the classic horseshoe seating and bow cabin for sleeping or storage, this is an easy-going experience. Feeling hungry? You're free to quickly convert your cockpit into a relaxed dining area that comfortably seats six people. Looking to soak up the sun? You'll soon be lying in one of the biggest sun decks in its category.

A wealth of stowage under the seats means you'll have plenty of room for all those little extras. Getting on and off board couldn't be easier with access points at the bow and the stern. Anti-slip steps provide extra grip as well as an integrated stainless steel ladder that leaves you ready for every eventuality.

What's more, that attention to detail flows throughout the boat. A specifically shaped locker for the fender maximises the use of available space, large stairs make for safe access to the bow, while a swivel cockpit seat makes this is a very sociable boat.

Descend into the cabin and you'll find everything equally considered there, too. A large foredeck hatch provides good ventilation and lighting as well as plenty of bow storage to help keep everything neat and tidy. A marine flush toilet is available as an option.

Opt for the striking Sport Edition to enjoy a splash of colour featuring a black and white hull design with electric blue accent line. For added enjoyment there's a cockpit shower and stereo with two speakers.

## Safety

The beautiful contemporary styling of the Activ 645 Cabin has not been at the expense of safety. Excellent safety features include easy access in and out of the cockpit along with anti-slip stairs to the water and an anti-slip flat canopy storage surface. There's also an extra high freeboard for added safety and access to the bow is via large steps.

## Comfort

Good looking and a great experience too. In the cockpit, there are swivel driver and passenger seats and a teak dining table that seats six and effortlessly doubles up as sun lounge. Below deck, the cabin comes with the option of a flush toilet, lateral ventilation and lighting and a seating area that converts easily in to a large double berth.

## Versatility

Entertaining, sunbathing or water sports, the Activ 645 Cabin allows you the flexibility to enjoy life on the water on your terms. Conveniently stored under the floor hatch, the central cockpit table can be quickly pulled up for dining or a sunpad added to it, to create a generous sundeck area.

## Storage

As befitting such a practical boat, storage is very smart with an integrated solution for canvas storage. There's also clever table and coolbox storage in the cockpit for easy conversion to sun lounge. Useful additional storage is available under the seats and fender lockers.

## SMART Edition

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. The Activ 645 Cabin Smart Edition has the following options: black and white hull design with electric blue accent line, stereo, cockpit shower, canopy & enclosure, ski mast and a 12v cooler. In addition to that you save an average of 10%-15% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

## ACTIV 595 CABIN

### Compact cruising in comfort

This compact day cruiser will appeal to those wanting to enjoy reliability, performance and style. Its intelligent design features maximise the space available, whilst the wealth of thoughtful touches by our experienced designers help make life aboard a pleasure. The Activ 595 Cabin shares some of the award-winning features of its sister the Activ 645 Cabin (Motorboat of the Year 2012), including a new hull design for reliability and comfort on the water and a large foredeck hatch creating a light and airy cabin.

Ideal for day trips with family and friends, features such as a dining table provide a sociable space to gather, whilst storage spaces have been devised to keep all your sporting and leisure gear handily tucked away but readily accessible when required.

## Safety

Safety is never an afterthought with Quicksilver. The Activ 595 Cabin has the features a discerning boater expects as standard, from its solid build quality down to hydraulic steering and sport steering wheel and engine pre-rigging for speedy, safe and smooth navigation. Good cockpit depth provides a feeling of security on board whilst stepped access to the stern gives safe and easy access to the water.

## Comfort

Rain need never stop your play on the 595: a complete enclosure canvas gives rapid coverage in a downpour, whilst the bimini cover gives sun shade when things start to hot up. To add your own touches of luxury, there is the option of real teak flooring and table, complete enclosure canvas, mooring cover, custom seat covers and more.

## Versatility

Perfect for active days and relaxing nights, the Activ 595 Cabin has all you need to do your own thing in style and comfort. Flexible enough to accommodate a range of activities, whether swimming, skiing, sunbathing, fishing or dining, this boat allows everyone to do their own thing in style and comfort.

## Storage

Every inch counts on this boat and dedicated storage has been anticipated for all on-board items, such as navigation lights and ski mast, the 4 storage compartments over the transom can accommodate sports and fishing gear, and glove box. Integrated canopy storage means that your canvas can be packed away neatly with the minimum of fuss. Finally the 12v cool box option means there will always be something cold waiting for you at the end the longest, hottest days.

## SMART Edition

The Activ 595 Cabin Smart Edition has the following options: black and white hull design with electric blue accent line, stereo, cockpit shower, canopy & enclosure, ski mast and a 12v cooler.

In addition to that you save an average of 10%-15% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

# The perfect all-rounder

Whether you're a seasoned lover of the cruising lifestyle or you're just getting into it, the Activ 540 Cabin offers everything you're looking for in a perfectly balanced all-rounder. The wide beam opens up all the versatility and freedom needed to create surprisingly spacious room in the cockpit as well as sleeping accommodation below deck in the bright, airy cabin. Throw in a sun pad to lay back and relax on and you're all set to enjoy plenty of fun on the water.

## Safety

Playing on water isn't relaxing unless you've got a boat you can put your trust in. The Activ 540 Cabin is built to put your mind at rest. Right from the solid integrity of its construction through to hydraulic steering as standard for driving that's always fast but smooth and safe as well as navigation lights ensuring clear signalling.

## Comfort

The 540 is a roomy and sociable cruiser with a spacious cockpit complete with co-pilot seat and cushions, a versatile picnic table and, when you really want to relax, there's a sun pad for catching some rays plus a bright, airy cabin with V-berth for two people to unwind after a day on the water. A chemical WC also comes as standard.

## Versatility

From a ski pole as standard to handy fishing rod holders and a robust swim ladder, the Activ 540 Cabin is designed for a host of water activities. So from water skiing to fishing to diving in for a swim you're all set to go. And when you've worked up an appetite the picnic table is perfect for a quick snack or a more leisurely meal at the end of the day.

## Storage

To help you get on and enjoy life on the water as much as possible the Activ 540 Cabin takes care of all the practical things as well. With ample storage all around, conveniently placed fishing rod holders and a perfectly situated anchor locker, there's a space for everything. And there's also a bow roller on deck to make sure that lowering and raising the anchor is completely simple and worry free, removing the risk of scratching the hull or topside.

# The versatile day cruiser

With the Activ 510 Cabin you get the best of both worlds. Hydraulic steering, plenty of storage, a roomy cockpit and ample room for fishing from the boat make it the perfect day cruiser. But this versatile cruiser also boasts comfortable sleeping accommodation below deck for when you really want to make the day last.

## Safety

The robust swim ladder and grab rail make getting in and out of the water quick and safe while the open design of the deck means that getting around on board is easy. Add to all this hydraulic steering and navigation lights for clear signalling and you have a boat that's also easy to drive and navigate.

## Comfort

Great for escaping for the day, the Activ 510 Cabin has a roomy cockpit with seat cushions and picnic table so you can relax and entertain and if you want to take the fun into another day there's a bright cabin with V-berth for two people including mirror. For added comfort there's an optional co-pilot seat and chemical WC.

## Versatility

Switching effortlessly from a day cruiser to an overnighter this is the boat that lets you get out there and play and then relax afterwards with comfortable space on deck and more below.

## Storage

Everything has its place on board the Activ 510 Cabin. The perfectly situated locker for the anchor keeps it safely out of the way and when you need to raise or lower it there's a bow roller that let's you do the job simply whilst preventing scratches to the hull or topside. And with ample storage all around plus conveniently placed fishing rod holders.

# Compact but perfectly formed

Welcome to the smaller boat that packs much more on board than you'd expect. With a roomy cockpit, plenty of useful storage and a cabin with V-berth for two people it's easy to see why the Activ 470 Cabin has been a classic best seller.

## Safety

A smaller boat doesn't mean less attention to your safety. In fact safety becomes a much greater focus so you can look forward to all the reassurance of the features we offer on larger boats including a robust swim ladder and grab rail, an open deck design for easy movement around the boat, and navigation lights for clear signalling to guide you through the dark.

## Comfort

You'll find a host of features for extra comfort on board ranging from a roomy cockpit with cushions and backrests for the seats through to a cabin with V-berth for 2 people including mirror and an optional chemical WC.

## Versatility

With so much flexibility, practicality and comfort the Activ 470 Cabin gives you big advantages all wrapped in a smaller boat that's so easy to use so that you can get out there and make the most of the day.

## Storage

The Activ 470 Cabin is equipped with much more than you'd imagine. Typical of its clever design is the fact that there's space for a well-placed anchor locker. With bow roller for easy raising and lowering of the anchor, storage lockers and side storage compartment as well this is the compact boat that's big on practicality.

# Time for some fun

If you're seriously tempted to get into the boating life then there's no better place to start than on board the Activ 430 Cabin. It's compact yet it comes with a surprisingly large cabin making it perfect for keeping children sheltered from the elements when you need to as well as occasional overnight trips. It's also easy to tow and get in and out of the water. Time to start having some real fun.

## Safety

You can set out on your first journeys with complete confidence thanks to this solid, well made boat with space to move around easily, storage to keep everything safely out of the way, sturdy grab rails for added peace of mind and a robust swim ladder.

## Comfort

The Activ 430 Cabin is definitely big on comfort with room for up to four people to escape and enjoy some fun on the water thanks to a cockpit with cushions, a versatile picnic table for relaxing meals with friends or the children and even a V-berth for 2 people for when a great day turns into a great night.

## Versatility

Easy to tow, easy to steer out on the water and just as easy to take back home, the Activ 430 Cabin is the perfect boat for those first unforgettable trips combining plenty of practicality with endless fun.

## Storage

A smaller boat doesn't mean it's ever a problem to keep everything packed away, safe and dry. This boat comes complete with a well-placed anchor locker plus an easy to use bow roller for lowering and raising the anchor. And with handy storage places plus a generous side storage compartment everything is designed to make life on the water carefree.

# The power to escape

Once you become a Quicksilver Activ owner you have the power to change everything. To leave behind the everyday. To be free whenever you want. To make every moment count. All you need do now is decide how much power you need.

## Outboard motors

### 4-stroke

Intake, compression, power, exhaust. The four stages of the four-cycle combustion. As every combustion series consists of four discrete stages, 4-stroke engines tend to be quieter, smoother and more fuel-efficient than traditional 2-strokes - all the while producing lower emissions.

### Verado® supercharged

Before Verado®, conventional 4-stroke outboards were reliable, but disappointing on performance. The revolutionary Verado® 4-stroke changed that by combining unmatched acceleration and responsiveness, unbeatable torque, precise control and ultra quiet operation with industry-leading reliability.

### OptiMax®

A Direct Injected engine that combines the heart, soul, speed and power of a traditional 2-stroke, but with the advantages of a 4-stroke. Its unique two-stage injection system creates a remarkably complete combustion - which means you can have a great time on the water while feeling good about conserving fuel and producing fewer emissions.

## Inboard & Sterndrive motors

### Sterndrive Engines:

From the reliable performance of the MerCruiser 3.0 TKS/MPI to the stronger MerCruiser 4.3 MPI, you have all the power, efficiency and value you're looking for.

- Optimised intake manifold for improved fuel atomisation and smoother power delivery
- Revised fuel calibration for crisp acceleration and smooth running quality
- Low restriction flame arrestor for added horsepower and torque

- 3-year/300 hour maintenance interval on many periodic service items saves time and money
- Helm-mounted Audio Warning System monitors for oil pressure, engine temperature and drive lube level - provides instant alarm if any of these vary from normal operating values
- Available MerCathode® galvanic corrosion prevention system offers unmatched Active electronic corrosion protection
- The Alpha® sterndrive delivers reliable performance in a value package

### Mercury Diesel

Combining the quiet, smooth performance of a traditional gasoline with the durability of a diesel, this four cylinder compact powerhouse features an advanced ECM with SmartCraft® compatibility to monitor various engine parameters. The QSD2.0 also features advanced components like the integrated heat exchanger and exhaust manifold, which also help reduce overall package size. Impressive acceleration and precise throttle response are the result of a 16 valve cylinder head and a proven common rail fuel system that includes a turbocharger and seawater aftercooler.
