PILOTHOUSE

2022

THE QUICKSILVER RANGE HAS ALWAYS PERFECTLY BLENDED FUN AND STYLE WITH PRACTICALITY AND SAFETY

The evolving direction of the Quicksilver range now builds on this strength with collaborations between highly experienced designers, engineers and naval architects from the Brunswick Group, a leading force in the boating world. A strong partnership that has led to an even greater line-up of fun boats with true integrity and depth.

Quicksilver promises a world of style and innovative use of space made possible by the best in class length to beam ratio which also increases stability. A confidence further heightened by the deep V hull design creating a form that cuts through water efficiently and comfortably. A direct result of one of the most experienced naval architects in the industry being part of the team behind Quicksilver.

So as you can see, we take fun very seriously. Welcome to style and substance.

From day trippers to overnighters, these boats let you seek out life rather than just let it happen – to enjoy life to the full: carefree and worry-free. Boats with all the power, comfort and practicality to get you out there. Life is more fun when you remove the obstacles.

Life is for Living.
Life is for remembering.
It's a journey.
Seize de moment.

SMART EDITION THE BEST WAY TO GET THE OPTIONS YOU NEED

People are different.

So why should every boat be the same? We have designed our boats for optimal use, but we know that everybody has their own preferences. That's why we are introducing the Smart Edition.

The Smart Edition gives you what you need: a variety of option sets that are most frequently requested by our customers. So you can be sure you get the options you want.

Best of all, the Smart Edition has short delivery times and is probably already available at your local dealer right now you'll be on the water before you know it.

In addition to all of that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

805 Pilothouse

WHEN FISHING IS A WAY OF LIFE

A new generation of Pilothouse models has arrived, tailored to the discerning angler. The curved hull portrays an aesthetically pleasing, sportier design. Centered around the sport you love, the 805 Pilothouse has features focused on a superior on-water experience such as an oxygenated fish locker to keep your bait fresh and your catch fresher. Reach your fishing spot faster with Mercury single and twin-engine options up to 350hp, and up to 9 people aboard. And for a premium experience, an Explorer version elevates your time on the water with more style and deluxe fishing features.

SAFETY

Enjoy dawn-to-dusk fishing worry-free with high freeboards that keep you on the right side of the rail. Lock your deck shoes under the toe rail as you reel in The Big One. Confidently cruise to your secret spot with up to 350L fuel capacity. Stay connected both shoreside and to other vessels with Simrad RS20 VHF while you safely navigate hazards with Simrad 3G Radar.

COMFORT

A quick afternoon on the lake or an overnighter on the sea. The salon table and adjustable seating in the 805 Pilothouse is a great place to unwind or seek shelter. The galley has all you need to cook a quick meal or keep beverages frosty. Two people can relax in comfort inside the berth and additional privacy is afforded with an enclosed head with a flushing marine toilet. The deck is wide open for fishing, and integrated seats starboard and aft fold out of the freeboard when you need to take a load off, and you can set up a cockpit table for a bite to eat.

FISHING

The 805 Pilothouse is geared for the serious angler, and it shows with the gear on board. Keep your daily limit fresh in the massive oxygenated fish locker with pumpout, and hose down the deck with lake or sea water after a busy day catching and cleaning with an integrated washdown faucet. Keep your eyelets intact and your line untangled with dedicated rod storage in the cockpit and cabin. And with the two helm positions, you can put your boat directly over the sonar marks or navigate tight spots near other boats.

DESIGN

Easily step into – and out of – the 805 Pilothouse with a door integrated into the starboard hull. The innovative cabin design offers convenient access from the cockpit and either port or starboard sides. An optional Explorer Pack adds a unique look you'll love to its sporty design with a gorgeous turquoise blue hull wrap and black rails, fender holders, and hardtop roof rack.

KEY FEATURES

- 1 Best in class fishing amenities including a station with livewell system and cutting board, large fish lockers with oxygenated water system, raw water washdown, rod holders, port and starboard toe rails, rod storage
- 2 Starboard and portside access walkway to foredeck. High freeboards for optimal safety
- 3 Flip-up bow cushion
- 4 Double berth in cabin and head with enclosed sea toilet & sink
- 5 Single or twin engine configuration up to 350 hp. Large swim platforms
- 6 Sliding cabin roof hatch and rod storage

SAFETY

Reel in your big catch safely with your toes tucked under the port and starboard toe rails. Enjoy a clutter-free deck with rods and gear all stowed safely in the many built-in compartments. Boat confidently in all sea conditions knowing that high freeboards will keep you on the dry side of the boat. Thanks to the on-deck helm station, precision control for smooth fishing keeps you safer than ever.

COMFORT

Whether it's a day trip with friends or an overnighter with your family, expect a comfortable journey in the 705 Pilothouse. Dine on your fresh catch at the spacious cockpit table, grab a cold beverage from the 50L refrigerator, or slip into the front berth for a much-needed rest. Both captain and port side passenger can sit comfortably as you navigate calm or rough waters on plush seats with foldable stern and aft flip seats for additional anglers. And for privacy, a sea toilet is tucked away under the bow.

FISHING

Dedicated to your fishing experience, the 705 Pilothouse makes every venture for your personal best exciting. Keep your bait in peak condition in the livewell and your catch as fresh as can be in the large fish locker with oxygenated water system. Clean your catch on the spot with the built-in cutting board that can be washed down with raw water. And never risk breaking an eyelet when you store your rods out of the way in the convenient rod holders.

STORAGE

From its spacious hull and integrated storage compartments to the tidy electric windlass system for the anchor, the 705 Pilothouse is perfect for storing and organizing all your gear. Ample in-floor storage on deck and in the cabin ensure everyone can safely move around deck. With the biggest cockpit in its category and excellent configuration options, the 705 Pilothouse is sure to make a lasting impression.

SAFETY

Reel in fish after fish, held securely on deck with port and starboard toe rails on the 625 Pilothouse. Hold your ground with high freeboard, and make your way safely to the bow with the starboard walkway and roof-mounted handrails. The deck can be kept tidy and clutter-free with built-in storage compartments in the cabin, bow, and massive lockers in the floor. Whether you're seated in the cabin or you're on deck, navigate to your next hotspot with high-quality Simrad electronics.

FISHING

Find your fishing spots and get your lines wet sooner with available GPS NSS evo3 in the cabin, then pinpoint the school from the same Simrad electronics at the second helm on deck. Rail-mounted rod holders let you rest your arms between reeling in catches, the available Fish Pack keeps your bait fresh in an integrated baitwell as well as a wash-down raw water outlet when you're cleaning fillets. Or, keep your fish fresh until you get to dock with two massive fish lockers.

COMFORT

Spend a day on the water with all of the amenities to keep you comfortable – a refrigerator drawer for drinks and snacks, indoor and outdoor seating, and facilities for when nature calls. Relax on deck with a table that safely stows when not in use, stern seating, and a fold-down bench seat on the port side. Don't let bad weather keep you at dock, with convertible cabin seating that includes an available jump seat, or convert the cabin to a sleeper for a quick siesta or an overnighter.

DESIGN

Intelligently designed with the avid angler in mind, the 625 Pilothouse's forward cabin is eye-catching and sleek, especially in an available Explorer version. From inside the cabin, experience a full 360-degree panoramic view through large windows and full-length glass sliding doors. Built for a complete experience on the water for families, friends, and fishermen alike, you'll love its extended swim platforms, airy roof hatch, and available sun awning and diesel heater.

ENGINE SPECIFICATIONS

Choose among our vast range of robust and powerful Mercury, Mercury Mercruiser or Mercury Diesel engines, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water. Moreover, you will benefit from a national and international network of dealers for service.

Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines purchased in Europe, the Middle East, Africa and the CIS region.

The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.
