

NEW PILOTHOUSE RANGE

QUICKSILVER®
CAPTUR

Life is now

Quicksilver's new Captur Pilothouse range - Welcome to Fun

Sure...our boats are designed for a great fishing experience. But we know that you use your boat with your family and friends as well. Our new Pilothouse range has been specifically designed to give you best-in-class features for optimal fishing and leisure combined with the comfort and style you have come to expect from Quicksilver.

This year you have a whole new range of boats to choose from. The 755 Pilothouse combines true cruising comfort with our largest fishing cockpit ever, matched by a 250 horsepower engine for speed and the latest advances for a great time on the water. The 675 Pilothouse offers best-in-class cockpit space with a variety of tailored options. And our competitively priced 605 and 525 Pilothouse provide a fantastic boating experience with a myriad of technical and comfort capabilities.

The Smart Edition - the best way to get the options you need

People are different. So why should every boat be the same? We have designed our boats for optimal use, but we know that everybody has their own preferences. That's why we are introducing the Smart Edition. The Smart Edition gives you what you need: a variety of option sets that are most frequently requested by our customers. So you can be sure you get the options you want. They also save you an average of 10%-15% when compared to ordering options separately. Best of all, the Smart Edition has short delivery times and is probably already available at your local dealer right now – you'll be on the water before you know it.

Explore our complete range of boats and dealer networks at www.quicksilver-boats.com.

QUICKSILVER®

755 PILOTHOUSE

Where serious fishing and family fun are all in a day's play

A fishing trip is never going to be a rough and ready affair in this addition to the Pilothouse range. Combining the best fishing equipment package with a full interior double berth, the 755 brings fishing aficionados a real touch of luxury along with all the practical touches the seasoned boater would expect. Boasting the largest HP range, with single engine up to 250hp you'll be enjoying both speed and power.

SAFETY

In addition to the standard features you would expect for trouble-free boating such as navigation lights, sturdy swim ladder and well-placed grab rails, this is the only boat in its class to offer an electronics package for the covered exterior second helm, providing GPS/chartplotter. An electrical windlass takes the strain out of weighing anchor, whilst a bow thruster makes for easier docking. Whenever you want to take to the water, swim platforms make access on and off the boat simple and safe.

COMFORT

Nothing has been left to chance in anticipating your comfort. Even before the rigours of a day's serious fishing, the full double berth looks enticingly restful. Meanwhile on deck the walkthrough transom, combined with triple forward facing interior seating and dedicated galley area ensures ease of movement, comfort and a spacious feel throughout. A special comfort pack option will provide pleasure-seekers with modern conveniences such as bow cushions, table, refrigerator and a cockpit shower. With the additional options of a seawater toilet and interior curtains you will have all the conveniences you need to enjoy your adventures afloat.

FISHING

This is where the 755 comes into its own, offering as it does the best fishing package with a premium livewell system, fishwell locker pumpout systems, additional rod holders and more. The fishing experience is maximised with the largest fishing cockpit, which allows for complete conversion thanks to flip-up flush-fitting seating to provide a clear area.

STORAGE

In addition to the luxury fish locker, our savvy designers have integrated a wealth of practical touches to facilitate storage of all fishing and leisure equipment.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers.

The 755 Pilothouse Smart Edition contains additional fish options: a bait preparation station, raw water washdown, fish locker pumpouts and windshield wash; additional cabin comfort by adding a roof hatch, forward window, salon table, cabin curtains and a refrigerator, as well as extra cockpit comfort with 2 flip seats, a cockpit table, a cockpit shower and bow cushions.

In addition to that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

675 PILOTHOUSE

Perfect for a Great Day Out

Are you looking for great performance at an attractive price? The 675 Pilothouse contains an intelligently designed cockpit for comfort, coupled with class-leading space that is perfect for both fishing and leisure. The craft's maximum 200 horsepower engine will allow you to easily reach a cruising speed of 25 knots. And whether you want to relax with friends or get your line in the water, our SMART edition combines the right mix of Cockpit, Cabin and Fishing options for your needs—your boat will be perfectly suited to your lifestyle.

SAFETY

The 675 Pilothouse is a ready-for-fun craft designed with safety in mind. High freeboards in the cockpit, safety rails, and easy bow access ensure a worry-free water experience with plenty of other safety options too. The helm provides 360° visibility, swim platforms allow your family and friends to get in and out of the water safely and easily, and an optional windlass ensures extra control – whether you want to leave in a hurry or stay exactly where you are.

COMFORT

Your comfort is our goal. The fully configurable cockpit space can be converted in a minute to seating and dining area with an optional comfort pack. In the cabin there is seating for four, and a convertible berth that sleeps two. A wide starboard walkaround allows easy bow access, and a sliding door provides shelter and quick availability to the rest of the boat. The handy galley with sink and cooker can be easily upgraded to include fresh water capabilities and a refrigerator. You can also enhance your craft with a dual helm station, sea toilet and colored hull.

FISHING

Ready for a great fishing experience? Prepare your bait at the dedicated station with an integrated cutting board. Then locate the best fishing location with your optional GPS/fish finder. Once you're there, grab your rods from the easily-accessible, rod holder, and get that hook in the water from the large cockpit or forward fishing platform. And when you start to reel them in, keep your catch fresh in the fish lockers with optional pump/aeration system. The 675 Pilothouse – designed to enhance your fishing day from start to finish.

STORAGE

The 675 Pilothouse combines a sense of space and freedom without sacrificing storage. Your fishing rods will fit perfectly in a lockable floor storage area. Lockers in the cockpit floor, a fully-lined storage area below the galley, and additional space under the berth and the aft bench seat provide a variety of safe, accessible locations for you to keep all of the things you need for fishing and fun.

675 PILOTHOUSE

605 PILOTHOUSE

Great Value, Great Fun

Are you passionate about fishing? Our 605 Pilothouse provides real value. The 115 horsepower engine and larger than average cockpit make it easy to get to the fish and get those rods over the side. Make it even easier with an optional second helm station with navigation electronics. And our SMART edition now combines the perfect mix of Cockpit, Cabin and Fishing options to ensure that your craft is suited to your specific lifestyle and needs.

SAFETY

The 605 Pilothouse gives you such a good fishing experience you might not notice how safe it is! A hinged gate provides sea-height access to the transom. Starboard and port walkarounds provide fast accessibility to all areas of the boat. And a bow windlass option makes it easier than ever to drop anchor. The tempered glass windshield and large aft window with 360° visibility make it a breeze to see exactly where you are, and the best-dash-in-size range provides ample space for instrumentation and electronics to keep your journey on track.

COMFORT

Find all-weather protection in the cabin, with seating for two. Extra, easy-to-convert cockpit seating and dining area, offer you the possibility to relax outside. And after some intensive fishing, close the cabin curtains and grab a nap in the two-sleeper berth with fill-in cushions, and let the waves rock you to sleep.

FISHING

Expect plenty of cockpit space for you and your friends to enjoy great fishing moments. Store up to six rods below the coaming caps or in a secure and lockable floor storage area. Find the best fishing area with your optional GPS package and fish from the large cockpit. Then use the built-in lockers to store your catch until it's time to grill. The 605 Pilothouse – ideal for fishing with friends.

STORAGE

The 605 Pilothouse is all about a sense of freedom and open space on the water – no cluttered experience here. Rods and other storage items will fit easily in lockable floor areas or in the high freeboards. Your bait and fish will stay fresh in the livewell and fish locker. And with storage possibilities under the bench and storage lockers in the cockpit floor, you'll have plenty of space to move around with ease.

605 PILOTHOUSE

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers.
