ACTIV

THE MOMENT YOU LOOK AT A QUICKSILVER ACTIV YOU KNOW THAT IT'S DESIGNED FOR PURE FUN.

It's about fluid yet solid forms with soft lines and sharp, cut-through shapes creating a dynamic, sporty tension that says it's playtime. Purposeful designs still true to the essence and character of the original sketches; that spontaneous spark of inspiration. Creativity founded on experience, considered development and insight gained through solid research into the needs and desires of boat users resulting in a range of boats that offers you true freedom with the reassurance of structural and engineering integrity. Everything underpinned by safety, comfort and versatility, so you can fish, water ski, or just soak up the sun with complete peace of mind. And with ease.

This is Quicksilver Activ.  
Built on understanding.  
Shaped by you.  
Created for escape.

## SAFETY

Playing on water isn't relaxing unless you've got a boat you can put your trust in. The Activ 540 Cabin is built to put your mind at rest. Right from the solid integrity of its construction through to hydraulic steering as standard for driving that's always fast but smooth and safe as well as navigation lights ensuring clear signalling.

## COMFORT

The 540 is a roomy and sociable cruiser with a spacious cockpit complete with co-pilot seat and cushions, a versatile picnic table and, when you really want to relax, there's a sun pad for catching some rays plus a bright, airy cabin with V-berth for two people to unwind after a day on the water. A chemical WC also comes as standard.

## VERSATILITY

From a ski pole as standard to handy fishing rod holders and a robust swim ladder, the Activ 540 Cabin is designed for a host of water activities. So from water skiing to fishing to diving in for a swim you're all set to go. And when you've worked up an appetite the picnic table is perfect for a quick snack or a more leisurely meal at the end of the day.

## STORAGE

To help you get on and enjoy life on the water as much as possible the Activ 540 Cabin takes care of all the practical things as well. With ample storage all around, conveniently placed fishing rod holders and a perfectly situated anchor locker, there's a space for everything. And there's also a bow roller on deck to make sure that lowering and raising the anchor is completely simple and worry free, removing the risk of scratching the hull or topside.

# ACTIV 510 CABIN

## THE VERSATILE DAY CRUISER

With the Activ 510 Cabin you get the best of both worlds. Hydraulic steering, plenty of storage, a roomy cockpit and ample room for fishing from the boat make it the perfect day cruiser. But this versatile cruiser also boasts comfortable sleeping accommodation below deck for when you really want to make the day last.

Length Overall (M)	5,25
Beam Maximum (M)	2,33
Height - Without Canvas (M)	1,86
Dry Weight (Kg)	575
Fuel Capacity (L)	50
CE Design Category	C
Maximum Number of People	5
Maximum Power (HP / KW)	90 / 66,2
Shaft lenght	L

## SAFETY

The robust swim ladder and grab rail make getting in and out of the water quick and safe while the open design of the deck means that getting around on board is easy. Add to all this hydraulic steering and navigation lights for clear signalling and you have a boat that's also easy to drive and navigate.

## COMFORT

Great for escaping for the day, the Activ 510 Cabin has a roomy cockpit with seat cushions and picnic table so you can relax and entertain and if you want to take the fun into another day there's a bright cabin with V-berth for two people including mirror. For added comfort there's an optional co-pilot seat and chemical WC.

## VERSATILITY

Switching effortlessly from a day cruiser to an overnighter this is the boat that lets you get out there and play and then relax afterwards with comfortable space on deck and more below.

## STORAGE

Everything has its place on board the Activ 510 Cabin. The perfectly situated locker for the anchor keeps it safely out of the way and when you need to raise or lower it there's a bow roller that let's you do the job simply whilst preventing scratches to the hull or topside. And with ample storage all around plus conveniently placed fishing rod holders.

# ACTIV 470 CABIN

## COMPACT BUT PERFECTLY FORMED

Welcome to the smaller boat that packs much more on board than you'd expect. With a roomy cockpit, plenty of useful storage and a cabin with V-berth for two people it's easy to see why the Activ 470 Cabin has been a classic best seller.

Length Overall (M)	4,83
Beam Maximum (M)	2,37
Height - Without Canvas (M)	1,75
Dry Weight (Kg)	490
Fuel Capacity (L)	25
CE Design Category	C
Maximum Number of People	5
Maximum Power (HP / KW)	60 / 44,1
Shaft length	L

## SAFETY

A smaller boat doesn't mean less attention to your safety. In fact safety becomes a much greater focus so you can look forward to all the reassurance of the features we offer on larger boats including a robust swim ladder and grab rail, an open deck design for easy movement around the boat, and navigation lights for clear signalling to guide you through the dark.

## COMFORT

You'll find a host of features for extra comfort on board ranging from a roomy cockpit with cushions and backrests for the seats through to a cabin with V-berth for 2 people including mirror and an optional chemical WC.

## VERSATILITY

With so much flexibility, practicality and comfort the Activ 470 Cabin gives you big advantages all wrapped in a smaller boat that's so easy to use so that you can get out there and make the most of the day.

## STORAGE

The Activ 470 Cabin is equipped with much more than you'd imagine. Typical of its clever design is the fact that there's space for a well-placed anchor locker. With bow roller for easy raising and lowering of the anchor, storage lockers and side storage compartment as well this is the compact boat that's big on practicality.

## STANDARD EQUIPMENT

# ACTIV 430 CABIN

## TIME FOR SOME FUN

If you're seriously tempted to get into the boating life then there's no better place to start than on board the Activ 430 Cabin. It's compact yet it comes with a surprisingly large cabin making it perfect for keeping children sheltered from the elements when you need to as well as occasional overnight trips. It's also easy to tow and get in and out of the water. Time to start having some real fun.

Length Overall (M)	4,40
Beam Maximum (M)	2,11
Height - Without Canvas (M)	1,60
Dry Weight (Kg)	450
Fuel Capacity (L)	25
CE Design Category	C
Maximum Number of People	4
Maximum Power (HP / KW)	50 / 36,8
Shaft lenght	L

## SAFETY

You can set out on your first journeys with complete confidence thanks to this solid, well made boat with space to move around easily, storage to keep everything safely out of the way, sturdy grab rails for added peace of mind and a robust swim ladder.

## COMFORT

The Activ 430 Cabin is definitely big on comfort with room for up to four people to escape and enjoy some fun on the water thanks to a cockpit with cushions, a versatile picnic table for relaxing meals with friends or the children and even a V-berth for 2 people for when a great day turns into a great night.

## VERSATILITY

Easy to tow, easy to steer out on the water and just as easy to take back home, the Activ 430 Cabin is the perfect boat for those first unforgettable trips combining plenty of practicality with endless fun.

## STANDARD EQUIPMENT

### HULL & DECK
