SHEER BOATING PLEASURE

MADE IN SWEDEN

You see them everywhere – at piers, in bays, on lakes and at sea. Over 100,000 boats have been built to date and the fleet is growing every year as more and more people discover this top-quality boat, “Made in Sweden”. Fishermen (professionals and amateurs alike), families, sport divers, water-skiers and nature-lovers... There is an Uttern for everyone.

YOU CAN TELL THEM BY THE WAY THEY MOVE THROUGH THE WATER

Uttern boat models all have one thing in common and that is their seaworthiness. If you are someone who likes to sit safely on board when there is a swell running, then Uttern is your safest choice. A stable, smooth ride has become a hallmark of Uttern boats.

Uttern stands for modern design developed hand in hand with practical functionality. The results speak for themselves – Uttern are as pleasing to look at as they are to handle. Integrated solutions, innovative thinking, quality and comfort: these are some of the words that have been used to explain the success of Uttern. We simply call it BOATING BLISS!

THE UTTERN BOATS COME UP TO ALL YOUR EXPECTATIONS:

- Day Cruiser (D) : Family fun never looked this good
- Cabin (C) : The perfect weekend boats
- Steering Console (S) : So many possibilities
- Twin Console (T) : The best of both worlds
- All-Round (A) : Professionals’ choice

POWERED BY MERCURY AND MARINER

A boat the calibre of an Uttern deserves the finest engine. The combination of Uttern and an engine from Mercury Marine – the world’s largest manufacturer of marine engines – offers the best possible value for money. You get fuel-efficient propulsion that not only takes you further with each tankful but also guarantees a quiet, smooth and safe ride.

Depending on which Uttern model you choose, your boat will be equipped either with a Mercury, Mariner, Mercury MerCruiser sterndrive or Cummins Mercruiser Diesel engine.

There are four-stroke engines ranging from 2.5 HP up to 275 HP. OptiMax two-strokes, which are particularly environmentally friendly and fuel-efficient, are available from 75 HP up to 250 HP.

All Mariner and Mercury 25-60 HP four-stroke engines have electronic fuel injection and they can be upgraded with onboard computers that display revolutions per minute, fuel consumption, battery voltage and much more.

Day Cruiser

D68

IN A CLASS OF ITS OWN

Spacious interior, high freeboard, wide beam plus incredible performance, the D68 sets high standards in powerboat design with the ability to maintain perfect trim and balance. The benefits of this design include additional safety, higher top speed, lower fuel consumption and a smoother rough water ride.

Uttern features

- **Reassuring safety features:** High freeboard, stainless-steel grab rails, bow and searchlights, integrated swim platform with a ladder, Securmark anti-theft marking
- **Comfort:** Cabin with double berth, refrigerator, cooker with heat blower lid on stove, galley with stove and fresh water tank, teak table, canopy, rain bailer, anchor storage, 12 V outlet
- **High Tech:** Chartplotter with sonar, SmartCraft instruments (only MPI), cd stereo, dual battery system, power steering, fresh water cooling, stainless-steel propeller

Engines available

- **Mercury MerCruiser:** 4.3L MPI (V6/220 HP)
- **Cummins MerCruiser Diesel (CMD):** 1.7L MS (120 HP) or 2.8L ES (200 HP)

#1 On The Water®

D68 Specifications	
Length hull (m)	6.82
Max beam (m)	2.52
Number of people	6
Maximum power (HP)	220 (MPI) • 120/200 (CMD)

Day Cruiser

D66

VERADO – AN UNFORGETTABLE EXPERIENCE!

The Uttern D66 Verado, designed by the well-known designer and boat builder Håkan Södergren. The benefits of this new design include additional safety, higher top speed, lower fuel consumption and a smoother rough water ride, combined with effortless Verado power.

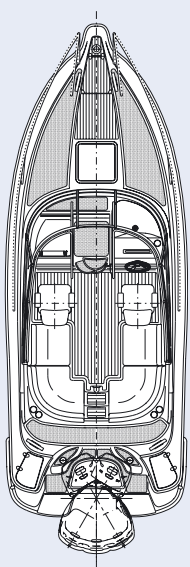

Uttern features

- **Reassuring safety features:** High freeboard, stainless-steel rails and hardware, extended bow at the foredeck, stainless-steel swim platform with swim and rescue ladder, Securmark anti-theft marking
- **Comfort:** Cabin with spacious double berth, refrigerator, cooker with heat blower lid, galley with stove and fresh water tank, canopy, anchor storage, rain bailer, teak table, portlight
- **High Tech:** Chartplotter with sonar, SmartCraft instruments, hydraulic steering, cd stereo, dual battery system, stainless-steel propeller

Engines available

- **Mercury outboard Verado:** 150-250 HP

D66 Verado Specifications	
Length hull (m)	6.60
Max beam (m)	2.50

- = Not included
o = Optional

x (1) = Included on driver's seat, optional on other seats
x (2) = Only OptiMax and Verado models

EQUIPPED IN EVERY DETAIL

What other boats offer as optional extras come as standard features in an Uttern. Mooring equipment, for example, is included in all our models.

The majority of our model range is equipped with chartplotter and sonar, cd stereo, navy-blue hull and teak laminate floor, a carbon-fibre instrument panel, canopies and much more.

Whatever you choose to compare it with, the range of equipment in an Uttern is matched only by its quality.

All our boats are CE-certified.

All Uttern boats are now equipped with factory fitted security marking from Securmark.

Securmark is the leading system in Europe for security marking of boats and statistics show that Securmark identified boats are substantially less likely to suffer theft.

Uttern is part of the family

Mercury Marine continuously explores means to improve the products it designs, manufactures and distributes. Changes to the specifications of its engines, boats and accessories are ongoing. Every effort is made to produce sales and service literature which is current. This brochure should not be regarded as a precise guide to the latest specifications. This brochure is also not an offer for sales of any particular engine, boat, or accessory. Distributors and dealers are not agents of Mercury Marine and they have no authority to bind Mercury Marine by any express undertaking or representation, including but not limited to representations of a product, sales, applications, or service nature.

Not all boats are available in all countries. Some boats shown in this catalogue are equipped with optional accessories. Please see with your local dealer.
