Height	1,61
Weight (Kg)	401
Fuel Capacity (L)	25
CE Design Category	C
Maximum Number of People	5
Maximum Power (HP/kW)	60/44,1

SAFETY

The Activ 455 Open's ultra-modern hull, deep cockpit and unsinkable design make coastal cruising a breeze and guarantee safety for both adults and children. The boat is packed with intelligent design features – such as anti-slip flooring and easy-grip railing – to ensure the safest possible ride. Easy and secure access to the boat is ensured through the convenient swim platforms that serve as a step into the boat. The Activ 455 Open can be motorized with up to 60 horse power. The responsive controls and easy-to-read instrumentation, on the other hand, turn navigation into child's play. And with an extra-large windscreen, you and your passengers can enjoy the best weather protection.

COMFORT

Despite its compact size, the interior feels spacious and is easy to move around, even when at speed. The cushions have a modern design and are made of enjoyable fabrics. Their practical shape makes it easy to store them onboard. Outside the water the Activ 455 Open requires very little maintenance. It is as easy to perform as 1, 2, 3 thanks to the use of quality materials and fabric. Its light design and secure hooks make transportation almost as easy out of the water as in.

VERSATILITY

There are dozens of ways to enjoy the water – from cruising and bathing to fishing, recreation and transportation – and the Activ 455 Open is equipped for each and every one of them. Its versatile interior, easy access, large bathing platform and comfortable seating for up to 5 people make it the ideal companion to delight your passengers, whatever their fancy.

STORAGE

The Activ 455 Open offers ingenious storage solutions by offering two separate storage areas in the boat and an additional lockable storage below the aft bench.
